II. Background

The workshop is an opportunity for stakeholders and agencies to continue their dialogue on the technical aspects of implementing the NAS recommendations, building upon public meetings held in November and December 2013 and the implementation of the enhanced stakeholder engagement process that was finalized in March 2013. The workshop is not designed, or intended to be a decision-making forum; consensus will not be sought, or developed at the meeting.

Stakeholders will be asked to provide scientific and technical information that could potentially be used by the agencies to inform various scientific determinations that will be made during

the course of evaluation pesticides, including:

1. Step 1, otherwise known as the "May Affect" threshold identified by NAS;
2. Systematic methods for implementing "Weight of Evidence" analysis that consider both quantitative and qualitative data; and
3. The consideration of uncertainty in the scientific assessment process.

While the focus of this public meeting is on the three topics noted in this unit, comments on all aspects of the materials previously provided to the public will be accepted. The agencies' interim approach document entitled, "Interagency Approach for Implementation of the National Academy of Sciences Report" (11/13/2013) and the presentation materials from the November 2013 stakeholder workshop are available at the following Web site: <http://www.epa.gov/oppfead1/endanger/2013/nas.html>.

In addition to the scientific and technical information presented by stakeholders, representatives from Federal agencies will join the dialogue to ask clarifying questions of the presenters and to respond to questions regarding the pesticide registration process and Endangered Species Act consultation. The agencies see this forum as an integral component of the stakeholder engagement process developed for pesticide consultations and contributes to the agencies' commitment to adapt and refine the interim approaches as we progress through the initial consultations.

III. How can I request to participate in this meeting?

You may submit a request to participate in this meeting to the person listed under **FOR FURTHER INFORMATION CONTACT**. Do not submit any information in your request that is considered CBI. Requests to participate in the meeting, identified by docket ID number EPA-HQ-OPP-2014-0233, must be received on or before April 15, 2014.
