Certain Frozen Warmwater Shrimp From India and Thailand: Notice of Initiation of Antidumping Duty Administrative Reviews

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce (the Department) received requests to conduct administrative reviews of the antidumping duty orders on certain frozen warmwater shrimp (shrimp) from India and Thailand for the period February 1, 2013 through January 31, 2014. The anniversary month of these orders is February. In accordance with the Department's regulations, we are initiating these administrative reviews. The Department also received a request to defer the initiation of the administrative review for the order on shrimp from Thailand with respect to various Thai companies.

DATES: Effective: April 2, 2014.

FOR FURTHER INFORMATION CONTACT: David Crespo at (202) 482-3693 (India) and Dennis McClure (202) 482-5973 (Thailand), AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

During the anniversary month of February 2014, the Department received timely requests, in accordance with 19 CFR 351.213(b), for administrative reviews of the antidumping duty orders on shrimp from India and Thailand from the Ad Hoc Shrimp Trade Action Committee (hereinafter, the petitioner), the American Shrimp Processors Association (ASPA), and certain individual companies.

All deadlines for the submission of various types of information, certifications, or comments or actions by the Department discussed below refer to the number of calendar days from the applicable starting time.

Request To Defer Review

In their requests for administrative review, various Thai companies requested that the Department defer the initiation of the review for one year, pursuant to 19 CFR 351.213(c). These companies are identified by a * in the "Initiation of Reviews" section of this notice, below. None of the parties provided any justification for their deferral request.

The Department's regulations, as set forth in 19 CFR 351.213(c)(1)(i) and (ii), provide that the Department may defer the initiation of an antidumping duty administrative review, in whole or in part, for one year if: (1) The request for review was accompanied by a request to defer the review; and (2) neither the exporter or producer for which the deferral is requested, the importer of subject merchandise from that exporter or producer, or a domestic interested party objects to the deferral. The Department received no objections to this request from any party cited in 19 CFR 351.213(c)(1)(ii).

The preamble to the Department's regulations states that the Department established the provision for deferring the initiation of an administrative review, in part, to reduce burdens on the Department.¹ We believe that deferring the instant review is not likely to save Departmental resources because it is likely that, in this review, as in every prior administrative review of this Thai order, the Department will find it necessary to limit the number of respondents examined.² Accordingly, even if the Department defers the administrative review for these companies, it will likely still review the

same number of respondents, *i.e.*, the maximum number of respondents which our resources will permit. Therefore, we have not deferred the instant review for any companies requesting deferral with respect to the order on shrimp from Thailand.

Notice of No Sales

If a producer or exporter named in this notice of initiation had no exports, sales, or entries during the period of review (POR), it must notify the Department within 60 days of publication of this notice in the **Federal Register**. All submissions must be filed electronically at <http://iaaccess.trade.gov> in accordance with 19 CFR 351.303.³ Such submissions are subject to verification in accordance with section 782(i) of the Tariff Act of 1930, as amended (the Act). Further, in accordance with 19 CFR 351.303(f)(1)(i), a copy must be served on every party on the Department's service list.

Respondent Selection

In the event the Department limits the number of respondents for individual examination for administrative reviews, the Department intends to select respondents based on U.S. Customs and Border Protection (CBP) data for U.S. imports during the POR. We intend to release the CBP data under Administrative Protective Order (APO) to all parties having an APO within seven days of publication of this initiation notice and to make our decision regarding respondent selection within 21 days of publication of this **Federal Register** notice. The Department invites comments regarding the CBP data and respondent selection within five days of placement of the CBP data on the record of the applicable review.

In general, the Department has found that determinations concerning whether particular companies should be "collapsed" (*i.e.*, treated as a single entity for purposes of calculating antidumping duty rates) require a substantial amount of detailed information and analysis, which often require follow-up questions and analysis. Accordingly, the Department will not collapse companies at the respondent selection phase unless there has been a determination to collapse certain companies in a previous segment of these antidumping proceedings (*i.e.*, investigation, administrative review, or changed circumstances review).
