SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-71917; File No. SR-EDGA-2014-08]

Self-Regulatory Organizations; EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Amendments to the EDGA Exchange, Inc. Fee Schedule

April 9, 2014.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 1, 2014, EDGA Exchange, Inc. (the "Exchange" or "EDGA") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its fees and rebates applicable to Members³ of the Exchange pursuant to EDGA Rule 15.1(a) and (c) ("Fee Schedule") to: (i) Increase the rebate for orders yielding Flag BY, which routes to the BATS-Y Exchange, Inc. ("BYX") and removes liquidity using routing strategies ROUC, ROUE, ROBY, ROBB, or ROCO;⁴ (ii) increase the fee for orders yielding Flag RY, which route to BYX and adds

³ The term "Member" is defined as "any registered broker or dealer, or any person associated with a registered broker or dealer, that has been admitted to membership in the Exchange. A Member will have the status of a "member" of the Exchange as that term is defined in Section 3(a)(3) of the Act." See Exchange Rule 1.5(n).

liquidity; (iii) increase the fee for orders yielding Flag O, which routes to the listing exchanges opening cross; and (iv) amend Footnote 5 to increase the fee cap for orders yielding Flag O from \$10,000 to \$20,000 per month per Member. The text of the proposed rule change is available on the Exchange's Internet Web site at www.directedge.com, at the Exchange's principal office, and at the Public Reference Room of the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fee Schedule to: (i) Increase the rebate for orders yielding Flag BY, which routes to BYX and removes liquidity using routing strategies ROUC, ROUE, ROBY, ROBB, or ROCO; (ii) increase the fee for orders yielding Flag RY, which route to BYX and adds liquidity; (iii) increase the fee for orders yielding Flag O, which routes to the listing exchanges opening cross; and (iv) amend Footnote 5 to increase the fee cap for orders yielding Flag O from \$10,000 to \$20,000 per month per Member.

Flag BY

In securities priced at or above \$1.00, the Exchange currently provides a rebate of \$0.0001 per share for Members' orders that yield Flag BY, which routes orders to BYX and removes liquidity using routing strategies ROUC, ROUE, ROBY, ROBB, or ROCO. The Exchange proposes to amend its Fee Schedule to increase the rebate for orders that yield Flag BY to \$0.0016 per share in securities priced at or above \$1.00.⁵ The proposed change represents a pass through of the rate Direct Edge ECN LLC (d/b/a DE Route) ("DE Route"), the

⁵ The Exchange does not propose to amend its fee for orders that yield Flag BY in securities priced below \$1.00.

Exchange's affiliated routing broker-dealer, is provided for routing orders to BYX that remove liquidity. The proposed change is in response to BYX's April 2014 fee change where BYX increased its rebate from \$0.0001 per share to \$0.0016 per share for orders in securities priced at or above \$1.00.⁶ When DE Route routes to and removes liquidity from BYX, it will now receive a standard rebate of \$0.0016 per share. DE Route will pass through the rebate provided by BYX to the Exchange and the Exchange, in turn, will pass through this rate to its Members.

Flag RY

In securities priced at or above \$1.00, the Exchange currently charges a fee of \$0.0003 per share for Members' orders that yield Flag RY, which route to BYX and adds liquidity. The Exchange proposes to amend its Fee Schedule to increase the fee for orders that yield Flag BY to \$0.0018 per share in securities priced at or above \$1.00.⁷ The proposed change represents a pass through of the rate DE Route, the Exchange's affiliated routing broker-dealer, is charged for routing orders to BYX that add liquidity. The proposed change is in response to BYX's April 2014 fee change where BYX increased its standard fee to \$0.0018 per share from \$0.0003 per share for orders in securities priced at or above \$1.00.⁸ When DE Route routes to and adds liquidity on BYX, it will now be charged a standard rate of \$0.0018 per share.⁹ DE Route will pass through the rate it is charged on BYX to the Exchange and the Exchange, in turn, will pass through this rate to its Members.

Flag O

In securities priced at or above \$1.00, the Exchange currently charges a fee of \$0.0005 per share for Members' orders that yield Flag O, which routes to the listing exchange's opening process.¹⁰ The Exchange proposes to amend its Fee Schedule to increase the fee for orders that yield Flag O to \$0.0010 per share

in securities priced at or above \$1.00.¹¹ The proposed change represents an equitable allocation of routing fees that DE Route, the Exchange's affiliated routing broker-dealer, is charged for orders routed to the listing exchange's opening process when it does not qualify for a volume tiered reduced fee. The proposed change is in response to the New York Stock Exchange, Inc.'s ("NYSE") April 2014 fee change where the NYSE increased its fee to \$0.0010 per share from \$0.0005 per share for orders in securities priced at or above \$1.00.¹² When DE Route routes an order to the NYSE's opening cross, it will now be charged a standard rate of \$0.0010 per share. DE Route will pass through the rate it is charged on the NYSE to the Exchange and the Exchange, in turn, will pass through this rate to its Members.

Footnote 5

The Exchange also proposes to amend Footnote 5 to increase the fee cap for orders yielding Flag O from \$10,000 to \$20,000 per month per Member. When the Exchange routes to a listing exchange's opening cross (Flag O), the Exchange passes through the tier savings that DE Route achieves on an away exchange to its Members. This tier savings takes the form of a cap of Members' fees at \$10,000 per month for using Flag O. The proposed increase in the fee cap under Footnote 5 is in response to April 2014 fee cap changes by Nasdaq and NYSE for orders that participate in their opening cross processes. First, under the NYSE's April 2014 fee change, it is increasing its fee cap for orders that participate in its opening cross from \$15,000 to \$20,000 per month.¹³ Second, under Nasdaq's April 2014 fee cap increase, it is requiring that members add, at a minimum, one million shares of liquidity to Nasdaq, on average per day, during the month to be eligible for its existing fee cap of \$20,000 for orders

that participate in the opening cross.¹⁴ When DE Route routes to the NYSE or Nasdaq's opening cross, it will now be subject to the increased fee cap and new tier requirement. The proposed increase to the fee cap under Footnote 5 would enable the Exchange to equitably allocate its costs among all Members utilizing Flag O. Therefore, the Exchange proposes to amend Footnote 5 to increase the fee cap for orders yielding Flag O from \$10,000 to \$20,000 per month per Member in response to the Nasdaq and the NYSE's April 2014 increased fee caps and related requirements.

Implementation Date

The Exchange proposes to implement these amendments to its Fee Schedule on April 1, 2014.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,¹⁵ in general, and furthers the objectives of Section 6(b)(4),¹⁶ in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities.

Flag BY

The Exchange believes that its proposal to increase the rebate for orders that yield Flag BY represents an equitable allocation of reasonable dues, fees, and other charges among Members and other persons using its facilities. Prior to the BYX's April 2014 fee change, BYX provided DE Route a rebate of \$0.0001 per share to remove liquidity in securities priced at or above \$1.00, which DE Route passed through to the Exchange and the Exchange charged its Members. When DE Route routes to BYX, it will now be provided a rebate of \$0.0016 per share. The Exchange does not levy additional fees or offer additional rebates for orders that it routes to BYX through DE Route. Therefore, the Exchange believes that the proposed change to Flag BY is equitable and reasonable because it accounts for the pricing changes on BYX, which enables the Exchange to charge its Members the applicable pass-through rate. Lastly, the Exchange notes that routing through DE Route is voluntary and believes that the proposed change is non-discriminatory because it applies uniformly to all Members.

⁸ See the BYX Fee Schedule available at http://www.batstrading.com/resources/regulation/rule_book/BYX_Fee_Schedule.pdf.

⁹ The Exchange notes that to the extent DE Route does or does not achieve any volume tiered reduced fee on BYX, its rate for Flag RY will not change.

¹⁰ Under Flag O, the Exchange routes to the following listing exchanges: The New York Stock Exchange, Inc.; The Nasdaq Stock Market LLC ("Nasdaq"); NYSE MKLT LLC; NYSE Arca Inc. ("NYSE Arca"), and BATS Exchange, Inc.

Flag RY

The Exchange believes that its proposal to increase the fees for orders yielding Flag RY represents an equitable allocation of reasonable dues, fees, and other charges among Members and other persons using its facilities. Prior to BYX's April 2014 fee change, BYX charged DE Route a fee of \$0.0003 per share to add liquidity in securities priced at or above \$1.00, which DE Route passed through to the Exchange and the Exchange charged its Members. When DE Route routes to BYX, it will now be charged a standard rate of \$0.0018 per share. The Exchange does not levy additional fees or offer additional rebates for orders that it routes to BYX through DE Route. Therefore, the Exchange believes that the proposed change to Flag RY is equitable and reasonable because it accounts for the pricing changes on BYX, which enables the Exchange to charge its Members the applicable pass-through rate. Lastly, the Exchange notes that routing through DE Route is voluntary and believes that the proposed change is non-discriminatory because it applies uniformly to all Members.

Flag O

The Exchange believes that its proposal to increase the fees for orders yielding Flag O represents an equitable allocation of reasonable dues, fees, and other charges among Members and other persons using its facilities. Prior to NYSE's April 2014 fee change, NYSE charged DE Route a fee of \$0.0005 per share for orders routed to the NYSE's opening cross, which DE Route passed through to the Exchange and the Exchange charged its Members. When DE Route routes to the NYSE opening cross, it will now be charged a rate of \$0.0010 per share.¹⁷ The Exchange does not levy additional fees or offer additional rebates for orders that it routes to the NYSE opening cross through DE Route. Therefore, the Exchange believes that the proposed change to Flag O is equitable and reasonable because it accounts for the pricing changes on the NYSE, which enables the Exchange to equitably allocate its costs among all Members utilizing Flag O. because it applies uniformly to all Members.

Footnote 5

The Exchange believes that its proposal to amend Footnote 5 to increase the fee cap for orders yielding Flag O from \$10,000 to \$20,000 per month per Member represents an equitable allocation of reasonable dues, fees, and other charges among Members and other persons using its facilities. The proposed increase in the fee cap under Footnote 5 is in response to April 2014 fee cap updates by Nasdaq and NYSE for orders that participate in their opening cross processes. Prior to Nasdaq's April 2014 fee cap increase, Nasdaq capped DE Routes monthly fees for participating in its opening cross at \$20,000, regardless of the volume it added to Nasdaq. When DE Route routes to the Nasdaq opening cross, it will now be required to add, at a minimum, one million shares of liquidity to Nasdaq, on average per day, during the month, to be eligible for its \$20,000 monthly fee cap.¹⁸ In addition, prior to NYSE's April 2014 fee change, the NYSE capped DE Routes monthly fees for participating in its opening cross at \$15,000. When DE Route routes to the NYSE opening cross, it will now be subject to the NYSE's higher fee cap of \$20,000.¹⁹ The proposed increase to the fee cap under Footnote 5 would enable the Exchange to equitably allocate its costs among all Members who utilize Flag O. Therefore, the Exchange believes that the proposed change to Footnote 5 is equitable and reasonable because it accounts for the increased NYSE fee cap and Nasdaq eligibility requirements, which enables the Exchange to apply to its Members similar fee caps. Lastly, the Exchange notes that routing through DE Route is voluntary and believes that the proposed change is non-discriminatory because it applies uniformly to all Members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes its proposed amendments to its Fee Schedule would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposed change represents a significant departure from previous pricing offered by the Exchange or pricing offered by

¹⁸ See Nasdaq Equity Trader Alert #2014-28 available at <http://www.nasdaqtrader.com/TraderNews.aspx?id=ETA2014-28>.

the Exchange's competitors. Additionally, Members may opt to disfavor EDGA's pricing if they believe that alternatives offer them better value. Accordingly, the Exchange does not believe that the proposed change will impair the ability of Members or competing venues to maintain their competitive standing in the financial markets.

In particular, the Exchange believes that its proposal to pass through the amended fees for orders that yield Flags BY and RY would increase intermarket competition because it offers customers an alternative means to route to BYX for the same price that they would be charged if they entered orders on those trading centers directly. The Exchange believes that its proposal would not burden intramarket competition because the proposed rate would apply uniformly to all Members.

The Exchange also believes that its proposal to pass through the amended fees for orders that yield Flag O and its related fee cap under Footnote 5 would increase intermarket competition because it offers customers an alternative means to route to a listing exchange's opening cross for the similar prices that they would be charged if they entered orders on those trading centers directly. The Exchange believes that its proposal would not burden intramarket competition because the proposed rate would apply uniformly to all Members.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from Members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act²⁰ and Rule 19b-4(f)(2)²¹ thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
