comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange filed a proposal to amend the fee schedule applicable to Members⁵ and non-members of the Exchange pursuant to BATS Rules 15.1(a) and (c). Changes to the fee schedule pursuant to this proposal are effective upon filing.

The text of the proposed rule change is available at the Exchange's Web site at <http://www.batstrading.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to modify its fee schedule applicable to use of the Exchange effective April 1, 2014, in order to modify the fees applicable to executions occurring through certain routing strategies at the Exchange's affiliate, BATS Y-Exchange, Inc. ("BYX").

BYX currently provides a base rebate of \$0.0001 per share when removing liquidity. To create a direct pass through of the applicable economics of executions at BYX through the Destination Specific,⁶ TRIM (including TRIM2 and TRIM3),⁷ and SLIM⁸ routing strategies, the Exchange proposes to increase the rebate to \$0.0016 per share for orders routed through such strategies and executed on BYX. The proposed change represents a pass through of the rate BATS Trading, Inc., the Exchange's

affiliated routing broker-dealer, is provided for routing orders that remove liquidity from BYX. The proposed change is in response to BYX's April 2014 fee change where BYX increased its rebate from \$0.0001 per share to \$0.0016 per share for orders in securities priced at or above \$1.00.⁹ Accordingly, when BATS Trading, Inc. routes to and removes liquidity on BYX, it will now receive a standard rebate of \$0.0016 per share.¹⁰ The Exchange is not proposing any other changes to its routing fees at this time.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6 of the Act.¹¹ Specifically, the Exchange believes that the proposed rule change is consistent with Section 6(b)(4) of the Act,¹² in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using any facility or system which the Exchange operates or controls. The Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive.

The Exchange believes that the proposed changes to the Exchange's rebate for TRIM (including TRIM2 and TRIM3), SLIM and Destination Specific Orders executed on BYX are equitably allocated, fair and reasonable, and non-discriminatory in that they are equally applicable to all Members and are designed to mirror the rebate applicable to the execution if such routed orders were executed directly by the Member at BYX.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. Because the market for order execution is extremely competitive, Members may readily opt to disfavor the Exchange's routing services if they believe that

alternatives offer them better value. For orders routed through the Exchange and executed at BYX through the TRIM (including TRIM2 and TRIM3), SLIM and Destination Specific Order strategies, the proposed fee change is designed to equal the rebate that a Member would have received if such routed orders would have been executed directly by a Member at BYX. As stated above, the Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if the deem fee structures to be unreasonable or excessive.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹³ and paragraph (f) of Rule 19b-4 thereunder.¹⁴ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
