**I. Introduction**

1. By this document, the Wireline Competition Bureau (Bureau) announces release of the final Lifeline Biennial Audit Plan, attached hereto as Attachment 3 (Audit Plan). In the *Lifeline Reform Order*, the Commission directed the Bureau, in conjunction with the Office of Managing Director (OMD), to develop standard procedures for independent biennial audits of eligible telecommunications carriers (ETCs) receiving \$5 million or more annually from the low-income universal service support program. By establishing uniform audit procedures to review the internal controls and processes of Lifeline service providers, the Bureau and OMD are implementing another major reform established by the

Commission to protect the federal universal service fund from waste, fraud and abuse. The appendices to the Biennial Audit Plan are available for public inspection at <http://www.fcc.gov/document/release-final-lifeline-biennial-audit-plan-announced> and FCC Headquarters at 445 12th Street SW., Washington, DC 20554.

2. The independent audit firms conducting these biennial audits must plan their engagements by using the approved procedures outlined in the final Audit Plan. The independent audit firms must be licensed, certified public accounting firms and must conduct the audits consistent with Generally Accepted Government Auditing Standards (GAGAS). The audits shall be performed as agreed-upon procedures (AUP) attestations. In addition, to ensure compliance with the Commission's Lifeline requirements, the Universal Service Administrative Company (USAC) will conduct training for independent auditors performing the AUP engagements to ensure that the audits are performed in accordance with the Audit Plan. The independent auditors will be required to collect from the ETCs specific documents and completed questionnaires, which the independent auditors will inspect before conducting fieldwork testing and then preparing attestation reports.

3. ETCs receiving \$5 million or more from the low-income program, as determined on a holding company basis taking into account all operating companies and affiliates, for calendar year 2013 will be subject to the first round of biennial audits. A list of ETCs subject to this requirement is attached hereto as Attachment 2. As detailed in the Audit Plan, the final attestation report for each audit must be submitted within one year after release of the final Audit Plan, which is *April 2, 2015* for the first biennial audit.

**II. Discussion****A. Changes to Audit Plan**

4. In order to promote clarity, transparency and predictability in the Lifeline program, the Bureau, in conjunction with OMD, released a public notice seeking comment on the proposed Lifeline Biennial Audit Plan. The Bureau received several comments addressing the proposed Lifeline Biennial Audit Plan. In response to comments, the Bureau and OMD hereby revise the Audit Plan in certain parts. Specifically, we make the following revisions to the Audit Plan:

5. Audit Period: The audit period has been revised to cover the period of January 1 through December 31.
