

Commission (IATTC) results in certain recordkeeping requirements for U.S. fishermen who fish in the IATTC's area of management responsibility. These fishermen must maintain a log of all operations conducted from the fishing vessel, including the date, noon position, and the tonnage of fish aboard the vessel, by species. The logbook form provided by the IATTC is universally used by U.S. fishermen to meet this recordkeeping requirement. The information in the logbooks includes areas and times of operation and catch and effort by area. Logbook data are used in stock assessments and other research concerning the fishery. If the data were not collected or if erroneous data were provided, the IATTC assessments would likely be incorrect and there would be an increased risk of overfishing or inadequate management of the fishery.

Affected Public: Business or other for-profit organizations.

Frequency: Daily when on fishing trips.

Respondent's Obligation: Mandatory.

Scope Determination Regarding the Effect on Foreign-Trade Zone Board Orders Resulting From Modifications to the Harmonized Tariff Schedule of the United States

Pursuant to Section 400.14(d) of the FTZ Board regulations (15 CFR Part 400), it has been determined that the scope of FTZ Board Orders has not been affected by the 2012 modification of the Harmonized Tariff Schedule of the United States (HTSUS).

Countervailing Duty Investigation of 1,1,1,2-Tetrafluoroethane From the People’s Republic of China: Preliminary Affirmative Determination and Alignment of Final Determination With Final Antidumping Determination

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the “Department”) preliminarily determines that countervailable subsidies are being provided to producers and exporters of 1,1,1,2-Tetrafluoroethane (“tetrafluoroethane”) from the People’s Republic of China (the

Countervailing Duty Centralized Electronic Service System ("IA ACCESS"). IA ACCESS is available to registered users at <http://iaaccess.trade.gov>, and is available to all parties in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memo can be accessed directly on the Internet at <http://trade.gov/enforcement>. The signed Preliminary Decision Memo and the electronic versions of the Preliminary Decision Memo are identical in content.

The Department notes that, in making these findings, we relied, in part, on facts available and, because one or more

respondents did not act to the best of their ability to respond to the Department's requests for information, we drew an adverse inference where appropriate in selecting from among the facts otherwise available.² For further information, see "Use of Facts Otherwise Available and Adverse Inferences" in the Preliminary Decision Memo.

Alignment

As noted in the Preliminary Decision Memo, in accordance with section 705(a)(1) of the Act and 19 CFR 351.210(b)(4), we are aligning the final CVD determination in this investigation with the final determination in the companion antidumping duty ("AD")

investigation of 1,1,1,2-Tetrafluoroethane from the PRC.³ Consequently, the final CVD determination will be issued on the same date as the final AD determination, which is currently scheduled to be issued no later than August 4, 2014, unless postponed.

Preliminary Determination and Suspension of Liquidation

In accordance with section 703(d)(1)(A)(i) of the Act, we calculated an individual rate for each producer/exporter of the subject merchandise individually investigated. We preliminarily determine the countervailable subsidy rates to be:

Company	Subsidy rate
T.T. International Co., Ltd	28.74 percent.
JUHUA (including Zhejiang Quhua Fluor-Chemistry Co., Ltd., and other Juhua Stock Companies)	4.04 percent.
Jiangsu Bluestar Green Technology Co., Ltd	1.35 percent.
All Others	16.39 percent.

In accordance with sections 703(d)(1)(B) and (2) of the Act, we are directing U.S. Customs and Border Protection to suspend liquidation of all entries of tetrafluoroethane from the PRC that are entered, or withdrawn from warehouse, for consumption on or after the date of the publication of this notice in the **Federal Register**, and to require a cash deposit for such entries of merchandise in the amounts indicated above.

In accordance with sections 703(d) and 705(c)(5)(A) of the Act, for companies not investigated, we apply an "all-others" rate, which is normally calculated by weighting the subsidy rates of the individual companies selected as respondents by those companies' exports of the subject merchandise to the United States. Under section 705(c)(5)(i) of the Act, the all-others rate should exclude zero and *de minimis* rates calculated for the exporters and producers individually investigated. Where the rates for the investigated companies are all zero or *de minimis*, section 705(c)(5)(A)(ii) of the Act instructs the Department to establish an all-others rate using "any reasonable method." Notwithstanding the language of section 705(c)(5)(A)(i) of the Act, we have not calculated the "all-others" rate by weight averaging the rates of the two individually

investigated respondents, because doing so risks disclosure of proprietary information. Therefore, and consistent with the Department's practice, for the "all-others" rate, we calculated a simple average of the two responding firms' rates.⁴

Disclosure and Public Comment

The Department intends to disclose calculations performed for this preliminary determination to the parties within five days of the date of public announcement of this determination in accordance with 19 CFR 351.224(b). Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the final verification report is issued in this proceeding, and rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline date for case briefs.⁵ A table of contents, list of authorities used and an executive summary of issues should accompany any briefs submitted to the Department. This summary should be limited to five pages total, including footnotes.

Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S.

Department of Commerce, filed electronically using IA ACCESS. An electronically filed document must be received successfully in its entirety by the Department's electronic records system, IA ACCESS, by 5:00 p.m. Eastern Standard Time, within 30 days after the date of publication of this notice.⁶ Requests should contain the party's name, address, and telephone number; the number of participants; and a list of the issues to be discussed. If a request for a hearing is made, the Department intends to hold the hearing at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a date, time and location to be determined. Parties will be notified of the date, time and location of any hearing.

International Trade Commission Notification

In accordance with section 703(f) of the Act, we will notify the International Trade Commission ("ITC") of our determination. In addition, we are making available to the ITC all non-privileged and non-proprietary information relating to this investigation. We will allow the ITC access to all privileged and business proprietary information in our files, provided the ITC confirms that it will not disclose such information, either publicly or under an administrative

Certain Lined Paper Products From India: Preliminary Results of Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Effective Date: April 18, 2014.

SUMMARY: In response to a request from Navneet Education Limited (Navneet Education), a producer/exporter of certain lined paper products (CLPP) from India, and pursuant to section 751(b) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.216 and 351.221(c)(3)(ii), the Department is issuing this notice of preliminary results. We preliminarily determine that Navneet Education is the successor-in-interest to Navneet Publications (India) Ltd. (Navneet Publications). We invite interested parties to comment on these preliminary results.

FOR FURTHER INFORMATION CONTACT: Cindy Robinson or Eric B. Greynolds, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3797 and (202) 482-6071, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 28, 2006, the Department published the antidumping duty (AD) and countervailing duty (CVD) orders on CLPP from India.¹ On October 17, 2013, Navneet Education informed the Department that effective September 30, 2013, the former company, Navneet Publications, changed its name to Navneet Education in accordance with company's existing board of directors' resolution and Indian law.² Navneet Education stated that the name change process began in August 2013 and was finalized by the end of September 2013.³ Navneet Education submitted a copy of "Fresh Certificate of Incorporation Consequent upon Change of Name" approved by "Government of India—Ministry of Corporate Affairs, Registrar of Companies, Maharashtra, Mumbai," dated October 17, 2013.⁴

As the company is now known as Navneet Education, it requests that: (1) The Department conduct a changed circumstances review under section 751(b)(1) of the Act and 19 CFR 351.216 to determine that it is the successor-in-interest to Navneet Publications for purposes of the antidumping order; and (2) that the Department issue instructions to Customs and Border Protection (CBP) that reflect this conclusion.⁵

² See Certain Lined Paper Products from India: Request for Changed Circumstances Reviews of Navneet Publications (India) Ltd. (October 17, 2013) (CCR Request) at 2, 8 (indicating that Navneet Publications participated as a respondent in the original AD investigation, and it has been a respondent in several AD administrative reviews, most often as a named mandatory respondent (e.g., in the second through fourth reviews it received the following company-specific margins of 1.34 percent, 0.43 percent, and 2.7 percent, respectively. In the fifth review, Navneet Publications received a non-selected rate of 11.01 percent. In the on-going sixth review, it is again selected as a mandatory respondent).

⁵ *Id.*, at 1-2.

On January 14, 2014, the Department initiated a changed circumstances review explaining that while there was sufficient evidence to initiate a successor-in-interest review, it was necessary for the Department to issue a questionnaire requesting additional information for review as provided by 19 CFR 351.221(b)(2).⁶ On January 15, 2014, the Department issued a supplemental questionnaire to Navneet Education, to which Navneet responded on January 29, 2014.⁷

We received no comments from any other interested party concerning the changed circumstances review request filed by Navneet Education.

Scope of the Order

The merchandise covered by the CLPP Order⁸ is certain lined paper products, typically school supplies (for purposes of this scope definition, the actual use of or labeling these products as school supplies or non-school supplies is not a defining characteristic) composed of or including paper that incorporates straight horizontal and/or vertical lines on ten or more paper sheets (there shall be no minimum page requirement for looseleaf filler paper). The products are currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 4811.90.9035, 4811.90.9080, 4820.30.0040, 4810.22.5044, 4811.90.9050, 4811.90.9090, 4820.10.2010, 4820.10.2020, 4820.10.2030, 4820.10.2040, 4820.10.2050, 4820.10.2060, and 4820.10.4000. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.⁹
