

options in the same manner as every standard promulgated by OSHA. In States with OSHA-approved State Plans, this rulemaking would not significantly limit State policy options.

State Plan States

When Federal OSHA promulgates a new standard or a more stringent amendment to an existing standard, the 27 States or U.S. Territories with their own OSHA-approved occupational safety and health plans must amend their standards to reflect the new standard or amendment or show OSHA why such action is unnecessary (by showing, for example, that an existing State standard covering this area is already “at least as effective” as the new Federal standard or amendment). (See 29 CFR 1953.5(a).) The State standard must be “at least as effective” as the final Federal rule and must be adopted within 6 months of the publication date of the final Federal rule (29 CFR 1953.5(a)). When OSHA promulgates a new standard or amendment that does not impose additional or more stringent requirements than the existing standard, as is the case in this final rule, State Plan States are not required to amend their standards, although OSHA may encourage them to do so.

The 27 States and territories with OSHA-approved State Plans are: Alaska, Arizona, California, Connecticut, Hawaii, Illinois, Indiana, Iowa, Kentucky, Maryland, Michigan, Minnesota, Nevada, New Mexico, New Jersey, New York, North Carolina, Oregon, Puerto Rico, South Carolina, Tennessee, Utah, Vermont, Virginia, Virgin Islands, Washington, and Wyoming. Connecticut, Illinois, New Jersey, New York, and the Virgin Islands have OSHA-approved State Plans that apply to State and local government employees only.

Unfunded Mandates Reform Act of 1995

OSHA reviewed this final rule in accordance with the Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1501 *et seq.*) and Executive Order 12875 (58 FR 58093 (Oct. 28, 1993)). As discussed earlier in this notice, the Agency determined that this final rule will not impose additional costs on any private-sector or public-sector entity. Accordingly, this final rule requires no additional expenditures by either public or private employers.

Further, as noted earlier in this notice, the Agency’s standards do not apply to State and local governments except in States that have elected voluntarily to adopt a State Plan approved by the Agency. Consequently, this final rule

does not meet the definition of a “Federal intergovernmental mandate” (see Section 421(5) of the Unfunded Mandates Reform Act (2 U.S.C. 658(5)). Therefore, for the purposes of the Unfunded Mandates Reform Act, the Agency certifies that this final rule does not mandate that State, local, or tribal governments adopt new, unfunded regulatory obligations, or increase expenditures by the private sector of more than \$100 million in any year. In addition, the requirements of UMRA do not apply because a general notice of proposed rulemaking was not published for this final rule. See 2 U.S.C. 1532(a).

List of Subjects in 29 CFR Part 1917

Freight, Longshore and harbor workers, Occupational safety and health.

Authority and Signature

This document was prepared under the direction of David Michaels, Ph.D., MPH Assistant Secretary of Labor for Occupational Safety and Health, 200 Constitution Avenue NW., Washington, DC 20210. It is issued pursuant to sections 4, 6, and 8 of the Occupational Safety and Health Act of 1970, Public Law 91–596, 84 Stat. 1590 (29 U.S.C. 653, 655, 657), section 41 of the Longshore and Harbor Workers’ Compensation Act (33 U.S.C. 941), the judgment of the court in *National Maritime Safety Association v. OSHA*, 649 F.3d 743 (D.C. Cir. 2011), and Secretary of Labor’s Order No. 1–2012 (77 FR 3912).

Signed at Washington, DC on April 8, 2014.

David Michaels,

Assistant Secretary of Labor for Occupational Safety and Health.

Accordingly, 29 CFR part 1917 is amended as follows:

PART 1917—MARINE TERMINALS

- 1. The authority citation for part 1917 is revised to read as follows:

Authority: 33 U.S.C. 941; 29 U.S.C. 653, 655, 657; Secretary of Labor’s Order No. 12–71 (36 FR 8754), 8–76 (41 FR 25059), 9–83 (48 FR 35736), 1–90 (55 FR 9033), 6–96 (62 FR 111), 3–2000 (65 FR 50017), 5–2002 (67 FR 65008), 5–2007 (72 FR 31160), 4–2010 (75 FR 55355), or 1–2012 (77 FR 3912), as applicable; and 29 CFR part 1911.

Section 1917.28 also issued under 5 U.S.C. 553.

Section 1917.29 also issued under 49 U.S.C. 1801–1819 and 5 U.S.C. 553.

- 2. Section 1917.71 is amended by revising paragraph (i) introductory text, adding paragraph (i)(9)(vii), and removing paragraph (i)(10) to read as follows:

§ 1917.71 Terminals handling intermodal containers or roll-on roll-off operations.

* * * * *

(i) *Vertical tandem lifts.* The following requirements apply to operations involving the lifting of two or more intermodal containers by the top container (vertical tandem lifts or VTLs). These requirements do not apply to operations involving the lifting of two or more interconnected platform containers.

* * * * *

(9) * * *

(vii) The requirements of paragraph (i)(9) of this section do not apply to ship-to-shore VTLs.

* * * * *

33 CFR Part 165

[Docket No. USCG–2014–0153]

RIN 1625–AA00

Safety Zone; Lucas Oil Drag Boat Racing Series; Thompson Bay, Lake Havasu City, AZ

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone within the navigable waters of Thompson Bay in Lake Havasu City, Arizona in support of the Lucas Oil Drag Boat Racing Series high speed drag boat race. This safety zone is necessary to provide for the safety of the participants, crew, spectators, participating vessels, and other vessels and users of the waterway. Persons and vessels are prohibited from entering into, transiting through, or anchoring within this safety zone unless authorized by the Captain of the Port, or his designated representative.

DATES: This rule is effective from 7 a.m. to 7 p.m. on May 2, 2014 through May 4, 2014.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG–2014–0153]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the

Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Petty Officer Giacomo Terrizzi, Waterways Management, U.S. Coast Guard Sector San Diego, Coast Guard; telephone 619-278-7656, email d11marineeventssandiego@uscg.mil. If you have questions on viewing or submitting material to the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone (202) 366-9826.

SUPPLEMENTARY INFORMATION:

Table of Acronyms

DHS Department of Homeland Security
FR Federal Register
NPRM Notice of Proposed Rulemaking
TFR Temporary Final Rule

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because an NPRM would be impracticable. Logistical details did not present the Coast Guard enough time to draft, publish, and receive public comment on an NPRM. As such, the event would occur before the rulemaking process was complete. Immediate action is needed to help protect the safety of the participants, crew, spectators, and participating vessels from other vessels during this three day event.

Under 5 U.S.C. 553(d)(3), for the same reasons mentioned above, the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Any delay in the effective date of this rule would be contrary to the public interest, because immediate action is necessary to protect the safety of the participants from the dangers associated with other vessels transiting this area while the race occurs.

B. Basis and Purpose

The legal basis and authorities for this rule are found in 33 U.S.C. 1231, 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Public Law 107-295, 116 Stat. 2064; and Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to propose, establish, and define regulatory safety zones. The I-10 Race Promotions is sponsoring the Lucas Oil Drag Boat Racing Series, which will involve 150 drag boats, 10 to 50 feet in length from across the United States and Canada. The safety zone will cover the majority of Thompson Bay. This temporary safety zone is necessary to provide for the safety of the participants, crew, spectators, sponsor vessels, other vessels, and users of the waterway.

C. Discussion of the Final Rule

The Coast Guard is establishing a safety zone that will be enforced from 7 a.m. to 7 p.m. on May 2, 2014 through May 4, 2014. The limits of the safety zone will include all the navigable waters of Thompson Bay encompassed by drawing a line from point to point along the following coordinates:

Northern Zone line:

34°27'57.96" N, 114°20'48.49" W

34°27'57.71" N, 114°20'49.75" W

North West Zone Line:

34°27'07.99" N, 114°21'09.93" W

34°26'51.99" N, 114°21'03.83" W

South Zone Line:

34°27'07.99" N, 114°21'09.93" W

34°26'51.99" N, 114°21'03.83" W

The safety zone is necessary to provide for the safety of the crew, spectators, participants, and other vessels and users of the waterway. Persons and vessels will be prohibited from entering into, transiting through, or anchoring within this safety zone unless authorized by the Captain of the Port, or his designated representative. The three day event will include official racing on Friday, Saturday and Sunday. Before the effective period, the Coast Guard will publish a local notice to mariners (LNM).

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of

Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders. We expect the economic impact of this rule to be so minimal that a full Regulatory Evaluation is unnecessary. This determination is based on the size, location, and the limited duration of the safety zone. Additionally, to the maximum extent practicable, the event sponsor will assist with boaters wishing to transit the racing area during non-racing times throughout the three days.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601-612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which may be small entities: The owners or operators of vessels intending to transit or anchor in the impacted portion of Lake Havasu from 7 a.m. to 7 p.m. on May 2, 2014 through May 4, 2014.

This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons. Although the safety zone would apply to the majority of Thompson Bay, traffic would be allowed to pass through the zone with the permission of the Captain of the Port, or his designated representative. The event sponsor will also to their maximum extent assist boaters wishing to transit the racing area during non-racing times throughout the three days. Before the effective period, the Coast Guard will publish a Local Notice to Mariners.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental

jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a "significant energy action" under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves establishment of a safety zone on the navigable waters of Lake Havasu. This rule is categorically excluded from further review under paragraph 34(g) of

Figure 2-1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under ADDRESSES. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security Measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Pub. L. 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T11-625 to read as follows:

§ 165.T11-625 Safety zone; Lucas Oil Drag Boat Racing Series; Thompson Bay, Lake Havasu City, AZ.

(a) *Location.* The limits of the safety zone will include all the navigable waters of Thompson Bay encompassed by drawing a line from point to point along the following coordinates:

- (1) *Northern Zone line:*
- (i) 34° 27' 57.96" N, 114° 20' 48.49" W
 - (ii) 34° 27' 57.71" N, 114° 20' 49.75" W
- (2) *North West Zone Line:*
- (i) 34° 27' 07.99" N, 114° 21' 09.93" W
 - (ii) 34° 26' 51.99" N, 114° 21' 03.83" W
- (3) *South Zone Line:*
- (i) 34° 27' 07.99" N, 114° 21' 09.93" W
 - (ii) 34° 26' 51.99" N, 114° 21' 03.83" W

(b) *Enforcement Period.* This section will be enforced on May 2, 2014 through May 4, 2014. It will be enforced from 7 a.m. to 7 p.m. each day (May 2, 3, and 4, 2014).

(c) *Definitions.* The following definition applies to this section: *designated representative*, means any commissioned, warrant, or petty officer of the Coast Guard on board Coast Guard, Coast Guard Auxiliary, or local, state, and federal law enforcement vessels who have been authorized to act on the behalf of the Captain of the Port.

(d) *Regulations.* (1) Entry into, transit through or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port of San Diego or his designated representative.

(2) All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or his designated representative.

(3) Upon being hailed by U.S. Coast Guard or designated patrol personnel by siren, radio, flashing light or other means, the operator of a vessel shall proceed as directed.

(4) The Coast Guard may be assisted by other federal, state, or local agencies.

Dated: March 20, 2014.

S.M. Mahoney,

Captain, U.S. Coast Guard, Captain of the Port San Diego.

[Docket No. USCG-2014-0140]

RIN 1625-AA00

Safety Zone; BWRC West Coast Nationals; Parker, AZ

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone within the Lake Moolvalya region of the navigable waters of the Colorado River in Parker, Arizona in support of the Blue Water Resort and Casino (BWRC) West Coast Nationals high speed boat race. This safety zone is necessary to provide for the safety of the participants, crew, spectators, participating vessels, and other vessels and users of the waterway. Persons and vessels are prohibited from entering into, transiting through, or anchoring within this safety zone unless authorized by the Captain of the Port, or his designated representative.

DATES: This rule is effective from 6 a.m. to 6 p.m. on May 3 and May 4, 2014.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG-2014-0140]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m.

and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Petty Officer Giacomo Terrizzi, Waterways Management, U.S. Coast Guard Sector San Diego, Coast Guard; telephone 619-278-7656, email d11marineeventssandiego@uscg.mil. SUPPLEMENTARY INFORMATION:

Table of Acronyms

DHS Department of Homeland Security
FR **Federal Register**
NPRM Notice of Proposed Rulemaking
TFR Temporary Final Rule
BWRC Blue Water Resort and Casino
NOE Notice of Enforcement
SLR Special Local Regulation

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because an NPRM would be impracticable. Logistical details did not present the Coast Guard enough time to draft, publish, and receive public comment on an NPRM. As such, the event would occur before the rulemaking process was complete. Immediate action is needed to help protect the safety of the participants, crew, spectators, and participating vessels from other vessels during this two day event.

Under 5 U.S.C. 553(d)(3), for the same reasons mentioned above, the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Any delay in the effective date of this rule would be contrary to the public interest, because immediate action is necessary to protect the safety of the participants from the dangers associated with other vessels transiting this area while the race occurs.

B. Basis and Purpose

The legal basis and authorities for this rule are found in 33 U.S.C. 1231, 46

U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Pub. L. 107-295, 116 Stat. 2064; and Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to propose, establish, and define regulatory safety zones. RPM Racing Enterprises is sponsoring the BWRC West Coast Nationals, which will involve 100 power boats, 8 to 16 feet in length. These power boats will be transiting a portion of Moolvalya Lake on the Colorado River in Parker, AZ. This temporary safety zone is necessary to provide for the safety of the participants, crew, spectators, sponsor vessels, other vessels, and users of the waterway.

C. Discussion of the Final Rule

The Coast Guard is establishing a safety zone that will be enforced from 6 a.m. to 6 p.m. on May 3 and May 4, 2014. The limits of the safety zone will include all the navigable waters of the Colorado River between Headgate Dam and 0.5 miles north of the Blue Water Marina in Parker, Arizona. The safety zone is necessary to provide for the safety of the crew, spectators, participants, and other vessels and users of the waterway. Persons and vessels will be prohibited from entering into, transiting through, or anchoring with this safety zone unless authorized by the Captain of the Port, or his designated representative.

BWRC West Coast Nationals is listed as a recurring event in Title 33 Code of Federal Regulations (CFR), Part 100.1102, Table 1 (Item 8) on a Saturday and Sunday in April. Because the event falls on the first weekend in May, a Marine Event Special Local Regulations (SLR) Notice of Enforcement (NOE) is not sufficient. A temporary final rule published in the **Federal Register** will provide visibility to the established safety zone. Before the effective period, the Coast Guard will also publish a local notice to mariners (LNM).

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of
