Rural Business-Cooperative Service

2014 Farm Bill Implementation Listening Session—Value-Added Producer Grant Program

AGENCY: Rural Business-Cooperative Service, USDA.

ACTION: Notice.

SUMMARY: As part of our implementation of the Agricultural Act of 2014 (commonly referred to as the 2014 Farm Bill), the Rural Business-Cooperative Service (RBS) is hosting a listening session for initial public input about changes to Value-Added Producer Grant (VAPG) program for which RBS has been delegated the authority to implement. The 2014 Farm Bill specifically identifies two new provisions to be implemented for VAPG—(1) an additional priority preference for veteran farmers or ranchers and (2) a priority for projects that best contribute to creating or increasing marketing opportunities for beginning farmers or ranchers, socially disadvantaged farmers or ranchers, operators of small-and medium-sized family farms and ranches that are structured as family farms, and/or veteran farmers or ranchers.

RBS is holding this listening session specifically to provide an opportunity for stakeholders to voice their priorities, concerns, and requests on the “best contributing” priority. Instructions regarding registering for and attending the listening session are in the **SUPPLEMENTARY INFORMATION** section of this notice.

DATES:

Listening session: The listening session will be on April 25, 2014, and

will begin at 1:00 p.m. and is scheduled to end by 4:00 p.m.

Registration: You must register by 5pm ET on April 23, 2014, to attend the listening session and to provide oral comments during the listening session.

Comments: Written comments are due by 5pm ET on April 24, 2014.

ADDRESSES: We invite you to participate in the listening session. The listening session is open to the public. The meeting will be held in the Room 107–A of the Whitten Building at 14th Street and Independence Ave. SW., Washington, DC 20250.

We also invite you to submit comments by any of the following methods:

- Federal eRulemaking Portal: Go to <http://www.regulations.gov>. Follow the online instructions for submitting comments; or

- Orally at the listening session; please also provide a written copy of your comments online as specified above or in hard copy at the listening session.

FOR FURTHER INFORMATION CONTACT:

Andrew Jermolowicz; phone: (202) 720–8460. Persons with disabilities who require alternative means for communication (Braille, large print, audio tape, etc.) should contact the USDA Target Center at (202) 720–2600 (voice and TDD).

SUPPLEMENTARY INFORMATION: On February 7, 2014, the 2014 Farm Bill (Pub. L. 113–79) was signed into law. The Secretary of Agriculture and the respective USDA agencies, including RBS, are working to implement the provisions of the 2014 Farm Bill as expeditiously as possible to meet the needs of producers and other stakeholders. In order to implement the provisions expeditiously and to ensure transparency, it is important to hear from stakeholders to be aware of their priorities, concerns, or requests.

RBS will hold the listening session on April 25, 2014, to receive oral comments from stakeholders and the public. A written copy of the oral comments is requested. (See the **ADDRESSES** section above for information about submitting written comments.) In addition, stakeholders and the public who do not wish to attend or speak at the listening session are invited to submit written comments, which must be received by 5pm ET April 24, 2014.

As a listening session, the focus is for RBS to hear from the public; this is not a discussion with RBS officials or a question and answer session. As noted above, the purpose is to receive public input that RBS can factor into decisions it needs to make in order to implement

the “best contributing” priority of the 2014 Farm Bill for the VAPG program (as outlined as priority #2 of this announcement summary above) .

Date: April 25, 2014

Time: 1:00 p.m.–4:00 p.m.

Location information: USDA headquarters, in the Whitten Building, Room 107–A, 14th Street and Independence Ave. SW., Washington, DC 20250.

The listening session will begin with brief opening remarks from the USDA leadership in Rural Development. Individual speakers providing oral comments are requested to be succinct as we do not know at this time how many participants there will be. As noted above, we request that speakers providing oral comments also provide a written copy of their comments. (See the **ADDRESSES** section above for information about submitting written comments.) All stakeholders and interested members of the public are welcome to register to provide oral comments; however, due to the time constraints a limited number will be selected on a first come, first serve basis.

The purpose of the listening session is for RBS to hear from stakeholders and other interested members of the public about the “best contributing” priority as required by the 2014 Farm Bill. Please refer to the VAPG program in your comment. In your comments, provide your input about how this provision could be implemented, including your rationale, for us to consider.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Census Bureau conducts the annual Company Organization Survey (COS) to update and maintain a central, multipurpose Business Register (BR) database. In particular, the COS supplies critical information on the composition, organizational structure, and operating characteristics of multi-location companies.

The BR serves two fundamental purposes:

- First and most important, it provides sampling populations and enumeration lists for the Census Bureau's economic surveys and censuses, and it serves as an integral part of the statistical foundation underlying those programs. Essential for this purpose is the BR's ability to identify all known United States business establishments and their parent companies. Further, the BR must accurately record basic business attributes needed to control sampling and enumeration. These attributes include industrial and geographic classifications, and name and address information.
- Second, it provides establishment data that serve as the basis for the annual County Business Patterns (CBP) statistical series. The CBP publications present data on a number of establishments, first quarter payroll, annual payroll, and mid-March employment summarized by industry and employment size class for the United States, the District of Columbia, island areas, counties, and country-equivalents. No other annual or more frequent series of industry statistics provides comparable detail, particularly for small geographic areas.

II. Method of Collection

The 2014-2016 COS collection strategy will focus on launching electronic reporting as the primary collection option. As the Census Bureau moves to increase electronic response and process less paper, we plan to replace some form mailings with letters encouraging electronic response. The 2014-2016 COS will request company-level information from a selection of multi-establishment enterprises, which comprise roughly 42,000 parent companies and more than 1.4 million establishments. Additionally, the panel will include approximately 5,000 large single-location companies that may have added locations during the year. Electronic reporting will be available to all 2014-2016 COS respondents. Companies will receive and return responses by secure Internet transmission. Companies that cannot use the Internet may request a CD-ROM containing their electronic data or may request a paper questionnaire. COS content is identical for all of the reporting modes.

The instrument will include inquiries on ownership or control by domestic or foreign parent, ownership of foreign affiliates, and leased employment. Further, the instrument will list an inventory of establishments belonging to the company and its subsidiaries, and
