Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance via IA ACCESS no later than seven days after the date on which the final verification report is issued in this investigation. Rebuttal briefs, the content of which is limited to the issues raised in the case briefs, must be filed within five days from the deadline date for the submission of case briefs.⁸ A list of authorities used, a table of contents, and an executive summary of issues should accompany all briefs submitted to the Department.⁹ Executive summaries should be limited to five pages total, including footnotes. As noted above, interested parties who wish to comment on the preliminary determination must file briefs electronically using IA ACCESS.¹⁰ An electronically filed document must be received successfully in its entirety by the Department's electronic records system, IA ACCESS, by 5 p.m. Eastern Time on the date the document is due.

In accordance with section 774 of the Act, the Department will hold a hearing, if timely requested, to afford interested parties an opportunity to comment on arguments raised in the case or rebuttal briefs, provided that such a hearing is requested by an interested party.¹¹ Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically using IA ACCESS, as noted above. All requests must be received within 30 days after the date of publication of this notice.¹² Requests should contain the following information: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed.¹³ If a request for a hearing is made, we will inform

Suspension of Liquidation

In accordance with section 733(d)(2) of the Act, we are directing U.S. Customs and Border Protection (CBP) to suspend liquidation of all entries of rebar from Turkey from companies with above *de minimis* margins, as described in the scope of the investigation section that are entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**, and to require a cash deposit for such entries in the amounts indicated above. Because we preliminarily determine that critical circumstances exist with regard to imports of rebar produced or exported by Turkish firms other than Habas and Icdas, we will direct CBP to apply the suspension of liquidation to any unliquidated entries of rebar from Turkey that are entered, or withdrawn from warehouse, for consumption on or after 90 days prior to the date of publication in the **Federal Register** of this notice.

We will instruct CBP to require a cash deposit equal to the estimated weighted-average dumping margins, as indicated in the chart above.¹⁵ The suspension of liquidation instructions will remain in effect until further notice.

U.S. International Trade Commission (ITC) Notification

In accordance with section 733(f) of the Act, we will notify the ITC of our preliminary affirmative determination of sales at LTFV. If our final determination in this proceeding is affirmative, section 735(b)(2) of the Act requires that the ITC make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of steel concrete reinforcing bar from Turkey before the later of 120 days after the date of this preliminary determination or 45 days after our final determination.

Notification to Interested Parties

This determination is issued and published pursuant to sections 733(f) and 777(i)(1) of the Act and 19 CFR 351.205(c).
