Comments

A 60-day Notice requesting public comment was published in the **Federal Register** on 1/21/14. This comment period ended 3/24/14. There were 2 comments submitted. Those comments involved suggestions around the hiring scenario set up; candidate experience profiles; and the brand identity of members. Clarifying information was provided to the commenters to further explain the use of a bachelor's degree as the common level of education across candidates, and the use of a highly generalized office position as the hypothetical position of interest. A technical question about the possible incompatibility of certain combinations of candidate experiences was answered through an example. Finally, the suggestion that we test AmeriCorps brand salience vs. grantee brand salience was addressed by explaining the lack of sufficient space in the experimental design, as well as concerns of confusing and overburdening respondents with too much information.

SUPPLEMENTARY INFORMATION: This Panel’s charter is being amended under the provisions of the Federal Advisory Committee Act of 1972 (5 U.S.C. Appendix, as amended), the Government in the Sunshine Act of 1976 (5 U.S.C. 552b) (“the Sunshine Act”), and 41 CFR 102-3.50(d).

The Panel is a discretionary Federal advisory committee that shall provide the Committees on the Armed Services of the Senate and the House of Representatives, through the General Counsel of the DoD and the Secretary of Defense, a report of its findings and recommendations. The Panel will conduct an independent review and assessment of the systems used to investigate, prosecute, and adjudicate crimes involving adult sexual assault and related offenses, under 10 U.S.C. 920 (Article 120, Uniform Code of Military Justice (UCMJ)), for the purpose of developing recommendations regarding how to improve the effectiveness of such systems.
