SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-71987; File No. SR-CME-2014-07]

Self-Regulatory Organizations; Chicago Mercantile Exchange Inc.; Order Approving Proposed Rule Change Regarding Adoption of Rule 980.F

April 22, 2014.

I. Introduction

On March 4, 2014, Chicago Mercantile Exchange Inc. ("CME") filed with the Securities and Exchange Commission ("Commission") the proposed rule change SR-CME-2014-07 pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder.² The proposed rule change was published for comment in the **Federal Register** on March 19,

2014.³ The Commission received no comment letters regarding the proposed change. For the reasons discussed below, the Commission is granting approval of the proposed rule change.

II. Description

CME is proposing to amend CME Rule 980, which sets out required records and reports for clearing members of CME, by adding a new paragraph F. The new paragraph would provide for administrative fees to be imposed for late submissions of reports and other financial information to CME's Financial and Regulatory Surveillance Department ("FRSD"). Pursuant to the additional language, CME's FRSD would be able to assess clearing members a \$1,000 administrative fee for each required submission that is not received by the due date and time. The proposed additional language would also give the FRSD the discretion to waive assessment of the administrative fee for good cause shown.

III. Discussion and Commission Findings

Section 19(b)(2)(C) of the Act⁴ directs the Commission to approve a proposed rule change of a self-regulatory organization if the Commission finds that such proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to such self-regulatory organization. Section 17A(b)(3)(F) of the Act⁵ requires, among other things, that the rules of a clearing agency are designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions, to assure the safeguarding of securities and funds which are in the custody or control of the clearing agency and for which it is responsible and, in general, to protect investors and the public interest.

The Commission finds that the proposed rule change is consistent with the requirements of Section 17A of the Act.⁶ The proposed change provides CME with the ability to assess a \$1,000 administrative fee upon clearing members for late submissions of financial information to CME's FRSD. This fee will supplement, not replace, the existing processes that impose additional disciplinary sanctions in appropriate circumstances. The

⁴ 15 U.S.C. 78s(b)(2)(C).

⁵ 15 U.S.C. 78q-1(b)(3)(F).

⁶ 15 U.S.C. 78q-1.

proposed rule change is intended to address timely reporting of required financial information by clearing members and is consistent with the requirements of Section 17A(b)(3)(F) of the Act⁷ of promoting the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivatives agreements, contracts, and transactions, and helping to protect investors and the public interest.

IV. Conclusion

On the basis of the foregoing, the Commission finds that the proposal is consistent with the requirements of the Act and in particular with the requirements of Section 17A of the Act⁸ and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁹ that the proposed rule change (File No. SR-CME-2014-07) be, and hereby is, approved.¹⁰

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹¹

Deputy Secretary.

An electronic copy of this document may be downloaded from the **Federal Register's** home page at: <http://www.archives.gov> and the Government Printing Office's database at: <http://www.access.gpo.gov/nara>.

Background

The FHWA's Buy America policy in 23 CFR 635.410 requires a domestic manufacturing process for any steel or iron products (including protective coatings) that are permanently incorporated in a Federal-aid construction project. The regulation also provides for a waiver of the Buy America requirements when the application would be inconsistent with the public interest or when satisfactory quality domestic steel and iron products are not sufficiently available. This notice provides information regarding the FHWA's finding that a Buy America waiver is appropriate to use five non-domestic TAS Gazex® Avalanche Exploders on US 40 Berthoud Pass in the State of Colorado.

In accordance with Title I, Division A, section 122 of the "Consolidated and Further Continuing Appropriations Act, 2012" (Pub. L. 112–55), the FHWA published a notice of intent to issue a waiver on its Web site for five non-domestic TAS Gazex® Avalanche Exploders (<http://www.fhwa.dot.gov/construction/contracts/waivers.cfm?id=94>) on February 12th. The FHWA received no comments in response to the publication. During the 15-day comment period, the FHWA conducted additional nationwide review to locate potential domestic manufacturers of the TAS Gazex® Avalanche Exploders.

Based on all the information available to the agency, the FHWA concludes that there are no domestic manufacturers of the TAS Gazex® Avalanche Exploders.

In accordance with the provisions of section 117 of the SAFETEA–LU Technical Corrections Act of 2008 (Pub. L. 110–244, 122 Stat. 1572), the FHWA is providing this notice as its finding that a waiver of Buy America requirements is appropriate. The FHWA invites public comment on this finding for an additional 15 days following the effective date of the finding. Comments may be submitted to the FHWA's Web site via the link provided to the Colorado waiver page noted above.
