**FEDERAL MARITIME COMMISSION**

**46 CFR Parts 501 and 503**

**RIN 3072-ZA03**

**[Docket No. 14-03]**

**Requests for Testimony by Employees Relating to Official Information and Production of Official Records in Litigation**

**AGENCY:** Federal Maritime Commission.

**ACTION:** Direct final rule.

**SUMMARY:** This regulation amends the Commission's provisions for release of public information and related delegation of authority by issuing procedures for requests for testimony by Federal Maritime Commission employees and production of official Commission records in litigation, and delegating responsibility for determinations relating to such procedures to the General Counsel. It generally provides that Commission employees may not appear as witnesses in connection with information acquired in the course of performing official duties, or produce Commission records in litigation, without the consent of the Commission. The intended effect of this regulation is to clarify the Commission's procedures, conserve the ability of the Commission to conduct official business, preserve its employee resources, minimize involvement in matters unrelated to its mission and programs, and maintain its impartiality. This regulation does not apply to Congressional inquiries, Federal court civil proceedings in which the United States is a party, or Freedom of Information Act and Privacy Act requests.

**DATES:** This rule is effective July 31, 2014 without further action, unless significant adverse comment is received by June 2, 2014. If significant adverse comment is received, the Federal Maritime Commission will publish a timely withdrawal of the rule in the **Federal Register**.

**ADDRESSES:** Submit comments to: Karen V. Gregory, Secretary, Federal Maritime Commission, 800 North Capitol Street NW., Washington, DC 20573-0001 or email non-confidential comments to: [Secretary@fmc.gov](mailto:Secretary@fmc.gov) (email comments as attachments preferably in Microsoft Word or PDF).

**FOR FURTHER INFORMATION CONTACT:**

Karen V. Gregory, Secretary, Federal Maritime Commission, 800 N. Capitol Street NW., Washington, DC 20573-0001, (202) 523-5725, Fax (202) 523-0014, Email: [Secretary@fmc.gov](mailto:Secretary@fmc.gov).  
Tyler J. Wood, Deputy General Counsel, Federal Maritime Commission, 800 N. Capitol Street NW., Washington, DC 20573-0001, (202) 523-5740, Fax (202) 523-5738, Email: [GeneralCounsel@fmc.gov](mailto:GeneralCounsel@fmc.gov).

**SUPPLEMENTARY INFORMATION:** At present, Commission regulations do not specify procedures for its employees to respond to subpoenas or produce Commission records in private litigation. In the absence of such procedures, an employee could give testimony or provide records, diverting such employee from performing his/her duties, and potentially creating the appearance that the Commission is taking sides in private litigation. This regulation is intended to address this situation by generally prohibiting both appearances and compliance with subpoenas unless authorized by the Commission, and setting forth procedures for handling such requests. The courts have recognized the authority of Federal agencies set procedures for dealing with such subpoenas. *United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951); *see also Truex v. Allstate Ins. Co.*, 233 F.R.D. 188, 190 (D.D.C. 2006); *Bobreski v. EPA*, 284 F. Supp. 2d 67, 73 (D.D.C. 2003).

This regulation describes procedures by which the Commission will make its employees and records available in response to subpoenas in Federal court civil proceedings in which the United States is not a party. The regulation does not apply to Congressional proceedings, or to Federal court civil proceedings in which the United States is a party. This regulation likewise does not apply to either Freedom of Information Act or Privacy Act requests. This regulation does not restrict the ability of its employees to appear as private citizens on their own time or while in an approved leave status, in proceedings that do not relate to Commission policies and programs.

This rule relates to internal agency management. Therefore, pursuant to 5 U.S.C. 553, notice and comment are not required and this rule may become

effective after publication in the **Federal Register**. In a direct final rulemaking, an agency publishes a direct final rule in the **Federal Register** along with a statement that the rule will become effective unless the agency receives significant adverse comment within a specified period. The Commission is using a direct final rule for this rulemaking because it expects this regulation to be noncontroversial and because it clarifies the Commission's internal procedures. The Commission recognizes that parties may have information that could impact the Commission's views and intentions with respect to the proposed internal procedures, and the Commission intends to consider any comments filed. The Commission will withdraw the rule if it receives significant adverse comment. Filed comments that are not adverse may be considered for modifications to parts 501 and 503 at a future date. If no significant adverse comment is received, the rule will become effective without additional action.

This direct final rule is not a "major rule" under 5 U.S.C. 804(2). Because no notice of proposed rulemaking is required, the provisions of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, do not apply.

Further, in accordance with Executive Order 12988 on Civil Justice Reform, the Federal Maritime Commission has determined that this regulation does not unduly burden the judicial system, under *Touhy v. Ragen*, 340 U.S. 462, and meets the requirements of sections 3(a) and 3(b)(2) of the Executive Order.

Finally, the Commission has determined that this regulation imposes no new recordkeeping, reporting, or disclosure requirements on members of the public, which would constitute collections of information requiring approval by the Office of Management and Budget under the Paperwork Reduction Act, 44 U.S.C. 3501, *et seq.*

(7) Minimizing the possibility that the public will misconstrue variances between personal opinions of Commission employees and Commission policy; and

(8) Preserving the integrity of the administrative process.

(b) [Reserved]

#### **§ 503.40 Service of process and filing requirements.**

(a) *Service of summonses and complaints.* (1) Except in cases in which the Commission is represented by legal counsel who have entered an appearance or otherwise given notice of their representation, only the General

Counsel is authorized to receive and accept subpoenas, or other demands or requests directed to the Commission, or any component thereof, or its employees, or former employees, whether civil or criminal nature, for:

(i) Material, including documents, contained in the files of the Commission;

(ii) Information, including testimony, affidavits, declarations, admissions, responses to interrogatories, or informal statements, relating to material contained in the files of the Commission or which any Commission employee acquired in the course and scope of the performance of his official duties;

(3) In the event that any subpoena, demand, or request is sought to be delivered to a Commission employee (including former employees) other than in the manner prescribed in paragraphs (a)(1) and (2) of this section, such attempted service shall be ineffective. Such employee shall, after consultation with the General Counsel:

(i) Decline to accept the subpoena, demand, or request; or

(ii) Return them to the server under cover of a written communication referring to the procedures prescribed in this part.

(4) Acceptance of such documents by the Office of the General Counsel does not constitute a waiver of any defenses that might otherwise exist with respect to service under the Federal Rules of Civil or Criminal Procedure, or other applicable laws, rules, or regulations.

(b) [Reserved]

#### **§ 503.41 Procedure when testimony or production of documents is sought.**

The Commission shall follow the procedures set forth in this part.

(a) If oral testimony is sought by a demand in any case or matter in which the United States is not a party, an affidavit, or, if that is not feasible, a statement by the party seeking the testimony or by his attorney, setting forth a summary of the testimony sought and its relevance to the proceeding, must be furnished to the Commission. Any authorization for testimony by a present or former employee of the Commission shall be limited to the

scope of the demand as summarized in such statement.

(b) When information other than oral testimony is sought by a demand, the Commission shall request a summary of the information sought and its relevance to the proceeding.

(c) Permission to testify or to release documents in all cases will be limited to matters outlined in the affidavit or declaration described in § 503.41(a) and (b), or to such matters as deemed appropriate by the Commission. If the Commission, in considering the factors in § 503.39, allows the release of documents or testimony to be given by an employee, arrangements shall be made for the taking of testimony or receipt of documents by the method least disruptive to the employee's official duties. Testimony may, for example, be provided by affidavits, answers to interrogatories, written depositions, or depositions transcribed, recorded, or preserved by any other means allowable by law.

(d) Upon issuance of a final determination to not authorize testimony or release of Commission information by the Commission, the party or the party's counsel seeking testimony or documents may consult or negotiate with the Commission to refine and limit the demand.

#### § 503.42 Fees.

(a) *Generally.* The Commission may condition the production of records or appearance for testimony upon advance payment of a reasonable estimate of the costs to the Commission.

(b) *Fees for records.* Fees for producing records will include fees for searching, reviewing, and duplicating records, costs of attorney time spent in reviewing the demand or request, and expenses generated by materials and equipment used to search for, produce, and copy the responsive information. Costs for employee time will be calculated on the basis of the hourly pay of the employee (including all pay, allowance, and benefits). Fees for duplication will be the same as those charged by the Commission in its regulations at subpart F of this part.

(c) *Witness fees.* Fees for attendance by a witness will include fees, expenses, and allowances prescribed by the court's rules. If no such fees are prescribed, witness fees will be determined based upon the rule of the Federal district court closest to the location where the witness will appear. Such fees will include cost of time spent by the witness to prepare for testimony, in travel, and for attendance at the legal proceeding.

(d) *Payment of fees.* The seeking party must pay witness fees for current Commission employees and any records certification fees by submitting to the General Counsel a check or money order for the appropriate amount made payable to the Treasury of the United States. In the case of testimony by former Commission employees, applicable fees must be paid directly to the former employee in accordance with 28 U.S.C. 1821, per diem and mileage, or other applicable statutes.

(e) *Certification (authentication) of copies of records.* The Commission may certify that records are true copies in order to facilitate their use as evidence. If certified records are sought, the request for certified copies shall be made at least 45 days before the date they will be needed. The request should be sent to the General Counsel. Fees for certification will be the same as those charged by the Commission in its regulations at subpart F of this part.

(f) *Waiver or reduction of fees.* The Commission may, upon a showing of reasonable cause, waive or reduce any fees in connection with testimony, production, or certification of records.

(g) *De minimis fees.* Fees will not be assessed if the total charge would be \$10.00 or less.

By the Commission.

[Docket No. 120717247-3029-02]

RIN 0648-XD231

#### Reef Fish Fishery of the Gulf of Mexico; 2014 Recreational Accountability Measures for Red Grouper in the Gulf of Mexico

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Temporary rule; accountability measures.

**SUMMARY:** NMFS implements accountability measures (AMs) for the recreational sector for red grouper in the Gulf of Mexico (Gulf) reef fish fishery for the 2014 fishing year through this temporary rule. Based on the 2013

recreational annual catch limit (ACL) overage, this rule reduces the red grouper bag limit in the Gulf exclusive economic zone (EEZ) from four to three fish (within the current four-fish grouper aggregate bag limit) and reduces the length of the red grouper recreational fishing season in the Gulf EEZ by the amount necessary to ensure landings do not exceed the recreational annual catch target (ACT) for the 2014 fishing year. Therefore, NMFS implements recreational post-season AMs by reducing the bag limit for red grouper in the Gulf EEZ from four to three fish effective at 12:01 a.m., local time, on May 5, 2014, until the recreational sector is projected to meet the recreational ACT. NMFS projects the recreational sector will reach the recreational ACT under the three fish bag limit by September 16, 2014. Therefore, the recreational sector for red grouper in the Gulf EEZ will close at 12:01 a.m., local time, September 16, 2014, through the end of the fishing year, December 31, 2014, unless further notification is published in the **Federal Register**. These actions are necessary to protect the Gulf red grouper resource.

**DATES:** The bag limit reduction for red grouper in the Gulf EEZ is effective at 12:01 a.m., local time, May 5, 2014, through December 31, 2014. The recreational sector closure for red grouper in the Gulf EEZ is effective at 12:01 a.m., local time, September 16, 2014, until January 1, 2015, unless further notification is published in the **Federal Register**.

**FOR FURTHER INFORMATION CONTACT:** Rich Malinowski, Southeast Regional Office, telephone 727-824-5305, email [rich.malinowski@noaa.gov](mailto:rich.malinowski@noaa.gov).

**SUPPLEMENTARY INFORMATION:** The reef fish fishery of the Gulf, which includes red grouper, is managed under the Fishery Management Plan for the Reef Fish Resources of the Gulf of Mexico (FMP). The FMP was prepared by the Gulf of Mexico Fishery Management Council (Council) and is implemented through regulations at 50 CFR part 622 under the authority of the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act). All weights specified in this rule are gutted weight.

The Gulf red grouper recreational ACL is 1,900,000 lb (861,826 kg), and the recreational ACT is 1,730,000 lb (784,715 kg), as specified in 50 CFR 622.41(e)(2)(iv). Red grouper are not overfished, based on the most recent Status of U.S. Fisheries Report to Congress.

In accordance with regulations at 50 CFR 622.41(e)(2)(ii), without regard to
