

Battery Systems—Small and Medium Size.

**DATES:** The meeting will be held May 13–15, 2014 from 9:00 a.m.–5:00 p.m.

**ADDRESSES:** The meeting will be held at RTCA Headquarters, 1150 18th Street NW., Suite 910, Washington, DC 20036.

**FOR FURTHER INFORMATION CONTACT:** The RTCA Secretariat, 1150 18th Street NW., Suite 910, Washington, DC 20036, or by telephone at (202) 330-0662/(202) 833-9339, fax (202) 833-9434, or Web site at <http://www.rtca.org>. In addition, Jennifer Iversen may be contacted directly at email: [jiversen@rtca.org](mailto:jiversen@rtca.org).

**SUPPLEMENTARY INFORMATION:** Pursuant to section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463, 5 U.S.C., App.), notice is hereby given for a meeting of Special Committee 225. The agenda will include the following:

#### May 13

- Introductions and administrative items (including DFO Statement).
- Review agenda.
- Review and approval of summary from the last Plenary.
- Review PMC presentation and decisions regarding NTSB and two FRACs.
- Review results of meeting with FAA/RTCA/SC-225 Leadership.
- Update DO-311A plan based on PMC decisions, including working group meetings.
- Adjourn to working group to review/revise DO-311A.
- Review action items.

#### May 14

- Review agenda, other actions.
- Adjourn to working group to review/revise DO-311A.
- Review action items.

#### May 15

- Review agenda, other actions.
- Review schedule for upcoming Plenaries and working group meetings.
- Establish agenda for the next Plenary.
- Adjourn to working group to review/revise DO-311A.
- Working Group Report.
- Review action items.
- Adjourn.

Attendance is open to the interested public but limited to space availability. With the approval of the chairman, members of the public may present oral statements at the meeting.

Persons wishing to present statements or obtain information should contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. Members of the public may present a written statement to the committee at any time.

Issued in Washington, DC, on April 23, 2014.

### Federal Aviation Administration

#### Noise Exposure Map Notice for Hawthorne Municipal Airport, Hawthorne, CA

**AGENCY:** Federal Aviation Administration, (FAA), DOT.

**ACTION:** Notice.

**SUMMARY:** The FAA announces its determination that the noise exposure maps submitted by the City of Hawthorne, for Hawthorne Municipal Airport under the provisions of 49 U.S.C. 47501 et. seq (Aviation Safety and Noise Abatement Act) and 14 CFR part 150 are in compliance with applicable requirements.

**DATES:** This notice is effective April 30, 2014 and applicable April 11, 2014.

**FOR FURTHER INFORMATION CONTACT:** Victor Globa, Environmental Protection Specialist, Federal Aviation Administration, Los Angeles Airports District Office, Mailing Address: P.O. Box 92007, Los Angeles, California 90009–2007. Street Address: 15000 Aviation Boulevard, Room 3000, Hawthorne, California 90261. Telephone: 310/725–3637. Documents reflecting this FAA action may be reviewed at this same location.

**SUPPLEMENTARY INFORMATION:** This notice announces that the FAA finds that the noise exposure maps submitted for Hawthorne Municipal Airport are in compliance with applicable requirements of 14 Code of Federal Regulations (CFR) part 150 (hereinafter referred to as “Part 150”), effective April 11, 2014. Under 49 U.S.C. section 47503 of the Aviation Safety and Noise Abatement Act (hereinafter referred to as “the Act”), an airport operator may submit to the FAA noise exposure maps which meet applicable regulations and which depict non-compatible land uses as of the date of submission of such maps, a description of projected aircraft operations, and the ways in which such operations will affect such maps. The Act requires such maps to be developed in consultation with interested and affected parties in the local community, government agencies, and persons using the airport. An airport operator who has submitted noise exposure maps that are found by FAA to be in compliance with the requirements of Part 150, promulgated pursuant to the Act, may submit a noise compatibility program for FAA approval which sets forth the measures the operator has taken or proposes to take to reduce existing non-compatible uses and prevent the introduction of additional non-compatible uses.

The FAA has completed its review of the noise exposure maps and accompanying documentation submitted by the City of Hawthorne. The documentation that constitutes the “Noise Exposure Maps” as defined in section 150.7 of Part 150 includes: “Exhibit 1, 2012 Noise Contour (Existing Condition);” “Exhibit 2, 2017 Noise Contours (Forecast Condition).” The FAA has determined that these Noise Exposure Maps and accompanying documentation are in compliance with applicable requirements. This determination is effective on April 11, 2014.

FAA’s determination on an airport operator’s noise exposure maps is limited to a finding that the maps were

developed in accordance with the procedures contained in Appendix A of Part 150. Such determination does not constitute approval of the applicant’s data, information or plans, or a commitment to approve a noise compatibility program or to fund the implementation of that program. If questions arise concerning the precise relationship of specific properties to noise exposure contours depicted on a noise exposure map submitted under section 47503 of the Act, it should be noted that the FAA is not involved in any way in determining the relative locations of specific properties with regard to the depicted noise contours, or in interpreting the noise exposure maps to resolve questions concerning, for example, which properties should be covered by the provisions of section 47506 of the Act. These functions are inseparable from the ultimate land use control and planning responsibilities of local government. These local responsibilities are not changed in any way under Part 150 or through FAA’s review of noise exposure maps. Therefore, the responsibility for the detailed overlaying of noise exposure contours onto the map depicting properties on the surface rests exclusively with the airport operator that submitted those maps, or with those public agencies and planning agencies with which consultation is required under section 47503 of the Act. The FAA has relied on the certification by the airport operator, under section 150.21 of Part 150, that the statutorily required consultation has been accomplished.

Copies of the full noise exposure map documentation and of the FAA’s evaluation of the maps are available for examination at the following locations:

Federal Aviation Administration,  
Western-Pacific Region Office,  
Airports Division, Room 3012, 15000  
Aviation Boulevard, Hawthorne,  
California 90261.

Federal Aviation Administration, Los  
Angeles Airports District Office,  
Room 3000, 15000 Aviation  
Boulevard, Hawthorne, California  
90261.

Hawthorne Municipal Airport, 12101  
South Crenshaw Boulevard, Suite #3,  
Hawthorne, California 90250.

Questions may be directed to the individual named above under the heading **FOR FURTHER INFORMATION CONTACT**.

Issued in Hawthorne, California, April 11, 2014.

**Mark A. McClardy,**  
Manager, Airports Division, Western-Pacific  
Region.
