The period of investigation is January 1, 2013, through June 30, 2013. The estimated weighted-average dumping margins of sales at LTFV are shown in

the “Preliminary Determination” section of this notice. We invite interested parties to comment on this preliminary determination. The final determination will be issued not later than 135 days after publication of this preliminary determination in the **Federal Register**.

Scope of the Investigation

The scope of this investigation covers MSG, whether or not blended or in solution with other products. Specifically, MSG that has been blended or is in solution with other product(s) is included in this scope when the resulting mix contains 15 percent or more of MSG by dry weight.¹

Scope Comments

In accordance with the *Preamble* to the Department’s regulations,² a period of time was set aside in our *Initiation Notice* for parties to raise product coverage issues, and we encouraged interested parties to submit comments within 20 calendar days of the signature date of that notice.³ No scope comments were submitted regarding this investigation.

Methodology

The Department is conducting this antidumping duty investigation in accordance with section 731 of the Act. Export prices (EPs) and constructed export prices (CEPs) are being calculated in accordance with section 772 of the Act. Because the PRC is a non-market economy within the meaning of section 771(18) of the Act, normal value (NV) is calculated in accordance with section 773(c) of the Act.

PRC-wide Entity*		52.27

*The PRC-wide entity includes Shandong Linghua Monosodium Glutamate Incorporated Company, a mandatory respondent in this investigation.

Preliminary Affirmative Determination of Critical Circumstances

On April 11, 2014, Petitioner filed a timely critical circumstances allegation, pursuant to section 773(e)(1) of the Act and 19 CFR 351.206(c)(1), alleging that critical circumstances exist with respect to imports of MSG from the PRC.⁷ We preliminarily determine that critical circumstances exist for the Meihua Group,⁸ the separate rate companies,⁹ and the PRC-wide entity. A discussion of our determination can be found in the Preliminary Decision Memorandum at the section, "Critical Circumstances."

Suspension of Liquidation

Section 733(e)(2) of the Act provides that, given an affirmative determination of critical circumstances, any suspension of liquidation shall apply to unliquidated entries of merchandise entered, or withdrawn from warehouse, for consumption on or after the later of (a) the date which is 90 days before the date on which the suspension of liquidation was first ordered, or (b) the date on which notice of initiation of the investigation was published. As provided in section 782(i)(1) of the Act, we intend to verify the information from the Meihua Group in making our final determination.

Section 735(b)(2) of the Act requires the ITC to make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of MSG, or sales (or the likelihood of sales) for importation, of the merchandise under consideration within 45 days of our final determination.
