

the board,⁴ total director time to adopt the charter is 2 hours. Combined with an estimated 1 hour of paralegal time to prepare the charter for board review, the staff estimates a total one-time collection of information burden of 3 hours for each fund. Once a board adopts an audit committee charter, the charter is preserved as part of the fund's records. Commission staff estimates that there is no annual hourly burden associated with preserving the charter in accordance with the rule.⁵

Because virtually all existing funds have now adopted audit committee charters, the annual one-time collection of information burden associated with adopting audit committee charters is limited to the burden incurred by newly established funds. Commission staff estimates that fund sponsors establish approximately 139 new funds each year,⁶ and that all of these funds will adopt an audit committee charter in order to rely on rule 32a-4. Thus, Commission staff estimates that the annual one-time hour burden associated with adopting an audit committee charter under rule 32a-4 going forward will be approximately 417 hours.⁷

As noted above, all funds that rely on rule 32a-4 are subject to the ongoing collection of information requirement to preserve a copy of the charter in an easily accessible place. This ongoing requirement, which Commission staff estimates has no hourly burden, applies to new funds that adopt an audit committee charter each year and to all of the funds that have previously adopted the charter and continue to maintain it.

Funds incur internal costs associated with the one-time collection of information burden related to adopting an audit committee charter. As noted above, Commission staff estimates that it takes approximately 2 hours of aggregate directors' time at \$4000 per hour, and 1 hour of paralegal time at \$175 per hour,⁸ to adopt an audit committee charter. Thus, Commission

staff estimates a total internal cost of \$8175 per fund to adopt the charter⁹ and a total annual cost of \$1,136,325.¹⁰

When funds adopt an audit committee charter in order to rely on rule 32a-4, they also may incur one-time costs related to hiring outside counsel to prepare the charter. Commission staff estimates that those costs average approximately \$1500 per fund.¹¹

As noted above, Commission staff estimates that approximately 139 new funds each year will adopt an audit committee charter in order to rely on rule 32a-4. Thus, Commission staff estimates that the ongoing annual cost burden associated with rule 32a-4 in the future will be approximately \$208,500.¹²

The estimates of average burden hours and costs are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

The collections of information required by rule 32a-4 are necessary to obtain the benefits of the rule. The Commission is seeking OMB approval, because an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Rule 15c2-5; SEC File No. 270-195; OMB Control No. 3235-0198.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of an extension of the previously approved collection of information provided for in Rule 15c2-5 (17 CFR 240.15c2-5), under the Securities Exchange Act of 1934 (15 U.S.C. 78 *et seq.*) ("Exchange Act").

Rule 15c2-5 prohibits a broker-dealer from arranging or extending certain loans to persons in connection with the offer or sale of securities unless, before any element of the transaction is entered into, the broker-dealer: (1) Delivers to the person a written statement containing the exact nature and extent of the person's obligations under the loan arrangement; the risks and disadvantages of the loan arrangement; and all commissions, discounts, and other remuneration received and to be received in connection with the transaction by the broker-dealer or certain related persons (unless the person receives certain materials from the lender or broker-dealer which contain the required information); and (2) obtains from the person information on the person's financial situation and needs, reasonably determines that the transaction is suitable for the person, and retains on file and makes available to the person on request a written statement setting forth the broker-dealer's basis for determining that the transaction was suitable. The collection of information required by Rule 15c2-5 is necessary to execute the

⁴ This estimate is based on staff discussions with a representative of an entity that surveys funds and calculates fund board statistics based on responses to its surveys.

⁵ No hour burden related to such maintenance of the charter was identified by the funds the Commission staff surveyed.

⁶ This estimate is based on the average number of notifications of registration on Form N-8A filed from January 2011 through December 2013.

⁷ This estimate is based on the following calculation: (3.0 burden hours for establishing charter × 139 new funds = 417 burden hours).

⁸ The \$175/hour figure for a paralegal is from SIFMA's *Management & Professional Earnings in the Securities Industry 2012*, modified by Commission staff to account for an 1800-hour work-year and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead.

⁹ This estimate is based on the following calculations: (\$4000 per hour for directors' time × 2 hours = \$8000); (\$8000 + \$175 = \$8175).

¹⁰ This estimate is based on the following calculations: (\$8175 cost of hour burden per fund × 139 new funds = \$1,136,325).

¹¹ Costs may vary based on the individual needs of each fund. However, based on the staff's experience and conversations with outside counsel that prepare these charters, legal fees related to the preparation and adoption of an audit committee charter usually average \$1500 or less. The Commission also understands that the ICI has prepared a model audit committee charter, which most legal professionals use when establishing audit committees, thereby reducing the costs associated with drafting a charter.

¹² This estimate is based on the following calculations: (\$1500 cost of adopting charter × 139 newly established funds = \$208,500).

Commission's mandate under the Exchange Act to prevent fraudulent, manipulative, and deceptive acts and practices by broker-dealers.

The Commission estimates that there are approximately 50 respondents that require an aggregate total of 600 hours to comply with Rule 15c2-5. Each of these approximately 50 registered broker-dealers makes an estimated six annual responses, for an aggregate total of 300 responses per year. Each response takes approximately two hours to complete. Thus, the total compliance burden per year is 600 burden hours. The approximate cost per hour is \$53.00 for clerical labor, resulting in a total internal compliance cost of \$31,800 (600 hours @ \$53.00 per hour). These reflect internal labor costs; there are no external labor, capital, or start-up costs.

Although Rule 15c2-5 does not specify a retention period or record-keeping requirement under the rule, broker-dealers are required to preserve the records for a period no less than six years pursuant to Rule 17a-4(c). The information required under Rule 15c2-5 is necessary for broker-dealers to engage in the lending activities prescribed in the Rule. Rule 15c2-5 does not assure confidentiality for the information retained under the rule.¹

Rule 22d-1. OMB Control No.: 3235-0310, SEC File No. 270-275.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("Paperwork Reduction Act") (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Rule 22d-1 (17 CFR 270.22d-1) under the Investment Company Act of 1940 (the "1940 Act") (15 U.S.C. 80a *et seq.*) provides registered investment companies that issue redeemable securities ("funds") an exemption from section 22(d) of the 1940 Act (15 U.S.C. 80a-22(d)) to the extent necessary to permit scheduled variations in or elimination of the sales load on fund securities for particular classes of investors or transactions, provided certain conditions are met. The rule imposes an annual burden per series of a fund of approximately 15 minutes, so that the total annual burden for the approximately 4714 series of funds that might rely on the rule is estimated to be 1178.5 hours.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act. The estimate is based on communications with industry representatives, and is not derived from a comprehensive or even a representative survey or study.
