

Title: Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery.

OMB Number: 1651-0136.

Abstract: The information collection activity will garner qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with the Administration's commitment to improving service delivery. By qualitative feedback we mean information that provides useful insights on perceptions and opinions, but are not statistical surveys that yield quantitative results that can be generalized to the population of study. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative and actionable communications between the Agency and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management.

Feedback collected under this generic clearance will provide useful information, but it will not yield data that can be generalized to the overall population. This type of generic clearance for qualitative information will not be used for quantitative information collections that are designed to yield reliably actionable results, such as monitoring trends over time or documenting program performance. Such data uses require more rigorous designs that address: the target population to which generalizations will be made, the sampling frame, the sample design (including stratification and clustering), the precision requirements or power calculations that justify the proposed sample size, the expected response rate, methods for assessing potential non-response bias, the protocols for data collection, and any testing procedures that were or will be undertaken prior fielding the study. Depending on the degree of influence the results are likely to have, such collections may still be eligible for submission for other generic mechanisms that are designed to yield quantitative results.

Current Actions: This submission is being made to extend the expiration date with no change to the burden hours.

Type of Review: Extension (without change).

Affected Public: Individuals and businesses.

Estimated Number of Respondents: 60,000.

Annual Frequency of Response: 1.

Estimated Time per Response: 13 minutes.

Estimated Total Annual Burden Hours: 13,000 hours.

Dated: May 14, 2014.

Members of the public may also submit this information to the Regulations Division, Office of General Counsel, Department of Housing and Urban Development, 451 7th Street SW., Room 10276, Washington, DC 20410-0500.

SUPPLEMENTARY INFORMATION: Under several HUD programs (Rent Supplement under 24 CFR 200.1303 (although loans in existence immediately before May 1, 1996, continue to be governed by 24 CFR part 215 (1995 ed.)); Mortgage Insurance and Interest Reduction Payment for Rental Projects under 24 CFR part 236; section 8 Housing Assistance programs; Public Housing programs), the definition of income excludes amounts of other benefits specifically excluded by federal law.

Background

In certain HUD-subsidized housing programs, annual income is a factor in determining eligibility and the level of benefits. Annual income is broadly defined as the anticipated total income from all sources received by every family member. Federal statutes that require certain income sources be disregarded as income are universally applicable to all HUD programs where income is a factor in determining eligibility and benefits. Other Federal statutes specify that income exclusions are specific to certain HUD programs. As directed by various statutes, HUD excludes from consideration of income certain types of benefits from

applicants' and participants' annual income, as listed in 24 CFR 5.609, this notice, or otherwise specified by statute.

Changes to the Previously Published List

HUD last published in the **Federal Register** a notice of Federally mandated exclusions from income on December 14, 2012, at 77 FR 74496. Today's notice replaces the previously published version by adding a new exclusion, including an inadvertent omission, and correcting two previously listed exclusions:

(1) Adds exclusion of any amounts in an "individual development account" as provided by the Assets for Independence Act, as amended in 2002 (Pub. L. 107-110, 42 U.S.C. 604(h)(4)), listed as exclusion (xxiv);

(2) Includes previously omitted exclusion of any allowance paid under the provisions of 38 U.S.C. 1833(c) to children of Vietnam veterans born with spina bifida (38 U.S.C. 1802-05), children of women Vietnam veterans born with certain birth defects (38 U.S.C. 1811-16), and children of certain Korean service veterans born with spina bifida (38 U.S.C. 1821), listed as exclusion (xvi);

(3) Clarifies the criteria for Section 8 participants for exclusion (viii); and

(4) Corrects the timeline of exclusion (xxiii) for settlements payments pursuant to the case entitled *Elouise Cobell et al. v. Ken Salazar et al.*

Abstract: The National Wildlife Refuge System Administration Act of 1966 (16 U.S.C. 668dd–668ee) (Administration Act), as amended by the National Wildlife Refuge System Improvement Act of 1997, consolidated all refuge units into a single National Wildlife Refuge System (System). It also authorized us to offer visitor and public programs, including those facilitated by commercial visitor and management support services, on lands of the System

when we find that the activities are appropriate and compatible with the purpose for which the refuge was established and the System’s mission. The Refuge Recreation Act of 1962 (16 U.S.C. 460k–460k–4) (Recreation Act) allows the use of refuges for public recreation when it is not inconsistent or does not interfere with the primary purpose(s) of the refuge. The Alaska National Interest Lands Conservation Act (16 U.S.C. 3101 et seq.) (ANILCA) provides specific authorization and guidance for the administration and management of national wildlife refuges within the State of Alaska. Its provisions

provide for the issuance of permits under certain circumstances.

We issue special use permits for a specific period as determined by the type and location of the management activity or visitor service provided. These permits authorize activities such as:

- Agricultural activities (haying and grazing, 50 CFR 29.1 and 29.2).
- Beneficial management tools that we use to provide the best habitat possible on some refuges (50 CFR 30.11, 31.14, 31.16, and 36.41).
