

Options that are 1/10th of those applicable to Standard Options.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,¹⁴ the Exchange does not believe that the proposed rule change will impose any burden on intermarket or intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. To the contrary, the Exchange believes that the proposed rule change is pro-competitive as it provides an additional incentive for Market Makers to make deep markets in three actively traded Select Symbols, which will benefit all market participants that trade on the ISE. In addition, the proposed change to the definition of Mini Option is a technical change that will have no competitive impact. The Exchange operates in a highly competitive market in which market participants can readily direct their order flow to competing venues. In such an environment, the Exchange must continually review, and consider adjusting, its fees to remain competitive with other exchanges. For the reasons described above, the Exchange believes that the proposed fee changes reflect this competitive environment.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁵ and subparagraph (f)(2) of Rule 19b-4 thereunder,¹⁶ because it establishes a due, fee, or other charge imposed by ISE.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the

Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

[File No. 500-1]

Fusion Pharm, Inc.; Order of Suspension of Trading

May 16, 2014.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of FusionPharm, Inc. ("FusionPharm") because of questions regarding the accuracy of assertions by FusionPharm and by others, in filings and disclosures made by FusionPharm on OTC Link (previously "Pink Sheets") operated by OTC Markets Group, Inc. and press releases to investors concerning, among other things: (1) The company's assets; (2) the company's revenues; (3) the company's financial statements; (4) the company's business transactions; and (5) the company's current financial condition.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the above-listed company is suspended from the period 9:30 a.m. EDT, on May 16, 2014, through 11:59 p.m. EDT, on May 30, 2014.

By the Commission.

Jill M. Peterson,
Assistant Secretary.
