

In addition, this proposed rule, approving Virginia's July 23, 2012 SIP submission for the 2008 ozone NAAQS and May 30, 2013 SIP submission for the 2010 NO<sub>2</sub> NAAQS as meeting the PSD elements in Section 110(a)(2) of the CAA, does not have tribal implications as specified by Executive Order 13175 (65 FR 67249, November 9, 2000), because the SIP is not approved to apply in Indian country located in the state, and EPA notes that it will not impose substantial direct costs on tribal governments or preempt tribal law.

#### SUPPLEMENTARY INFORMATION:

##### Background and Purpose

On April 8, 2014, the Coast Guard published an NPRM in the **Federal Register** (79 FR 19420) entitled “Tonnage Regulations Amendments”. The tonnage regulations implement legislation concerning the measurement of vessels to determine their tonnage (part J of 46 U.S.C. subtitle II). Tonnage is used for a variety of purposes, including the application of vessel safety, security, and environmental protection regulations and the assessment of taxes and fees.

You may view this NPRM, and public comments submitted thus far, in the online docket by going to the Federal eRulemaking Portal at <http://www.regulations.gov>. Once there, search for the docket number USCG–2011–0522, and then click “Open Docket Folder.” If you do not have access to the internet, you may view the docket online by visiting the Docket Management Facility in Room W12–140 on the ground floor of the DOT West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. We have an agreement with the Department of Transportation to use the Docket Management Facility.

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the **Federal Register** (73 FR 3316).
