In addition, the Department estimates an increase of 51,650 responses based on its most recent data on Form 4684 filings. The addition of section C and the estimated increase in the number of responses will increase the estimated annual burden hours from 1,486,659 to 1,830,400.

*Affected Public:* Individuals or households and business or other for-profit organizations.

Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

*Request for Comments:* Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on:
