SUPPLEMENTARY INFORMATION:

I. Background

The *Cobell* Settlement was approved with finality on November 24, 2012, following the exhaustion of appeals through the U.S. Supreme Court. Within a month following final approval, the Department of the Interior (the Department) established the Land Buy-Back Program for Tribal Nations (Buy-Back Program) and published an Initial Implementation Plan. The Department engaged in government-to-government consultation on this plan and released an Updated Implementation Plan in November 2013.

The Department is currently implementing the Buy-Back Program at multiple locations across Indian Country. Since November 24, 2012, the Department has sent offers to over 19,000 landowners. Thus far, Interior has paid nearly \$60 million to Indian landowners across the United States for voluntarily restoring the equivalent of more than 170,000 acres of land to tribal governments. Tribal governments are helping plan for and implement the Buy-Back Program at specific locations through cooperative agreements or other arrangements.

The purpose of this session is to gather input from tribes in order for the Department to continue to refine its land consolidation processes. Landowners may also attend the session to provide input.

II. Additional Resources

The Updated Implementation Plan and additional information about the Buy-Back Program is available at: <http://www.doi.gov/buybackprogram>. In addition, landowners can contact their local Fiduciary Trust Officer or call Interior's Trust Beneficiary Call Center at (888) 678–6836.
