DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 17

RIN 2900-AO91

Copayments for Medications in 2014

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: This document adopts as a final rule, without change, an interim final rule amending the Department of Veterans Affairs (VA) medical regulations to freeze the copayments required for certain medications provided by VA until December 31, 2014. Under that rule, the copayment amounts for all veterans were maintained at the same rates as they were in 2013, which were \$8 for veterans in priority groups 2-6 and \$9 for veterans in priority groups 7 and 8. On January 1, 2015, the copayment amounts may increase based on the prescription drug component of the Medical Consumer Price Index (CPI-P).

DATES: *Effective Date:* This rule is effective on May 27, 2014.

FOR FURTHER INFORMATION CONTACT: Kristin Cunningham, Director, Business Policy, Chief Business Office, 810 Vermont Avenue NW., Washington, DC 20420, (202) 382-2508. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: An interim final rule amending VA's medical regulations concerning the copayment required for certain medications was published in the **Federal Register** on December 30, 2013, 78 FR 79315-79317. Interested persons were invited to submit comments to the interim final rule on or before February 28, 2014, and we received no comments. Therefore, based on the rationale set forth in the interim final rule, VA is adopting the interim final rule as a final rule with no changes.

Administrative Procedure Act

In accordance with 5 U.S.C. 553(b)(B) and (d)(3), the Secretary of Veterans Affairs concluded that there was good cause to publish this rule without prior opportunity for public comment and to publish this rule with an immediate effective date. The Secretary found that it was impracticable and contrary to the public interest to delay this rule for the purpose of soliciting advance public comment or to have a delayed effective date. Increasing the copayment amount on January 1, 2014, might have caused a significant financial hardship for some veterans and may have decreased patient adherence to medical plans, resulting in other unpredictable negative health effects. Nevertheless, the Secretary invited public comment on the interim final rule but did not receive any comments.

Effect of Rulemaking

Title 38 of the Code of Federal Regulations, as revised by this final rulemaking, represents VA's implementation of its legal authority on this subject. Other than future amendments to this regulation or governing statutes, no contrary guidance or procedures are authorized. All existing or subsequent VA guidance must be read to conform with this rulemaking if possible or, if not possible, such guidance is superseded by this rulemaking.

Paperwork Reduction Act

This final rule contains no provisions constituting a collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3521).

Regulatory Flexibility Act

The Secretary hereby certifies that this final rule will not have a significant economic impact on a substantial
