

schools on the installation. As part of the study, we will interview superintendents of LEAs that are in close proximity to installations that have DDESS schools (excluding those installations that only have special arrangement schools). The interviews will capture information on the approach the LEAs will adopt if they were given the responsibility to educate DDESS students, as well as identify factors that might facilitate or hinder LEAs taking the responsibility of educating DDESS students. This information is critical as it will identify whether transferring DDESS schools to LEAs is even a feasible option that could be plausibly considered for the governance of the current CONUS DDESS schools.

Office of the Secretary

Renewal of Department of Defense Federal Advisory Committees

AGENCY: DoD.

ACTION: Renewal of Federal Advisory Committee.

SUMMARY: The Department of Defense is publishing this notice to announce that it is renewing the charter for the Threat Reduction Advisory Committee (“the Committee”).

FOR FURTHER INFORMATION CONTACT: Jim Freeman, Advisory Committee Management Officer for the Department of Defense, 703-692-5952.

SUPPLEMENTARY INFORMATION: This committee’s charter is being renewed under the provisions of the Federal Advisory Committee Act of 1972 (5 U.S.C. Appendix, as amended), the Government in the Sunshine Act of 1976 (5 U.S.C. 552b) (“the Sunshine Act”), and 41 CFR 102-3.50(d).

The Committee is a discretionary Federal advisory committee that shall provide the Secretary of Defense, through the Under Secretary of Defense for Acquisition, Technology and Logistics (USD(AT&L)) and the Assistant Secretary of Defense for Nuclear, Chemical, and Biological Defense Programs (ASD(NCB)), independent advice and recommendations on:

- Reducing the threat to the United States, its military forces, and its allies and partners posed by nuclear, biological, chemical, conventional, and special weapons.
- Combating WMD to include non-proliferation, counterproliferation, and consequence management.
- Nuclear deterrence transformation, nuclear material lockdown and accountability.
- Nuclear weapons effects;
- The nexus of counterproliferation and counter WMD terrorism.
- Other AT&L; NCB; and Defense Threat Reduction Agency mission-related matters, as requested by the USD(AT&L).

The Committee shall report to the Secretary of Defense through the USD(AT&L).

The Department of Defense (DoD), through the Office of the USD(AT&L), the Office of the ASD(NCB) Defense Programs, and the Defense Threat Reduction Agency, shall provide support, as deemed necessary, for the Committee’s performance, and shall ensure compliance with the requirements of the FACA, the Sunshine

Act, governing Federal statutes and regulations, and established DoD policies and procedures.

The Committee shall be composed of no more than 20 members who are eminent authorities in the fields of national defense, geopolitical and national security affairs, WMD, nuclear physics, chemistry, and biology.

The Committee members are appointed by the Secretary of Defense or the Deputy Secretary of Defense and their appointments will be renewed on an annual basis in accordance with DoD policies and procedures. Those members, who are not full-time or permanent part-time federal officers or employees, shall be appointed as experts and consultants under the authority of 5 U.S.C. 3109 to serve as special government employee (SGE) members, with annual renewals. Committee members who are full-time or permanent part-time Federal employees will serve as regular government employee (RGE) members.

Committee members shall, with the exception of travel and per diem for official travel, serve without compensation, unless otherwise authorized by the Secretary of Defense.

The Secretary of Defense, in consultation with USD(AT&L) and the ASD(NCB), shall select the Committee’s Chair and Vice Chair from among the membership approved by the Secretary of Defense or Deputy Secretary of Defense.

The Secretary of Defense or Deputy Secretary of Defense may approve the appointment of Committee members for one-to-four year terms of service; however, no member, unless authorized by the Secretary of Defense or Deputy Secretary of Defense, may serve more than two consecutive terms of service, to include its subcommittees, or serve on more than two DoD Federal advisory committees at one time.

Each Committee member is appointed to provide advice on behalf of the government on the basis of his or her best judgment without representing any particular point of view and in a manner that is free from conflict of interest.

The DoD, when necessary and consistent with the Committee’s mission and DoD policies, may establish subcommittees, task forces, or working groups to support the Committee. Establishment of subcommittees will be based upon written determination, to include terms of reference, by the Secretary of Defense, the Deputy Secretary of Defense, or the USD(AT&L), as the Committee’s sponsor.

Such subcommittees shall not work independently of the chartered Committee, and shall report their

findings and advice solely to the Committee for full deliberation and discussion. Subcommittees have no authority to make decisions and recommendations verbally or in writing on behalf of the chartered Committee; nor can any subcommittee or its members update or report directly to the DoD or to any Federal officers or employees.

All subcommittee members shall be appointed in the same manner as the Committee members; that is, the Secretary of Defense or the Deputy Secretary of Defense shall appoint subcommittee members to a term of service of one-to-four years with annual renewals, even if the member in question is already a Committee member. Subcommittee members shall not serve more than two consecutive terms of service, without approval by the Secretary of Defense or Deputy Secretary of Defense. Subcommittee members are appointed to provide advice on the basis of their best judgment without representing a particular point of view and in a manner that is free from conflict of interest.

Subcommittee members, if not full-time or part-time government employees, shall be appointed to serve as experts and consultants pursuant to 5 U.S.C. 3109 to serve as SGE members. Those individuals who are full-time or permanent part-time Federal officers or employees shall serve as RGE members, subject to annual renewals. With the exception of reimbursement for official Committee-related travel and per diem, subcommittee members shall serve without compensation.

All subcommittees operate under the provisions of FACA, the Sunshine Act, governing Federal statutes and regulations, and established DoD policies and procedures.

The Designated Federal Officer (DFO), pursuant to DoD policy, shall be a full-time or permanent part-time DoD employee, and shall be appointed in accordance with established DoD policies and procedures.

In addition, the DFO is required to be in attendance at all committee and subcommittee meetings for the entire duration of each and every meeting. However, in the absence of the Committee's DFO, an Alternate DFO, duly appointed to the Committee according to the DoD policies and procedures, shall attend the entire duration of the Committee or subcommittee meeting.

The DFO, or the Alternate DFO, shall call all of the Committee's and subcommittee's meetings; prepare and approve all meeting agendas; adjourn any meeting when the DFO, or the

Alternate DFO, determines adjournment to be in the public interest or required by governing regulations or DoD policies and procedures; and chair meetings when directed to do so by the official to whom the Committee reports.

Pursuant to 41 CFR 102–3.105(j) and 102–3.140, the public or interested organizations may submit written statements to Threat Reduction Advisory Committee membership about the Committee's mission and functions. Written statements may be submitted at any time or in response to the stated agenda of planned meeting of Threat Reduction Advisory Committee.

All written statements shall be submitted to the DFO for the Threat Reduction Advisory Committee, and this individual will ensure that the written statements are provided to the membership for their consideration. Contact information for the Threat Reduction Advisory Committee DFO can be obtained from the GSA's FACA Database—<http://www.facadatabase.gov/>.

The DFO, pursuant to 41 CFR 102–3.150, will announce planned meetings of the Threat Reduction Advisory Committee. The DFO, at that time, may provide additional guidance on the submission of written statements that are in response to the stated agenda for the planned meeting in question.
