

SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Notice of Alleged Safety and Health Hazards, Form OSHA-7, information collection. Respondents use Form OSHA-7 to report unhealthful and/or unsafe conditions in the workplace to the OSHA. The OSHA uses this information to evaluate the alleged hazards and to schedule an inspection. This information collection has been classified as a revision, because the agency proposes to include a question about whether the respondent is a current or former employee of the employer cited in the complaint. The Occupational Safety and Health Act authorizes this information collection. See 29 U.S.C. 651, 657.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1218-0064. The current approval is scheduled to expire on May 31, 2014; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on January 24, 2014 (79 FR 4180).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section by June 30, 2014. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1218-0064. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information,

including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

LEGAL SERVICES CORPORATION

Extension of Comment Period for Proposed Changes to LSC Grant Assurances for Calendar Year 2015 Funding

AGENCY: Legal Services Corporation.

ACTION: Notice of extended comment period for the proposed LSC 2015 Grant Assurances.

SUMMARY: The Legal Services Corporation ("LSC") is extending the public comment period for the proposed LSC 2015 Grant Assurances. The extended comment period is applicable only to Grant Assurances 10 and 11. The proposed LSC grant assurances for calendar year 2015 funding, in redline format indicating the proposed changes to the current "LSC 2014 Grant Assurances," are available at <http://grants.lsc.gov/sites/default/files/Grants/ReferenceMaterials/2015-GrantAssurances-Proposed.pdf>.

DATES: All comments and recommendations must be received on or before the close of business on June 20, 2014.

ADDRESSES: Written comments may be submitted by mail, email, or fax to Reginald J. Haley, Office of Program Performance, Legal Services Corporation, 3333 K Street NW., Washington, DC 20007; LSCGrantAssurances@lsc.gov; or (202) 337-6813 (fax). Comments may also be submitted online at <http://www.lsc.gov/contact-us>.

FOR FURTHER INFORMATION CONTACT: Reginald J. Haley, haleyrl@lsc.gov, (202) 295-1545.

SUPPLEMENTARY INFORMATION: In response to recent requests, LSC is extending the comment period for changes proposed for grant assurances 10 and 11. The deadline for comments regarding proposed changes to all other grant assurances remains May 30, 2014.

Grant Assurance #10 requires LSC recipients to give LSC and the U.S. Comptroller General access to records they are entitled to under the provisions of the LSC Act and other applicable law. The proposed change to the grant assurance requires LSC recipients to provide access to records in accordance with Federal law.

Grant Assurance #11 requires LSC recipients to provide LSC, federal agencies, and other auditing or monitoring entities access to financial records, time records, retainer agreements, client trust fund and eligibility records, and client names. As with Grant Assurance #10, the proposed change to the grant assurance requires LSC recipients to provide access to these records in accordance with Federal law.

As part of the grant certifications, LSC has required since 2009 that all applicants for funding consent to the exclusive jurisdiction of the U.S. District Court for the District of

Columbia, which is within the D.C. Circuit. The proposed revisions to Grant Assurances 10 and 11 are based on the decision of the United States Court of Appeals for the District of Columbia Circuit in *United States v. California Rural Legal Assistance*, 722 F.3d 424 (D.C. Cir. 2013), which involved an action to enforce a subpoena for documents held by an LSC recipient. The question before the court was "whether, and[,] if so, which[,] California state privileges and protections apply." *Id.* at 427. The court decided that "the answer to the 'whether' issue is 'no' . . ." *Id.* The decision was based entirely on federal law; the court found it unnecessary to consider the nature and extent of the California laws and rules on privileges and protections. The DC Circuit held that "[f]ederal law and not state law governs." *Id.*

Under the court's decision, the laws and rules of other states are similarly inapplicable. The court specifically considered the LSC Act and concluded that "Congress has made abundantly clear its intention to regulate the federal programs funded through LSC according to federal and not California standards." *Id.* at 428.

Dated: May 23, 2014.

Stefanie K. Davis,

Assistant General Counsel.
