

Suspension of Liquidation

In accordance with section 733(d) of the Act the Department will instruct U.S. Customs and Border Protection (“CBP”) to suspend liquidation of all entries of tetrafluoroethane from the PRC, as described in the “Scope of the Investigation” section, entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**.

Pursuant to 19 CFR 351.205(d), the Department will instruct CBP to require a cash deposit⁸ equal to the weighted-average amount by which NV exceeds U.S. price, adjusted where appropriate for export subsidies and estimated domestic subsidy pass-through,⁹ as follows: (1) The cash deposit rate for the exporter/producer combinations listed in the table above will be the rate the Department determines in this preliminary determination; (2) for all combinations of PRC exporters/producers of merchandise under consideration that have not received their own separate rate above, the cash-deposit rate will be the cash deposit rate established for the PRC-wide entity; and (3) for all non-PRC exporters of merchandise under consideration which have not received their own separate rate above, the cash-deposit rate will be the cash deposit rate applicable to the PRC exporter/producer combination that supplied that non-PRC exporter.

We did not adjust the preliminary determination AD margins for export subsidies because the Department found no evidence of export subsidies in the companion countervailing duty (“CVD”) proceeding. Additionally, the Department did not adjust the preliminary determination AD margins for estimated domestic subsidy pass-through because respondents provided no information to support an adjustment pursuant to section 777A(f) of the Act.¹⁰

⁸ See Modification of Regulations Regarding the Practice of Accepting Bonds During the Provisional Measures Period in Antidumping and Countervailing Duty Investigations, 76 FR 61042 (October 3, 2011).

⁹ See sections 772(c)(1)(C) and 777A(f) of the Act, respectively. Unlike in administrative reviews, the Department calculates the adjustment for export subsidies in investigations not in the margin calculation program, but in the cash deposit instructions issued to CBP. Postponement of Final Determination and Extension of Provisional Measures

Pursuant to a request from Weitron, we are postponing the final determination and extending the provisional measures from a four-month period to no more than six months. Accordingly, we will make our final determination no later than 135 days after the date of publication of this preliminary determination, pursuant to section 735(a)(2) of the Act.¹¹

International Trade Commission (“ITC”) Notification

In accordance with section 733(f) of the Act, we notified the ITC of our preliminary affirmative determination of sales at LTFV. Section 735(b)(2) of the Act requires the ITC to make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of tetrafluoroethane, or sales (or the likelihood of sales) for importation, of the merchandise under consideration within 45 days of our final determination.

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act.

Dated: May 21, 2014.

Rescission in Part

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws its request within 90 days of the day of publication of notice of initiation of the requested review. The aforementioned requests for review were timely withdrawn and because no other party requested a review of the aforementioned producers/exporters, in accordance with 19 CFR 351.213(d)(1), with respect to these producers/exporters.

Assessment Rates

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For those producers/exporters for which this review has been rescinded and which have a separate rate from a prior segment of this proceeding, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from the warehouse, for consumption, in accordance with 19 CFR 351.212(c)(2). Notification to Importers

This notice serves as a final reminder to importers for whom this review being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.
