

bid withdrawal payment of ten percent of the withdrawn bid for this auction. The Bureau seeks comment on this proposal.

ii. Additional Default Payment Percentage

72. Any winning bidder that defaults or is disqualified after the close of an auction (i.e., fails to remit the required down payment within the prescribed period of time, fails to submit a timely long-form application, fails to make full and timely final payment, or is otherwise disqualified) is liable for a default payment under 47 CFR 1.2104(g)(2). This payment consists of a deficiency payment, equal to the difference between the amount of the Auction 97 bidder's winning bid and the amount of the winning bid the next time a license covering the same spectrum is won in an auction, plus an additional payment equal to a percentage of the defaulter's bid or of the subsequent winning bid, whichever is less.

73. The Commission's rules provide that, in advance of each auction, it will establish a percentage between three and twenty percent of the applicable bid to be assessed as an additional default payment. As the Commission has indicated, the level of this additional payment in each auction will vary based on the nature of the service and the inventory of the licenses being offered.

74. Defaults weaken the integrity of the auction process and may impede the deployment of service to the public, however, the Bureau does not believe the detrimental effects of any defaults in Auction 97 are likely to be unusually great. Balancing these considerations, for Auction 97, the Bureau proposes to establish an additional default payment of fifteen percent of the applicable bid. The Bureau seeks comment on this proposal.

V. *Ex Parte* Rules

75. This proceeding has been designated as a "permit-but-disclose" proceeding in accordance with the Commission's *ex parte* rules. Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentations must contain summaries of the substance of the presentations and not merely a listing of the subjects discussed. More than a one or two sentence description of the views and arguments presented is generally required. Other provisions pertaining to oral and written *ex parte* presentations in permit-but-disclose proceedings are set forth in 47 CFR 1.1206(b).
