#### **SUPPLEMENTARY INFORMATION:**

##### **I. Abstract**

This information collection is in association with the Department of

Commerce's (DOC) Departmental Administrative Order 207-12 (Order), Foreign National Visitor and Guest Access Program, and is applicable to all DOC operating units, bureaus, and Departmental offices and to all Foreign Nationals who visit or are assigned to DOC facilities or activities. DOC organizations must provide information to the Office of Security (OSY) concerning Foreign National Visitors and Guests. Foreign Nationals are any persons who are not citizens or nationals of the United States and are categorized based on the length of their visit. Those who are accessing Departmental facilities for three or fewer days or attending a conference of five or fewer days are considered Visitors. Those who are accessing Departmental facilities for more than three days are considered Guests. Guests are subject to a security check at the discretion of the Director for Security. Guests remaining beyond two years must undergo a security check conducted by the servicing security office.

The Department offers Foreign National Visitors and Guests access to its facilities, staff and information while engaged in a broad range of collaborative activities. This access, however, must be balanced with the need to protect classified, Sensitive But Unclassified (SBU), or otherwise controlled, proprietary, or not-for-public release data, information, or technology. The Departmental Sponsor (DS) is responsible for taking all reasonable steps to ensure that the conduct of, and activities for, their Foreign National Visitor or Guest are appropriate for the Federal workplace and comply with this Order. Prior to the arrival of a Foreign National Guest, the DS shall coordinate with the servicing security office to obtain a counterintelligence briefing that includes the contents of the Espionage Indicator Guide for employees of the sponsoring bureau within the work area encompassed by the foreign visit. Because of the frequency of foreign visits, these employees need only be briefed on an annual basis rather than each time a foreign visit occurs. The DS must read and sign a "Certification of Conditions and Responsibilities for the Departmental Sponsor of Foreign National Guests" and forward the certification to the chief administrative official or other appropriate senior bureau official responsible for administrative matter in the sponsoring bureau for review and endorsement. The DS must also:

a. Comply with all requirements for access approval and conduct, including providing timely, complete, and

accurate information regarding the visit to the servicing security office. The servicing security office will deny access to a Foreign National if the DS fails to provide complete and accurate information in advance of a visit.

b. Take all reasonable steps to ensure his/her Foreign National Visitor or Guest is given access only to information necessary for the successful completion of their visit.

c. Prevent physical, visual, and virtual access to classified, SBU, or otherwise controlled, proprietary, or not-for-public release data, information, or technology.

d. Take all reasonable steps to ensure that a Foreign National Visitor or Guest does not use personal communication, photographic, recording, or other electronic devices in areas of Departmental facilities where classified, SBU, or otherwise controlled, proprietary, or not-for-public release data, information, or technology is present without explicit authorization.

e. Immediately report suspicious activities or anomalies involving Foreign National Visitors or Guests to the servicing security office.

f. Promptly notify the servicing security office if there is a change to the arrival or departure date of any Foreign National.

g. Ensure that all Foreign National Guests meet with the servicing security office to complete the Certification of Conditions and Responsibilities for the Foreign National Guest Program within three days of arrival if the servicing security office is collocated. If the servicing security office is not collocated, the DS will brief the Foreign National Guest on the contents of the document, and ensure the certification is signed, dated, and forwarded to the servicing security office within three days of arrival.

h. The appropriate senior administrative official in the sponsoring bureau or office will review the request from the DS and will ensure that the value of collaborative efforts gained with access to Departmental facilities, staff and information is balanced with the need to protect classified, SBU, or otherwise controlled, proprietary, or not-for-public release data, information, or technology. The senior administrative official's endorsement and Departmental Sponsor's certificate will be forwarded to the servicing security Office.

Information Required by a Foreign National includes the following: Full name, Gender, Date of birth, Place of birth, Passport Number and Issuing Country, Citizenship and Country(ies) of Dual Citizenship (if applicable), Country of Current Residence, Sponsoring
