Expiration Date of Approval: December 31, 2014.

Type of Request: Extension of the USDA Program Discrimination Complaint Form.

Abstract: Under 7 CFR 15.6, "Any person who believe himself/herself or any specific class of individuals to be subjected to discrimination [in any USDA assisted program or activity] * * * may by himself/herself or by an authorized representative file * * * a written complaint." Under CFR 15d.4, "Any person who believes that he or she (or any specific class of individuals) has

been, or is being, subjected to [discrimination in any USDA conducted program or activity] * * * may file on his or her own, or through an authorized representative, a written complaint alleging such discrimination." The collection of this information is an avenue by which the individual or his representative may file such a program discrimination complaint.

The requested information, which can be submitted by filling out a form or by submitting a letter, is necessary in order for USDA OASCR to address the alleged discriminatory action. The respondent is asked to state his/her name, mailing address, property address (if different from mailing address), telephone number, email address (if any) and to provide a name and contact information for the respondent's representative (if any). A brief description of who was involved with the alleged discriminatory action, what occurred and when, is requested. In the event that the respondent is filing the program discrimination complaint more than 180 days after the alleged discrimination occurred, the respondent is asked to provide the reason for the delay.

Finally, the respondent is asked to identify which bases are alleged to have motivated the discriminatory action. The form explains that laws and regulations prohibit on the bases of: Race, color, national origin, age, sex, gender identity (including gender expression), disability, religion, sexual orientation, marital or familial status, or because all or part of the individual's income is derived from any public assistance program, but that not all bases apply to all programs.

The program discrimination complaint filing information, which is voluntarily provided by the respondent, will be used by the staff of USDA OASCR to intake, investigate, resolve, and/or adjudicate the respondent's complaint.
