

and are also used to calculate the appropriate flood insurance premium rates for new buildings built after the FIRM and FIS report become effective.

#### Correction

In the proposed flood hazard determination notice published at 78 FR 36221, in the June 17, 2013, issue of the **Federal Register**, FEMA published a table titled "Calvert County, Maryland, and Incorporated Areas". This table included the City of North Beach as one of the communities for which flood hazard changes were being proposed. Following publication in the **Federal Register**, FEMA learned that the official designation for this community had been changed and the community is now identified as the Town of North Beach. This correction notice provides notification of the change in designation for this community. The official designation of the community provided by this correction notice should be used in lieu of that previously published.

### Federal Emergency Management Agency

[Docket No. FEMA-2014-0002; Internal Agency Docket No. FEMA-B-1348]

#### Proposed Flood Hazard Determinations

**AGENCY:** Federal Emergency Management Agency; DHS.

**ACTION:** Notice; correction.

**SUMMARY:** On December 27, 2013, FEMA published in the **Federal Register** a proposed flood hazard determination notice that contained an erroneous table. This notice provides corrections to that table, to be used in lieu of the information published at 78 FR 78997. The table provided here represents the proposed flood hazard determinations and communities affected for Wayne County, Indiana, and Incorporated Areas.

**DATES:** Comments are to be submitted on or before September 8, 2014.

**ADDRESSES:** The Preliminary Flood Insurance Rate Map (FIRM), and where applicable, the Flood Insurance Study (FIS) report for each community are available for inspection at both the online location and the respective Community Map Repository address listed in the table below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at [www.msc.fema.gov](http://www.msc.fema.gov) for comparison.

You may submit comments, identified by Docket No. FEMA-B-1348, to Luis Rodriguez, Chief, Engineering Management Branch, Federal Insurance and Mitigation Administration, FEMA, 500 C Street SW., Washington, DC 20472, (202) 646-4064, or (email) [Luis.Rodriguez3@fema.dhs.gov](mailto:Luis.Rodriguez3@fema.dhs.gov).

**FOR FURTHER INFORMATION CONTACT:** Luis Rodriguez, Chief, Engineering Management Branch, Federal Insurance and Mitigation Administration, FEMA, 500 C Street SW., Washington, DC 20472, (202) 646-4064 or (email) [Luis.Rodriguez3@fema.dhs.gov](mailto:Luis.Rodriguez3@fema.dhs.gov); or visit the FEMA Map Information eXchange (FMIX) online at [www.floodmaps.fema.gov/fhm/fmx\\_main.html](http://www.floodmaps.fema.gov/fhm/fmx_main.html).

**SUPPLEMENTARY INFORMATION:** FEMA proposes to make flood hazard determinations for each community listed in the table below, in accordance with Section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These proposed flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own, or pursuant to policies established by other Federal, State, or regional entities. These flood hazard determinations are used to meet the floodplain management requirements of the NFIP and are also used to calculate the appropriate flood insurance premium rates for new buildings built after the FIRM and FIS report become effective.

Use of a Scientific Resolution Panel (SRP) is available to communities in support of the appeal resolution process. SRPs are independent panels of experts in hydrology, hydraulics, and other pertinent sciences established to review conflicting scientific and technical data and provide recommendations for resolution. Use of

the SRP may only be exercised after FEMA and local communities have been engaged in a collaborative consultation process for at least 60 days without a mutually acceptable resolution of an appeal. Additional information regarding the SRP process can be found online at [http://floodsrp.org/pdfs/srp\\_fact\\_sheet.pdf](http://floodsrp.org/pdfs/srp_fact_sheet.pdf).

The communities affected by the flood hazard determinations are provided in the table below. Any request for reconsideration of the revised flood hazard determinations shown on the Preliminary FIRM and FIS report that satisfies the data requirements outlined in 44 CFR 67.6(b) is considered an appeal. Comments unrelated to the flood hazard determinations will also be considered before the FIRM and FIS report are made final.

#### Correction

In the proposed flood hazard determination notice published at 78 FR 78997 in the December 27, 2013, issue of the **Federal Register**, FEMA published a table titled Wayne County, Indiana, and Incorporated Areas. This table contained inaccurate information as to the community map repository for the Town of Spring Grove featured in the table. In this document, FEMA is publishing the accurate information. The correct address for the Town of Spring Grove, which should be used in lieu of the address listed in the previously published table, is: Office of Planning and Zoning, Wayne County Annex Building, 401 East Main Street, Richmond, IN 47374.

### Federal Emergency Management Agency

[Docket ID FEMA-2014-0002; Internal Agency Docket No. FEMA-B-1299]

#### Proposed Flood Hazard Determinations

**AGENCY:** Federal Emergency Management Agency; DHS.

**ACTION:** Notice; correction.

**SUMMARY:** On August 9, 2013, the Federal Emergency Management Agency (FEMA) published in the **Federal Register** a proposed flood hazard determination notice that included information for the Township of McCandless in the table titled “Allegheny County, Pennsylvania (All Jurisdictions)”. This notice provides corrections to be used in lieu of the information published for the Township of McCandless in that table at 78 FR 48703–48706.

**DATES:** Comments are to be submitted on or before July 9, 2014.

**ADDRESSES:** You may submit comments, identified by Docket No. FEMA–B–1299, to Luis Rodriguez, Chief, Engineering Management Branch, Federal Insurance and Mitigation Administration, Federal Emergency Management Agency, 500 C Street SW., Washington, DC 20472, (202) 646–4064 or (email) [Luis.Rodriguez3@fema.dhs.gov](mailto:Luis.Rodriguez3@fema.dhs.gov).

**FOR FURTHER INFORMATION CONTACT:** Luis Rodriguez, Chief, Engineering Management Branch, Federal Insurance and Mitigation Administration, Federal Emergency Management Agency, 500 C Street SW., Washington, DC 20472, (202) 646–4064 or (email) [Luis.Rodriguez3@fema.dhs.gov](mailto:Luis.Rodriguez3@fema.dhs.gov).

**SUPPLEMENTARY INFORMATION:** FEMA proposes to make flood hazard determinations in accordance with Section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These proposed flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own, or pursuant to policies established by other Federal, State, or regional entities. These flood hazard determinations are used to meet the floodplain management requirements of the NFIP and are also used to calculate the appropriate flood insurance premium rates for new buildings built after the FIRM and FIS report become effective.

#### Correction

In the proposed flood hazard determination notice published at 78 FR 48703–48706, in the August 9, 2013, issue of the **Federal Register**, FEMA published a table titled “Allegheny County, Pennsylvania (All Jurisdictions)”. This table included the

Township of McCandless as one of the communities for which flood hazard changes were being proposed. Following publication in the **Federal Register**, FEMA learned that the official designation for this community had been changed and the community is now identified as the Town of McCandless. This correction notice provides notification of the change in designation for this community. The official designation of the community provided by this correction notice should be used in lieu of that previously published.

### Bureau of Land Management

[LLWYD04000–LL51010000–ER0000–LVRWK14K1600]

#### Notice of Intent To Prepare an Environmental Impact Statement for the Proposed Riley Ridge to Natrona Project, Wyoming

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of Intent.

**SUMMARY:** In compliance with the National Environmental Policy Act of 1969 (NEPA), as amended, and the Mineral Leasing Act of 1920 (MLA), as amended, the Bureau of Land Management (BLM) Rock Springs Field Office intends to prepare an Environmental Impact Statement (EIS) for the proposed Riley Ridge to Natrona Project and by this notice announces the beginning of the scoping process to solicit public comments and identify issues that will influence the scope of the environmental analysis, including alternatives.

**DATES:** Comments may be submitted in writing until July 9, 2014. Four public scoping meetings for the proposed project will be held in Big Piney, Rock Springs, Lander and Casper, Wyoming. Meeting times and locations will be announced through local media and the BLM project Web site at [www.blm.gov/wy/st/en/info/NEPA/documents/rsfo\\_rrnp.html](http://www.blm.gov/wy/st/en/info/NEPA/documents/rsfo_rrnp.html) at least 15 days prior to the event. In order to be considered in the analysis, all comments must be received prior to the close of the scoping period or 15 days after the last public meeting, whichever is later.

The BLM will provide additional opportunities for public participation upon publication of the draft EIS.

**ADDRESSES:** Written comments on issues and planning criteria may be submitted by any of the following methods:
