

can be conducted by any OTP Holder or OTP Firm.

Finally, the Exchange believes that it is subject to significant competitive forces, including from options exchanges that do not exclude FLEX transactions from their strategy caps, as described below in the Exchange's statement regarding the burden on competition. For these reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,¹⁰ the Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed fee change reduces the burden on competition because it will allow OTP Holders and OTP Firms to compete for business by broadening the scope of eligible transactions to be included in the Strategy Cap, which change would bring the Strategy Cap in line with the strategy caps available on other options exchanges.¹¹

The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues, and providing a cap on Strategy Executions comprised in whole or in part by FLEX transactions in a manner consistent with other trading venues will encourage competition. In such an environment, the Exchange must continually review, and consider adjusting, its fees and credits to remain competitive with other exchanges. For the reasons described above, the Exchange believes that the proposed rule change reflects this competitive environment.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)¹² of the Act and subparagraph (f)(2) of Rule 19b-4¹³ thereunder, because it establishes a due,

fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁴ of the Act to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

In the Matter of Prospect Ventures, Inc.; Order of Suspension of Trading

June 6, 2014.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Prospect Ventures, Inc. ("Prospect") because of questions regarding the accuracy of assertions by Prospect to investors in public filings concerning, among other things, the company's beneficial ownership, assets, and operations. Prospect is a Nevada corporation based in Medellin, Colombia. Prospect's securities are quoted on OTC Link (formerly "Pink Sheets") operated by OTC Markets Group Inc., under the symbol IVAP.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT on June 6, 2014 through 11:59 p.m. EDT on June 19, 2014.

By the Commission.

Jill M. Peterson,

Assistant Secretary.
