SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the information collection requirements contained in Prohibited Transaction Class Exemption (PTE) 1996–62, which provides for accelerated approval of an exemption permitting a plan to engage in a transaction that the Employee Retirement Income Security Act (ERISA) might otherwise prohibit. The PTE may be granted following a demonstration to the DOL that the transaction: (1) Is substantially similar in all material respects to at least two other transactions for which the DOL recently granted administrative relief from the same restriction; and (2) presents little, if any, opportunity for abuse or risk of loss to a plan's participants and beneficiaries. This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1210-0098.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on June 30, 2014. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on November 29, 2013 (78 FR 71668).

DEPARTMENT OF LABOR

Employment and Training Administration

Notice for Request for Nominations

AGENCY: Employment and Training Administration, U.S. Department of Labor.

ACTION: Notice of Advisory Council Member Call for Nominations.

SUMMARY: The Department of Labor is requesting a total of six nominations for appointment to the Native American Employment and Training Council (NAETC) for consideration.

Background: The NAETC is a non-discretionary committee with the purpose of advising the Secretary on all aspects of the operation and administration of the Workforce Investment Act (WIA) Section 166 program. This includes the selection of the individual appointed as the head of the unit established at the Department of Labor by the Secretary to administer the Section 166 programs. The head of this unit, or his/her designee, will serve as the Designated Federal Official (DFO) for the NAETC. The current NAETC Charter was renewed for two years, effective September 9, 2013. The charter provides for the NAETC to be composed of no less than 15 members appointed by the Secretary pursuant to WIA Section 166(h)(4)(B), who are representatives of the Indian tribes, tribal organizations, Alaska native entities, Indian-controlled organizations serving Indians, or Native Hawaiian organizations.

DATES: The Department must receive nominations by no later than 31

calendar days, excluding any Federal holidays, from the date of this notice. A copy of the NAETC Nomination, Self-Certification, and Nomination Acceptance Forms can be obtained by accessing the Division of Indian and Native American Programs' Web site at <http://www.doleta.gov/dinap/>.

ADDRESSES: All nominations for the NAETC should be sent electronically to Lewis.Craig@dol.gov, faxed to (202) 693-3817, or mailed to U.S. Department of Labor Indian and Native American Programs, Employment and Training Administration, 200 Constitution Avenue NW., Room S-4209, Washington, DC 20210, Attention: Mr. Craig Lewis, Designated Federal Officer.

SUPPLEMENTARY INFORMATION: The Secretary is seeking a total of six representatives to join the NAETC to advise the Secretary of Labor on all aspects of the operation and administration of the Indian and Native American programs authorized under Section 166 under WIA. Two of the representatives will provide expertise in "other disciplines" representing the areas of business and entrepreneurship, economic development, secondary and post-secondary education (including Tribal Colleges), health care, and Veteran services. The Secretary also is seeking nominations for a representative from the Employment and Training Administration Region 5, Chicago (which includes NE, KS, MO, IA, MN, WI, IL, IN MI, and OH), a representative from Employment and Training Administration Region 2, Philadelphia (which includes PA, WV, DE, and VA), one nomination for a representative of Oklahoma and one nomination for a representative from Hawaii. The NAETC's charter provides that, to the extent practicable, all geographic areas of the United States with a substantial Indian, Alaska Native, or Native Hawaiian population shall be represented on the NAETC.

Membership Qualifications: The Federal Advisory Committee Act regulations at 41 CFR 102-3.30(c) require advisory committees to have a balanced membership in terms of the points of view represented and the functions to be performed. Factors to be considered in achieving such a membership depend upon several elements, including the vision and mission of the Secretary. All nominees to the NAETC must be representatives of Indian Tribes, Tribal organizations, Alaska Native entities, Indian-controlled organizations serving Indians, or Native Hawaiian organizations, as required in WIA, Section 166(h)(4)(B).
