

1a–2(k), and 16 U.S.C. 470h–3, or under agreement through appropriate authorities.

Members of the Committee include representatives from, but not limited to, groups with the following interests: natural resources and the environment, business, cultural resources and historic preservation, real estate, recreation, education, hospitality and science. Members of the Committee will also consist of representatives from the Monmouth County Freeholders as well as the following municipalities and boroughs: Highlands, Sea Bright, Rumson and Middletown.

Nominations are sought to represent the following categories: real estate, recreation, cultural resources and historic preservation, business, and hospitality.

Committee members will be selected based on the following criteria: (1) Ability to collaborate, (2) the ability to understand NPS management and policy, and (3) connection with local communities. No individual who is currently registered as a Federal lobbyist is eligible to serve on the Committee. Members will serve without compensation.

The first meeting took place in January 2013. The Committee has met a total of 10 times, usually six to eight weeks apart. Meetings may take place at such times as designated by the DFO. Members are expected to make every effort to attend all meetings. Members may not appoint deputies or alternates.

Dated: May 28, 2014

Alma Ripps,

Chief, Office of Policy.

Notice of Realty Action: Non-Competitive (Direct) Sale and Release of Reversionary Interest, Clark County, NV (N–92814)

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action.

SUMMARY: The Bureau of Land Management (BLM), Las Vegas Field Office, proposes to sell the Federal reversionary interest in 2.5 acres of land in Las Vegas, Nevada. The land was conveyed out of Federal ownership in 1996 subject to the Federal reversionary

interest that is now proposed for sale under the authority of Section 202 and Section 203 of the Federal Land Policy and Management Act of October 21, 1976 (FLPMA), as amended. The appraised fair market value for the Federal reversionary interest is \$558,000.00.

DATES: Comments regarding the proposed sale must be received by the BLM on or before July 28, 2014.

ADDRESSES: Send written comments concerning the proposed sale to the BLM, Las Vegas Field Manager, 4701 N. Torrey Pines Drive, Las Vegas, NV 89130.

FOR FURTHER INFORMATION CONTACT:

Dorothy Jean Dickey, Realty Specialist, at the above address or by telephone at 702–515–5119, or by email to ddickey@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The BLM will offer a direct sale for the Federal reversionary interest in the following described land in Las Vegas, Nevada.

Mount Diablo Meridian, Nevada

T. 20 S., R. 60 E.,

Sec. 29, NW¼NE¼NE¼NE.

The area described contains 2.5 acres.

On May 22, 1996, the BLM patented to the City of Las Vegas 320 acres under the authority of the Recreation and Public Purpose (R&PP) Act of June 14, 1926, as amended, 43 U.S.C. 869 et. seq., for use as a public park. A portion of the park was not constructed. The Chabad Hebrew Center (a non-profit association) requested permission from BLM to use 5 acres of the 320 acres for a synagogue with classrooms. A Notice of Realty Action was published on January 24, 2005 in the **Federal Register**, Volume 70, No. 14, pages 3381 and 3382 to allow the City of Las Vegas to transfer 5 acres of its patented land to Chabad Hebrew Center for use as a synagogue, social hall, classrooms and administrative offices. The change of use will be from a public park to Chabad Hebrew Center. Because of the rising property values beginning in 2004, the Chabad Hebrew Center elected to use only 2.5 acres. On October 20, 2006, under the authority of the R&PP Act, the BLM issued a Partial Transfer of Patent and Change in Use document for 2.5 acres of patent 27–96–0031, to the

Chabad Hebrew Center for their use as a synagogue, social hall, classrooms, and offices (Certificate Number 27–43). The United States (U.S.) retained a reversionary interest in the parcel which could result in title reverting to the U.S. if the land is used for purposes not allowed under the R&PP Act or is transferred to another party without the BLMs approval. The Chabad Hebrew Center's original plans included construction of a synagogue, social hall, classrooms, and administrative offices on the parcel to serve the Jewish community. The Chabad Hebrew Center now plans to install a cellular tower in addition to other building, which will support the synagogue, classrooms, and the surrounding local community and businesses. The BLM received a request from the Chabad Hebrew Center to purchase the Federal reversionary interest so they can install the cellular tower. After purchase of the Federal reversionary interest, the Chabad Hebrew Center will be allowed to use the 2.5 acres for commercial development and to transfer the land to another party without the BLM's approval.

The Federal reversionary interest is difficult and uneconomic to manage, and meets the criteria for disposal set forth in 43 CFR 2710.0–3(a)(3). The parcel is within the boundaries of the City of Las Vegas and is in an urban setting. The parcel is not contiguous to any public lands administered by the BLM. The urban setting and the lack of other contiguous public lands makes the parcel impractical for the BLM to administer. Therefore, the BLM has determined that the best interest of the public will be served by a direct sale of the Federal reversionary interest to the Chabad Hebrew Center. The lands will be offered for sale using direct sale procedures pursuant to 43 CFR 2711.3–3.

The sale and release of the Federal reversionary interest is in conformance with the BLM Las Vegas Resource Management Plan (RMP) and the Record of Decision (ROD) approved October 5, 1998. Under Section 202 and Section 203 of FLPMA, October 21, 1976, as amended, gives the Secretary of the Interior authority to sell public land if the Secretary of the Interior determines that the sale of the parcel meets the criteria of being difficult and uneconomic to manage and is not suitable for management by another Federal agency. In this situation, the parcel of land is difficult and uneconomic to manage due to its location, is not required for any other Federal purpose, and is not suitable for

management by any other Federal Department or agency.

The reversionary interest will not be sold until at least August 11, 2014. Any conveyance document issued will only convey the reversionary interest retained by the U.S. in patent 27–96–0031 and will contain the following terms, conditions, and reservations:

1. A condition that the conveyance be subject to all valid existing rights of record.

2. A condition that the conveyance will be subject to all reservations, conditions and restrictions in patent 27–96–0031, except the Federal reversionary interest, which is being conveyed.

3. An appropriate indemnification clause protecting the U.S. from claims arising out of the patentee's use, occupancy, or operations on the patented lands.

4. Additional terms and conditions that the authorized officer deems appropriate. Detailed information concerning the proposed sale including the appraisal, planning and environmental document is available for review at the location identified in **ADDRESSES** above.

Public comments regarding the proposed sale may be submitted in writing to the BLM Las Vegas Field Office (see **ADDRESSES** above) on or before July 28, 2014. Any comments regarding the proposed sale will be reviewed by the BLM Nevada State Director or other authorized official of the Department of the Interior, who may sustain, vacate, or modify this realty action in whole or in part. In the absence of timely filed objections, this realty action will become final determination of the Department of the Interior.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Authority: 43 CFR 2711.1–2.

Vanessa L. Hice,

Assistant Field Manager, Las Vegas Field Office.

Final General Management Plan, and Final Environmental Impact Statement, Fort Matanzas National Monument, Florida

AGENCY: National Park Service, Interior.

ACTION: Notice of availability.

SUMMARY: Pursuant to Section 102(2)(C) of the National Environmental Policy Act of 1969, 42 U.S.C. 4332(2)(C), the National Park Service (NPS) announces the availability of a Final Environmental Impact Statement for the General Management Plan (Final EIS/GMP) for Fort Matanzas National Monument (National Monument), Florida. Consistent with NPS laws, regulations, and policies and the purpose of the National Monument, the Final EIS/GMP will guide the management of the National Monument over the next 20+ years.

DATES: The NPS will execute a Record of Decision no sooner than 30 days following publication by the Environmental Protection Agency's Notice of Availability of the Final EIS/GMP in the **Federal Register**.

ADDRESSES: Electronic copies of the Final EIS/GMP will be available online at <http://parkplanning.nps.gov/FOMA>. To request a copy, contact David Libman, National Park Service, 100 Alabama Street, 1924 Building, Atlanta, Georgia 30303; telephone (404) 507–5701. A limited number of compact disks and printed copies of the Final EIS/GMP will be made available at Fort Matanzas National Monument Headquarters, One South Castillo Drive, St. Augustine, FL 32084.

FOR FURTHER INFORMATION CONTACT: David Libman, National Park Service, 100 Alabama Street, 1924 Building, Atlanta, Georgia 30303; telephone (404) 507–5701.

SUPPLEMENTARY INFORMATION: The Final EIS/GMP responds to, and incorporates agency and public comments received on the Draft EIS, which was available for public review from June 22, 2012, through August 20, 2012. Two public meetings were held on July 23, 2012 and July 24, 2012, and a total of 1,857 comments were received. The NPS responses to substantive agency and public comments are provided in Chapter 5, Consultation and Coordination section, of the Final EIS/GMP.

The Final EIS/GMP evaluated three alternatives for managing use and development of the National Monument:

- Alternative A, the No Action alternative, represents the continuation of current management action and direction into the future.
- Alternative B, the NPS preferred alternative, centers around managing the National Monument in a manner consistent with its history as a small military outpost within a sometimes harsh, but beautiful and rich natural environment. There would be minimal development of new facilities and minimal expansion of existing facilities. There would be increased emphasis on the interpretation of the natural environment.

- Alternative C combines the history of the Rattlesnake Island fortified outpost with its establishment as a National Monument and the further development and evolution of the park to its present day configuration. A portion of the north end of Anastasia Island would be preserved as an exhibit that commemorates the efforts of the New Deal agencies and local citizens would create a permanent monument to the Spanish history of the site. The central and southern ends of Anastasia Island, and the east side of Highway A1A would continue to be managed to protect and conserve the natural resources of the zone.

The responsible official for this Final EIS/GMP is the Regional Director, NPS Southeast Region, 100 Alabama Street SW., 1924 Building, Atlanta, Georgia 30303.

Dated: May 7, 2014.

Sherri L. Fields,

Acting Regional Director, Southeast Region.
