

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION**[Notice: (14-048)]****Notice of Information Collection**

AGENCY: National Aeronautics and Space Administration (NASA).
ACTION: Notice of information collection.

SUMMARY: The National Aeronautics and Space Administration, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. 3506(c)(2)(A)).

DATES: All comments should be submitted within 30 calendar days from the date of this publication.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 17th Street NW., Washington, DC 20503. Attention: Desk Officer for NASA.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Frances Teel, NASA PRA Clearance Officer, NASA Headquarters, 300 E Street SW., Mail Code JF000, Washington, DC 20546, Frances.C.Teel@nasa.gov.

SUPPLEMENTARY INFORMATION:**I. Abstract**

Information collection is for reports, other than financial, property, or patent, data or copyrights reports (which are covered under separate ICRs) which are required for effective management and administration of contracts with an estimated value of more than \$500,000, in support of NASA's mission.

II. Method of Collection

NASA collects this information electronically where feasible, but information may also be collected by mail or fax.

III. Data

Title: NASA—Reports required for contracts with an estimated value of more than \$500,000.

OMB Number: 2700-0089.

Type of Review: Extension of a currently approved collection.

Affected Public: Business or other for-profit; Not-for-profit institutions; and State, Local or Tribal Government.

Estimated Number of Respondents: 501.

Estimated Annual Responses: 1002.

Estimated Time per Response: 7 hours.

Estimated Total Annual Burden Hours: 7014.

Estimated Total Annual Cost: \$273,546.00.

IV. Request for Comments

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility; (2) the accuracy of NASA's estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology.

Frances Teel,

NASA PRA Clearance Officer.

SUPPLEMENTARY INFORMATION:**I. Abstract**

Contractors performing research and development are required by statutes, NASA implementing regulations, and OMB policy to submit reports of inventions, patents, data, and copyrights, including the utilization and disposition of same. The NASA New Technology Summary Report reporting form is being used for this purpose.

II. Method of Collection

NASA FAR Supplement clauses for patent rights and new technology encourage the contractor to use an electronic form and provide a hyperlink to the electronic New Technology Reporting Web (eNTRe) site <http://invention.nasa.gov>. This Web site has been set up to help NASA employees and parties under NASA funding agreements (i.e., contracts, grants, cooperative agreements, and subcontracts) to report new technology information directly, via a secure Internet connection, to NASA.

III. Data

Title: NFS 1827—Patents, Data, and Copyrights.

OMB Number: 2700-0052.

Type of Review: Extension of a currently approved collection.

Affected Public: Businesses or other for-profit institutions.

Estimated Number of Respondents: 2,228.

Estimated Time per Response: 3 hours average.

Estimated Total Annual Burden Hours: 6,308.

Estimated Total Annual Cost: \$304,992.00.

IV. Request for Comments

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility; (2) the accuracy of NASA's estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection. They will also become a matter of public record.

SUPPLEMENTARY INFORMATION:

I. Abstract

This information collection helps to ensure that engineering changes to contracts are made quickly and at a fair and reasonable price. Proposals supporting such change orders contain detailed cost and engineering information. This information collection was formerly titled *Contract Modifications, NASA FAR Supplement Part 18-43*.

II. Method of Collection

NASA does not prescribe a format for submission, though most contractors have cost collection systems which are used for proposal preparation. NASA encourages the use of computer technology for preparing proposals and submission.

III. Data

SUPPLEMENTARY INFORMATION:

I. Abstract

The information submitted by recipients is an annual report of Government-owned in the possession of Educational or Nonprofit institutions holding NASA grants. In addition the annual report, a property report may also be required at the end of the grant, or on the occurrence of certain events. The collected information is used by NASA to effectively maintain an appropriate internal control system for equipment and property provided or acquired under grants and cooperative agreements with institutions of higher education and other nonprofit organizations, and to comply with statutory requirements. This information collection was previously titled *NASA Inventory Report: Property Management & Control, Grants*.

The title was changed to include applicability to nonprofit entities.

II. Method of Collection

NASA is participating in Federal efforts to extend the use of information technology to more Government processes via Internet.

III. Data

Title: Property Inventory Report—Grants with Educational and Nonprofit Entities.

OMB Number: 2700-0047.

Type of review: Reinstatement with Change/Previously Approved Information Collection.
