The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104–13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes a revision of an OMB-approved information collection.

SSA is soliciting comments on the accuracy of the agency’s burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers. Electronic Records Express—20 CFR 404.1512 and 416.912—0960–0753

Electronic Records Express (ERE) is a web-based SSA program that allows medical and educational providers to electronically submit disability claimant data to SSA. Both medical providers and other third parties with connections to disability applicants or recipients (e.g., teachers and school administrators for child disability applicants) use this system once they complete the registration process. SSA employees and State agency employees request the medical and educational records collected through the ERE Web site. The agency uses the information collected through ERE to make a determination on an Application for Benefits. We also use the ERE Web site to order and receive consultative examinations when we are unable to collect enough medical records to determine disability findings. The respondents are medical providers who evaluate or treat disability claimants or recipients, and other third parties with connections to disability applicants or recipients (ex: Teachers and school administrators for child disability applicants), who voluntarily choose to use ERE for submitting information.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
ERE	4,508,968	1	10	751,495

Dated: June 18, 2014.

Faye Lipsky,

Reports Clearance Director, Social Security Administration.
