

Cir. 2012) (“*Amkor Technology*”). On October 5, 2012, Carsem filed a combined petition for panel rehearing and for rehearing en banc. The Court denied Carsem’s petition on December 7, 2012, and issued its mandate on December 19, 2012, returning jurisdiction to the Commission.

On January 14, 2013, the Commission issued an Order (“Commission’s Order”) ordering the parties to the investigation to submit their comments regarding what further proceedings must be conducted to comply with the August 22, 2012, judgment of the U.S. Court of Appeals for the Federal Circuit (“the Court”) in *Amkor Technology*.

On June 5, 2013, the Commission issued a Notice (“Commission’s Notice”) requesting briefing on remedy, bonding and the public interest in the above-captioned investigation, as well as providing responses to certain questions posed by the Commission regarding the economic prong of the domestic industry requirement and the public interest. 78 FR 35051 (June 11, 2013).

On April 4, 2014, the Commission determined that there is a violation of Section 337 in the unlawful importation, sale for importation, and sale after importation by Respondents Carsem of certain encapsulated integrated circuit devices covered by one or more of claims 2–4 and 21–23 of the ’277 patent. The Commission determined that the appropriate form of relief was a limited exclusion order prohibiting the unlicensed entry of covered encapsulated integrated circuit devices manufactured abroad by or on behalf of, or imported by or on behalf of, Respondents or any of their affiliated companies, parents, subsidiaries, or other related business entities, or their successors or assigns.

On May 23, 2014, both private parties jointly petitioned that the limited exclusion order issued by the Commission in the above-captioned proceeding on April 4, 2014, be rescinded pursuant to 19 U.S.C. 1337(k) and 19 CFR 210.76(a). The petitioners submit that rescission is warranted on the basis of changed conditions of fact or law stemming from a settlement between Amkor and Carsem, which provides that all articles currently covered by the Commission’s remedial order are now licensed. On May 29, 2014, the Commission investigative attorney filed his response in support of the petition.

The Commission has granted the petition. The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C.

§ 1337), and Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: June 19, 2014.

Lisa R. Barton,

Secretary to the Commission.
