BILLING CODE 4710-07-P

DEPARTMENT OF STATE

[Public Notice 8779]

Bureau of Political-Military Affairs, Directorate of Defense Trade Controls: Notifications to the Congress of Proposed Commercial Export Licenses

AGENCY: Department of State.

ACTION: Notice.

SUMMARY: Notice is hereby given that the Department of State has forwarded the attached Notifications of Proposed Export Licenses to the Congress on the dates indicated on the attachments pursuant to sections 36(c) and 36(d), and in compliance with section 36(f), of the Arms Export Control Act.

DATES: *Effective Date:* As shown on each of the 45 letters.

FOR FURTHER INFORMATION CONTACT: Ms. Lisa V. Aguirre, Directorate of Defense Trade Controls, Department of State, telephone (202) 663-2830; email DDTCResponseTeam@state.gov. ATTN: Congressional Notification of Licenses.

SUPPLEMENTARY INFORMATION: Section 36(f) of the Arms Export Control Act (22 U.S.C. 2778) mandates that notifications to the Congress pursuant to sections 36(c) and 36(d) must be published in the **Federal Register** when they are transmitted to Congress or as soon thereafter as practicable.

Following are such notifications to the Congress:

September 27, 2013 (Transmittal No. DDTC 13-078)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a

proposed license for the export of defense articles, including technical data, and defense services for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to HS Wroclaw Sp.Zo.O and Wytownia Sprzetu Komunikacyjnego Pzl-Rzeszow S.A. of Poland for the design, development, manufacture, production, repair and refurbishment of machined products used in military engines, aircraft, and helicopters.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Thomas B. Gibbons

Acting Assistant Secretary, Legislative Affairs

September 16, 2013 (Transmittal No. DDTC 13-089)

Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Sections 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification authorizes BAE Systems to export defense articles, including technical data, and defense services to Agusta Westland, Ltd. and Agusta Westland S.p.A Italy, which are required to support seating systems, restraint systems, cockpit airbag systems, floor armor and associated components provided by BAE Systems to various end users.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Thomas B. Gibbons

Acting Assistant Secretary, Legislative Affairs

September 27, 2013 (Transmittal No. DDTC 13-100)

Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) and 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the manufacture of

significant military equipment abroad and the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Japan to support the manufacture, integration, installation, operation, training, testing, maintenance, and repair of nose cones, third stage rocket motors, staging assemblies, second stage rocket motors, and steering control systems/control surface assemblies for the Standard Missile 3-Block IIA Missile for the AEGIS Ballistic Missile Defense System. The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Thomas B. Gibbons

Acting Assistant Secretary, Legislative Affairs

September 27, 2013 (Transmittal No. DDTC 13-101)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles, including technical data, and defense services for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to the United Kingdom and Saudi Arabia to support the manufacture, installation, integration, training, testing, repair, and maintenance of the ARC-210, 629F-11A VHF/UHF communication system to be integrated into Hawker Aircraft in the United Kingdom for the retransfer to and end-use by the Royal Saudi Air Force.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Thomas B. Gibbons

Acting Assistant Secretary, Legislative Affairs

September 27, 2013 (Transmittal No. DDTC 13-112)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am

transmitting, herewith, certification of a proposed license amendment for the export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Austria, France and Malaysia to support the ongoing design, development, engineering, delivery assembly, installation, integration, inspection, testing, evaluation, training, maintenance, and repair of the Malaysian Air Defense Ground Environment (MADGE) including Sentry-based Sector and Air Defense Operations Centers.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Thomas B. Gibbons

Acting Assistant Secretary, Legislative Affairs

September 27, 2013 (Transmittal No. DDTC 13-130)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles, including technical data, and defense services in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Chile of safe/semi/auto carbines 5.56x45mm NATO and accessories to the Chilean Police Force.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Thomas B. Gibbons

Acting Assistant Secretary, Legislative Affairs

November 15, 2013 (Transmittal No. DDTC 13-133)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles, including technical data, and

defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Canada for repair, overhaul, conversion, maintenance, assembly, testing, and servicing of TF40B and ETF40 gas turbine engines.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Thomas B. Gibbons

Acting Assistant Secretary, Legislative Affairs

September 27, 2013 (Transmittal No. DDTC 13-142)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 40(g)(2) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles, including technical data, and defense services, 15-days prior to permitting the export, that is necessary for and within the scope of the Presidential waiver to permit the provision of certain defense articles and services to various Syrian opposition forces, organizations implementing Department of State or U.S. Agency for International Development programs and international organizations for their eventual use in Syria.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Turkey, Jordan and Syria to support the Chemical and Biological Hazard Preparedness Program.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Thomas B. Gibbons

Acting Assistant Secretary, Legislative Affairs

November 19, 2013 (transmittal No. DDTC 13-146)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of firearm parts and components controlled under Category I of the United States Munitions List in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of various pistols to the Federal Gun Exchange in The Philippines for commercial resale in the Philippines.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Julia Frifield

Acting Assistant Secretary, Legislative Affairs

September 27, 2013 (Transmittal No. DDTC 13-147)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 40(g)(2) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles 15-days prior to permitting the export, which is necessary for and within the scope of the Presidential waiver to permit the provision of certain defense articles and services to various Syrian opposition forces, organizations implementing Department of State or U.S. Agency for International Development programs, and international organizations for their eventual use in Syria.

The transaction contained in the attached certification involves the export of defense articles to Syria for self-protection of employees of the International Committee of the Red Cross.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Thomas B. Gibbons

Acting Assistant Secretary, Legislative Affairs

November 19, 2013 (Transmittal No. DDTC 13-177)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 40(g)(2) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles 15 days prior to permitting the export, which is necessary for and within the scope of the Presidential waiver to permit the provision of certain defense articles and services to various Syrian opposition forces, organizations implementing Department of State or U.S. Agency for International

Development programs, and international organizations for their eventual use in Syria.

The transaction contained in the attached certification involves the export of defense articles to Syria for self-protection for personnel from the Organization for the Prohibition of Chemical Weapons.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield

Assistant Secretary, Legislative Affairs

October 7, 2013 (Transmittal No. DDTC 13–152)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 40(g)(2) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles 15-days prior to permitting the export, which is necessary for and within the scope of the Presidential waiver to permit the provision of certain defense articles and services to various Syrian opposition forces, organizations implementing Department of State or U.S. Agency for International Development programs, and international organizations for their eventual use in Syria.

The transaction contained in the attached certification involves the export of defense articles to Syria for self-protection for personnel from the Organization for the Prohibition of Chemical Weapons.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

November 13, 2013 (Transmittal No. DDTC 13-144)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Japan to support the design, manufacture, maintenance, and repair of military flight simulation and training devices.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield

Assistant Secretary, Legislative Affairs

November 8, 2013 (Transmittal No. DDTC 13-153)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license for the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Canada and Germany to support the manufacture of aircraft parts and components for the F110, F101, F118, F404, F414, T700, TF34, and TF39 aircraft engines.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Julia Frifield

Assistant Secretary, Legislative Affairs

December 31, 2013 (Transmittal No. DDTC 13-158)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) and 36 (d) of the Arms Export Control Act, I am transmitting, herewith, certification for the manufacture of significant military equipment abroad and the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification authorizes the export of defense articles, including technical data, and defense services to support the manufacture of engine parts for the F110-GE-100/100C/129 aircraft engines for end use by the Turkish Air Force.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Julia Frifield

Assistant Secretary, Legislative Affairs

December 30, 2013 (Transmittal No. DDTC 13-166)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Sections 36(c) and (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license amendment for the manufacture of significant military equipment abroad and the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Japan to support the

manufacture, integration, installation, of the Japanese Patriot PAC-3 missile program.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Julia Frifield

Assistant Secretary, Legislative Affairs

December 12, 2013 (Transmittal No. DDTC 13-174)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of firearm parts and components controlled under Category I of the United States Munitions List in amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of Cal .9mm, Cal .45 ACP, Cal .40 S&W, Cal .380 ACP, Cal .25 ACP and Cal .22LR semi-automatic pistols to the Philippines for commercial resale.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Julia Frifield

Assistant Secretary, Legislative Affairs

December 17, 2013 (Transmittal No. DDTC 13-138)

The Honorable John A. Boehner, Speaker of the House of Representatives.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Julia Frifield

Assistant Secretary, Legislative Affairs

January 24, 2014 (Transmittal No. DDTC 13-183)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license amendment for the export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to the United Kingdom, Italy, Spain, and Saudi Arabia to support the integration, installation, operation, training, testing, maintenance, and repair of the Paveway II and IIIs, Enhanced Paveway II and IIIs, and Paveway IV Weapons Systems for the Royal Saudi Air Force.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Julia Frifield

Assistant Secretary, Legislative Affairs

January 22, 2014 (Transmittal No. DDTC13-155)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification authorizes the export of defense articles, including technical data, and defense services to support the delivery, operation, and maintenance of Sikorsky S-70B model helicopters for the Government of Singapore.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Julia Frifield

Assistant Secretary, Legislative Affairs

Lisa Aguirre,

Chief of Staff, Bureau of Political-Military Affairs, U.S. Department of State.
