#### Disclosure

We will disclose the calculations performed within five days of the date of publication of this notice to parties in this proceeding in accordance with 19 CFR 351.224(b).

#### Assessment Rate

Pursuant to section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.212(b)(1), the Department has determined, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise and deposits of estimated duties, where applicable, in accordance with the final results of this review. The Department intends to issue appropriate assessment instructions directly to CBP 41 days after publication of the final results of this administrative review pursuant to 19 CFR 356.8(a).

For Golden Dragon and Nacobre, the Department will calculate importer-specific assessment rates equal to the ratio of the total amount of dumping calculated for the importer's examined sales and the total entered value of those sales. Where an importer-specific assessment rate is zero or *de minimis* (*i.e.*, less than 0.5 percent), the Department will instruct CBP to liquidate these entries without regard to

antidumping duties pursuant to 19 CFR 351.106(c)(2).

#### Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of these final results for all shipments of seamless refined copper pipe and tube from Mexico entered, or withdrawn from warehouse, for consumption on or after the publication date as provided by section 751(a)(2) of the Act: (1) The cash deposit rates for Golden Dragon and Nacobre will be equal to the weighted-average dumping margins established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a completed prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment for the manufacturer of the merchandise; (4) the cash deposit rate for all other manufacturers or exporters will continue to be 26.03 percent, the all-others rate established in the *Amended Final and Order*. These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of doubled antidumping duties.

#### Administrative Protective Order

In accordance with 19 CFR 351.305(a)(3), this notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under the APO, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the

regulations and terms of an APO is a violation subject to sanction.

#### Notification to Interested Parties

#### SUPPLEMENTARY INFORMATION:

##### Background

On February 3, 2014, the Department published in the **Federal Register** a notice of “Opportunity to Request Administrative Review” of the antidumping duty order on mushrooms from India for the POR.<sup>1</sup>

On February 28, 2014, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), the Department received timely requests from Monterey Mushrooms Inc. (the petitioner), and Sunny Dell Foods Inc. (Sunny Dell), a domestic interested party, to conduct an administrative review of the sales of Agro Dutch Industries Limited (Agro Dutch), Himalya International Ltd. (Himalya), Hindustan Lever Ltd. (formerly Ponds India, Ltd.) (Hindustan), Transchem Ltd. (Transchem), and Weikfield Foods Pvt. Ltd (Weikfield).

On April 1, 2014, the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on mushrooms from India with respect to the above-named companies.<sup>2</sup>

On April 17, 2014, we received a no shipment claim for the POR from Weikfield.<sup>3</sup>

On May 21, 2014, Sunny Dell timely withdrew its request for a review of all five companies named above.<sup>4</sup> On June 3, 2014, the petitioner timely withdrew its request for a review of Agro Dutch, Hindustan, Transchem and Weikfield.<sup>5</sup>

##### Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of notice

of initiation of the requested review. The petitioner’s and Sunny Dell’s withdrawal requests were filed before the 90-day deadline. Therefore, in response to the withdrawals of request for review of Agro Dutch, Hindustan, Transchem and Weikfield, and pursuant to 19 CFR 351.213(d)(1), we are rescinding this review with regard to these companies. However, because the petitioner did not withdraw its request for review of Himalya, the instant review will continue with respect to this company.

##### Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of this notice in the **Federal Register**.

##### Notification to Importers

This notice serves as the only reminder to importers of their responsibility, under 19 CFR 351.402(f)(2), to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement may result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

##### Notification Regarding Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is published in accordance with section 751 of the Act and 19 CFR 351.213(d)(4).

Dated: June 24, 2014.
