### Public Housing Assessment System (PHAS) Capital Fund Interim Scoring Notice: Reinstitution of Five Points for Occupancy Sub-Indicator and Request for Comment

**AGENCY:** Office of the Assistant Secretary for Public and Indian Housing, HUD.

**ACTION:** Notice.

**SUMMARY:** This notice makes final a prior notice reinstating, temporarily, the award of 5 points for the occupancy sub-indicator of the Capital Fund Program Indicator to all PHAs for the PHAS Capital Fund Program Indicator. This award of points is provided as regulatory relief from a non-statutory element of PHAS and intended to help lessen the impact of decreases in funding in recent appropriations acts. Adding automatic points for the occupancy sub-indicator will allow PHAs to focus on the statutory criteria for assessing performance under the Capital Fund Indicator, which is timely obligation of the Capital Funds and will in no way limit HUD's oversight and monitoring of PHAs. This notice, in order to ensure there is no confusion on this point, is explicit about the fact that the remainder of the Capital Fund Scoring Notice of February 23, 2011 remains in effect and unchanged by this notice, and if the PHA receives 0 points for the timeliness of obligation subindicator, it is not eligible for points for the occupancy subindicator.

**DATES:** *Effective Date:* July 2, 2014.

*Applicability Dates:* This notice applies to PHAs with fiscal years ending March 31, 2014, June 30, 2014, September 30, 2014, December 31, 2014, March 31, 2015, June 30, 2015, September 30, 2015, and December 31, 2015.

**SUPPLEMENTARY INFORMATION:**

## I. Background

On December 16, 2013, HUD published a notice proposing for public comment its intent to reinstitute, temporarily, the award of 5 points for the occupancy sub-indicator of the Capital Fund Program Indicator to all PHAs for the PHAS Capital Fund Program Indicator (78 FR 76160). This final notice follows that proposed notice.

## II. The Public Comments

The public comment period ended on January 15, 2014. By the end of the public comment period, HUD received 12 public submissions on a variety of issues. While all commenters except for one agreed with the result of the notice, only one stated unqualified agreement; the other supportive commenters raised issues notwithstanding their overall agreement. A summary of the significant issues raised and HUD's response follows.

*Issue:* Six commenters agreed with the notice but stated that the change should be implemented permanently. Some of these commenters stated that, absent this relief, the 40 percent reduction in capital funding over the years combined with the elevated standards imposed by UPCS, would increase the number of troubled PHAs due to uncontrollable circumstances. A commenter stated that given the current financial climate, especially in rural areas, the award of five points will make a definite difference. Another commenter stated that it is important to keep up with the area private housing market and maintain the good will of residents.

*Response:* HUD has determined at this time to not make this a permanent change in the scoring. The purpose of awarding PHAs the full five points for the Capital Fund occupancy sub-indicator automatically for a two year period allows PHAs to focus on the statutory criteria of assessing performance under the Capital Fund Indicator which is the timely obligation of Capital Funds. HUD is providing this relief to help lessen the impact of some of the automatic across-the-board funding cuts on PHAs. Even in times of difficult funding, however, HUD believes PHAs must maximize occupancy to the extent possible.

*Issue:* Three commenters agreed with the notice but requested that the fiscal years covered by the notice be increased. One commenter stated that the notice should be retroactive to the previous fiscal year. One commenter stated that the notice should include at least fiscal years ending December 31, 2013, and possibly September 30, 2013,
