

the Assistant Secretary for Health, on issues and topics pertaining to or associated with the protection of human research subjects.

The meeting will open to the public at 8:30 a.m., on Monday, July 21. Following opening remarks from Dr. Jerry Menikoff, Executive Secretary, SACHRP and OHRP Director, and Dr. Jeffrey Botkin, SACHRP Chair, the Subpart A Subcommittee (SAS) will give their initial report on the new SAS initiative examining informed consent. A panel of speakers will discuss comprehension and tools for validating comprehension in informed consent. SAS is charged with developing recommendations for consideration by SACHRP regarding the application of subpart A of 45 CFR part 46 in the current research environment; this subcommittee was established by SACHRP in October 2006.

On the afternoon of July 21, the Subcommittee on Harmonization (SOH) will present their initial work on the topic of the intersection of the HHS and FDA regulations and “big data”; this presentation will be highlighted by a special expert panel discussion. The morning of July 22, the SOH will present their work to date on the topic of return of general results, also assisted by a special expert panel discussion. SOH was established by SACHRP at its July 2009 meeting and is charged with identifying and prioritizing areas in which regulations and/or guidelines for human subjects research adopted by various agencies or offices within HHS would benefit from harmonization, consistency, clarity, simplification, and/or coordination.

A public comment session will be offered on both days.

Public attendance at the meeting is limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the SACHRP at the address/phone listed above at least one week prior to the meeting. Pre-registration is required for participation in the on-site public comment session; individuals may pre-register the day of the meeting or by contacting the Executive Director, SACHRP, by COB July 17. Individuals who would like to submit written statements should email or fax their comments to SACHRP at least five business days prior to the meeting.

The August 20, 2014 web-based meeting will be held to seek stakeholder input. Therefore, specific information regarding meeting participation will only be provided to registered participants. Each participant is requested to register for the meeting by sending an email to MBowyer@cdc.gov by 5:00 p.m. EDT, August 6, 2014 containing the: participant's name, organization name, email address, and telephone number. NIOSH will reply by email confirming registration and the details needed to participate in the web-based meeting.

Representatives from stakeholder groups that have registered and requested to speak during the web-based meeting will be allowed 10 minutes to present on the usefulness of the FFFIPP and the program products for improving fire fighter safety and health, and suggestions for enhancing the impact and future directions of the program.

An opportunity to make oral presentations will also be provided to other interested organizations or individuals, given available time on the agenda. The time allotted for these presentations will be 5 minutes. Requests to make such presentations should be made by email to MBowyer@cdc.gov by 5:00 p.m. EDT, August 6, 2014.
