AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on April 14, 2014, vol. 79, no. 71, pages 20962–20963. This information collection is used to allocate slots and maintain accurate records of slot transfers at Ronald Reagan Washington National Airport (DCA), the only High Density Traffic Airport. The information is provided by air carriers, commuter operators, or other persons holding a slot at DCA or by persons conducting an Other (unscheduled) operation at DCA. This notice serves as a correction to the notice for public comments published on June 27, 2014, vol. 79, number 124, page 36574. This notice clarifies details of the collection activity and revises hourly burden figures.

DATES: Written comments should be submitted by August 7, 2014.
