This information collection is used to allocate slots and maintain accurate records of slot transfers at Ronald Reagan Washington National Airport (DCA), the only High Density Traffic Airport. The information is provided by air carriers, commuter operators, or other persons holding a slot at DCA or by persons conducting an Other (unscheduled) operation at DCA. This notice serves as a correction to the notice for public comments published on June 27, 2014, vol. 79, number 124, page 36574. This notice clarifies details of the collection activity and revises hourly burden figures.

Public Notice for Waiver of Aeronautical Land-Use Assurance

AGENCY: Federal Aviation Administration (FAA), DOT.
ACTION: Notice of intent of waiver with respect to land; Cleveland Hopkins International, Cleveland, Ohio.

SUMMARY: The FAA is considering a proposal to change approximately 0.29 acres of airport land from aeronautical use to non-aeronautical use and to authorize the sale of airport property located at Cleveland Hopkins International, Cleveland, Ohio. The aforementioned land is not needed for aeronautical use.

The property is located at the Cleveland Business Park (Phase-11) near the intersections of Cleveland Business Park Drive West, Springdale Avenue, and West 192th Street. Property is located northeast of the airport and outside the airport fence line. The 3

parcels totaling 0.29 acres were not included in a previous land release of approximately 48.38 acres, which was formalized in 2000 because they were not owned by the City of Cleveland. Subsequently the City of Cleveland acquired the 3 parcels. The parcels are not being used by the airport. The property will be sold for the development of the Cleveland Business Park.

DATES: Comments must be received on or before August 7, 2014.

The property was originally acquired by the City of Cleveland for potential airport development. The Federal Aviation Administration participated in the acquisition of this property under FAA project Numbers AIP 3-39-0023-29 and AIP 3-39-0023-31. The U.S. Government did not convey the property or transfer under surplus property. The sponsor is now proposing to sell this property for Fair Market Value and utilize the proceeds to help improve the existing airport infrastructure and bring it up to FAA standards.
