

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501–3520), the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before September 12, 2014. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418–2918.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060–1070.

Title: Allocation and Service Rules for the 71–76 GHz, 81–86 GHz, and 92–95 GHz Bands.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities; not-for-profit institutions; and State, local, or Tribal Government.

Number of Respondents: 504 respondents; 3,000 responses.

Estimated Time per Response: 1.5 to 9 hours.

Frequency of Response: On occasion reporting requirement, recordkeeping requirement, and third-party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. 151, 154(i), 303(f) and (r), 309, 316, and 332 of the Communications Act of 1934, as amended.

Total Annual Burden: 9,000 hours.

Total Annual Cost: \$910,000.

Privacy Impact Assessment: N/A.

Nature and Extent of Confidentiality: There is no need for confidentiality. The Commission has not granted assurances of confidentiality to those parties submitting the information. In those cases where a respondent believes information requires confidentiality, the respondent can request confidential treatment and the Commission will afford such confidentiality for 20 days, after which the information will be available to the public.

Needs and Uses: The Commission is seeking an extension of this information collection in order to obtain the full three year approval from OMB. There are no program changes to the reporting, recordkeeping and/or third-party disclosure requirements but we are revising estimates based on experience and the possible addition of a fourth database manager. The recordkeeping, reporting, and third party disclosure requirements will be used by the Commission to verify licensee compliance with the Commission rules and regulations, and to ensure that licensees continue to fulfill their statutory responsibilities in accordance with the Communications Act of 1934. The Commission's rules promote the private sector development and use of 71–76 GHz, 81–86 GHz, and 92–95 GHz bands (70/80/90 GHz bands). Such information has been used in the past and will continue to be used to minimize interference, verify that applicants are legally and technically qualified to hold license, and to determine compliance with Commission rules.

Federal Communications Commission.

Sheryl D. Todd,

Deputy Secretary, Office of the Secretary, Office of Managing Director.
