DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

July 11, 2014.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by August 18, 2014 will be considered. Written comments should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), New Executive Office Building, 725-17th Street NW., Washington, DC 20503. Commenters are encouraged to submit their comments to OMB via email to: OIRA_Submission@omb.eop.gov or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Copies of the submission(s) may be obtained by calling (202) 720-8681.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs

potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

National Agricultural Statistics Service

Title: Conservation Effects Assessment Project.

OMB Control Number: 0535-0245.

Summary of Collection: General authority for these data collection activities is granted under U.S. Code Title 7, Section 2204(a). The National Agricultural Statistics Service (NASS) primary function is to prepare and issue official State and national estimates of crop and livestock production, disposition and prices. The goal of this information collection is to obtain land management information that will assist the Natural Resources Conservation Service in assessing environmental benefits associated with implementation and installation of associated conservation practices of various conservation programs such as the Environmental Quality Incentives Program, the Conservation Reserve Program, the Wetland Reserve Program, and other conservation programs.

Need and Use of the Information: The survey will utilize personal interviews to administer a questionnaire that is designed to obtain from farm operators field-specific data associated with selected National Resources Inventory sub-sample units in the contiguous 48 States. Data collected in this survey will be used in conjunction with previously collected data on soils, climate, and cropping history to model impacts of conservation practices on the larger environment. USDA needs updated scientifically credible data on residue and tillage management, nutrient management, and conservation practices in order to quantify and assess current impacts of farming practices and to document changes. The assessment will be used to report progress annually on Farm Bill implementation to Congress and the general public.

Description of Respondents: Farms.

Number of Respondents: 15,234.

Frequency of Responses: Reporting: Annually.

Total Burden Hours: 13,080.

National Oceanic and Atmospheric Administration

Proposed Information Collection; Comment Request; Pacific Islands Region Permit Family of Forms

AGENCY: National Oceanic and Atmospheric Administration (NOAA).

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before September 15, 2014.

ADDRESSES: Direct all written comments to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at Jjessup@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Walter Ikehara, (808) 725-5175, or Walter.Ikehara@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

This request is for extension of a current information collection.

Regulations at 50 CFR Part 665, Subpart F, require that a vessel must be registered to a valid federal fishing permit if it is used to fish with longline

gear for Pacific pelagic management unit species (PMUS), land or transship longline caught PMUS, or receive longline caught PMUS from a longline vessel, within the Exclusive Economic Zone (EEZ) of United States (U.S.) islands in the central and western Pacific, or to fish with troll and handline gear for PMUS within the EEZ around each of the Pacific Remote Island Areas (PRIA).

Regulations at 50 CFR parts 665, Subparts D and E, require that the owner of a vessel used to fish for, land, or transship bottomfish management unit species (BMUS) using a large vessel (50 ft or longer) around Guam, or using a vessel within the EEZ around each of the PRIA, must register it to a valid federal fishing permit they hold.

Regulations at 50 CFR Part 665, Subparts B, C, D and E, require that a vessel used to fish for precious corals within the EEZ of U.S. islands in the central and western Pacific, must be registered to a valid federal fishing permit for a specific precious coral permit area.

This collection of information is needed for permit issuance, to identify actual or potential participants in the fishery, determine qualifications for permits, and to help measure the impacts of management controls on the participants in the fishery. The permit program is also an effective tool in the enforcement of fishery regulations and facilitates communication between the National Marine Fisheries Service (NMFS) and fishermen.

II. Method of Collection

Documents may be submitted via mail, fax, email or via Web-based application (National Permit System).
