**Suspension of Antidumping Investigation: Certain Oil Country Tubular Goods From Ukraine**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* July 10, 2014.

**SUMMARY:** The Department of Commerce (“the Department”) has suspended the antidumping duty investigation on certain oil country tubular goods (“OCTG”) from Ukraine. The basis for this action is an agreement between the Department and Interpipe, the OCTG producer/exporter accounting for substantially all imports of OCTG from Ukraine, wherein Interpipe agrees to make any necessary price revisions to eliminate completely any amount by which the normal value (“NV”) of this merchandise exceeds the U.S. price of its merchandise subject to the agreement.

**SUPPLEMENTARY INFORMATION:****Background**

On July 22, 2013, the Department initiated an antidumping duty investigation under section 732 of the Tariff Act of 1930, as amended (“the Act”) to determine whether imports of OCTG from Ukraine are being, or are likely to be, sold in the United States at less than fair value (“LTFV”). See *Certain Oil Country Tubular Goods from India, the Republic of Korea, the Republic of the Philippines, Saudi Arabia, Taiwan, Thailand, the Republic of Turkey, Ukraine, and the Socialist Republic of Vietnam: Initiation of Antidumping Duty Investigations*, 78 FR 45505 (July 29, 2013). On August 16, 2013, the United States International Trade Commission (“ITC”) notified the Department of its affirmative preliminary injury determination in this case. See *Certain Oil Country Tubular Goods From India, Korea, The Philippines, Saudi Arabia, Taiwan, Thailand, Turkey, Ukraine, and Vietnam*, Inv. Nos. 701–TA–499–500 and 731–TA–1215–1223 (Preliminary) USITC Pub. No. 4422, 78 FR 52213 (August 22, 2013). On February 14, 2014, the Department preliminarily determined that OCTG is being, or is likely to be, sold in the United States at LTFV, as provided in section 733 of the Act. On this same date, the Department also preliminarily determined that there is not a reasonable basis to believe or suspect that critical circumstances exist with respect to OCTG from Ukraine and postponed the final determination in this investigation until no later than July 10, 2014. See *Certain Oil Country Tubular Goods From Ukraine: Preliminary Determination of Sales at Less Than Fair Value, Negative Preliminary Determination of Critical Circumstances, and Postponement of Final Determination*, 79 FR 10482 (February 25, 2014) (“*Preliminary Determination*”).

The Department and a representative of Interpipe initialed a proposed agreement suspending this investigation on June 10, 2014. On June 10, 2014, we invited interested parties to provide written comments on the proposed suspension agreement by no later than the close of business on June 17, 2014.

In response to our request for comments, we received comments from Interpipe and from petitioners in this proceeding (*i.e.*, Maverick Tube Corporation; United States Steel Corporation; Boomerang Tube LLC; EnergeX, division of JMC Steel Group; Northwest Pipe Company; Tejas Tubular Products, Inc.; TMK IPSCO; Welded Tube USA, Inc.; Wheatland Tube Company; and Vallourec Star L.P. (collectively, “petitioners”)) on June 17, 2014. We have taken these comments into consideration for the final version of the suspension agreement.

The Department and a representative of Interpipe signed the final suspension agreement on July 10, 2014. See *Agreement Suspending the Antidumping Duty Investigation on Certain Oil Country Tubular Goods from Ukraine*, signed on July 10, 2014 (“*Suspension Agreement*”), attached hereto in Annex I. Pursuant to section 734(g) of the Act, the investigation was continued based upon requests by Interpipe and petitioners. If the ITC's final injury determination is negative, the *Suspension Agreement* will have no force or effect and the investigation will be terminated, pursuant to section 734(f)(3)(A) of the Act.

**Scope of Investigation**

For a complete description of the scope of the *Suspension Agreement*, see *Suspension Agreement*, at Appendix A.

**Suspension of Investigation**

The Department consulted with the parties to the proceeding and, in accordance with section 734(b) of the Act, we have determined that the *Suspension Agreement* covers substantially all imports of the subject merchandise and will eliminate completely sales at LTFV of imported subject merchandise. Moreover, in accordance with section 734(d) of the Act, we find that the *Suspension Agreement* is in the public interest, and that the *Suspension Agreement* can be monitored effectively. See *Percentage of Exports Memorandum and Public Interest and Effective Monitoring Assessment Memorandum*, both dated July 10, 2014. We find, therefore, that the criteria for suspension of an investigation pursuant to sections 734(b) and (d) of the Act have been met. The terms and conditions of this *Suspension Agreement*, signed July 10, 2014, are set forth in Annex I to this notice.

Pursuant to section 734(f)(2)(A) of the Act, the suspension of liquidation of all entries of OCTG from Ukraine entered, or withdrawn from warehouse, for consumption, as directed in the *Preliminary Determination*, is hereby
