

U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American cultural items. The National Park Service is not responsible for the determinations in this notice.

History and Description of the Cultural Items

In or around the first decade of the 20th century, 60 cultural items were removed from the Columbia River in the vicinity of the town of Chelan, in Chelan County, WA. The catalog form for these items includes the notation, "Mr. Urban Fisher found these in an Indian Grave in the Upper Columbia River." Urban Fisher is found in the 1900 and 1910 Federal Censuses in the town of Chelan, in Chelan County, WA, ages 6 and 16, respectively. In the 1920 Federal Census, Urban Fisher is found in Kelso, in Cowlitz County, WA. At some point between when Mr. Fisher moved to Kelso and 1960, he gave or sold these items to Sanford Lord, a Kelso collector of Native objects. City Directories in our collection indicate Mr. Fisher and Mr. Lord worked together in the Kelso Post Office for over 30 years. On January 4, 1960, Sanford Lord donated the bulk of his collection of Native objects to the Cowlitz County Historical Museum. The 60 unassociated funerary objects consist of short necklace fragments: One containing 7 copper beads and 13 shell beads, one containing 5 copper bead fragments and 3 shell beads, and one containing 3 copper beads and 4 shell beads; and 25 loose copper beads of various sizes.

These items were taken from the Columbia River in the vicinity of Chelan, WA, which falls within the traditional lands of the Confederated Tribes of the Colville Reservation. The determination of the cultural affiliation of the unassociated funerary objects is based upon geographical, archeological, oral tradition, and historical evidences. The unassociated funerary objects described above are consistent with cultural items typically found in context with Native American burials in eastern Washington State and the upper Columbia River. Extensive museum documentation, the general geographic locations of the site, burial patterns, and consultation with the Confederated Tribes of the Colville Reservation verify that the cultural items were removed from the area that is within the aboriginal territory of the Chelan Indians, a constituent tribe of the Confederated Tribes of the Colville Reservation.

Determinations Made by the Cowlitz County Historical Museum

Officials of the Cowlitz County Historical Museum have determined that:

- Pursuant to 25 U.S.C. 3001(3)(B), the 60 cultural items described above are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony and are believed, by a preponderance of the evidence, to have been removed from a specific burial site of a Native American individual.

- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the unassociated funerary objects and the Confederated Tribes of the Colville Reservation.

Additional Requestors and Disposition

Lineal descendants or representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to claim these cultural items should submit a written request with information in support of the claim to Bill Watson, Collections Curator, Cowlitz County Historical Museum, 405 Allen Street, Kelso, WA 98626, telephone (360) 577-3119, email watsonb@co.cowlitz.wa.us, by August 27, 2014. After that date, if no additional claimants have come forward, transfer of control of the unassociated funerary objects described in this notice to the Confederated Tribes of the Colville Reservation may proceed.

The Cowlitz County Historical Museum is responsible for notifying the Confederated Tribes of the Colville Reservation that this notice has been published.

INTERNATIONAL TRADE COMMISSION

Agency Information Collection Activities: Proposed Collection; Comment Request; Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery

AGENCY: International Trade Commission.

ACTION: 30-Day notice of submission of information collection approval from the Office of Management and Budget and request for comments.

SUMMARY: As part of a Federal Government-wide effort to streamline the process to seek feedback from the public on service delivery, U.S. International Trade Commission has submitted a Generic Information Collection Request (Generic ICR): "Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery" to OMB for approval under the Paperwork Reduction Act (PRA) (44 U.S.C. 3501 et seq.).

DATES: Comments must be submitted August 25, 2014.

ADDRESSES: Written comments should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Room 10102 (Docket Library), Washington DC 20503, *Attention:* Docket Librarian. Copies of any comments should be provided to Bob Reiss, Acting Chief Information Officer, U.S. International Trade Commission, 500 E Street SW., Washington DC 20436, who is the Commission's designated Senior Official under the Paperwork Reduction Act. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Secretary at 202-205-2000. Hearing impaired individuals are advised that information on this matter can be obtained by contacting our TDD terminal (telephone no. 202-205-1810). Also, general information about the Commission can be obtained from its Internet server (<http://www.usitc.gov>).

FOR FURTHER INFORMATION CONTACT: To request additional information, please contact Jeremy Wise at 202-205-3190.

SUPPLEMENTARY INFORMATION:

Title: Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery.

Abstract: The information collection activity will garner qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with the Agency's commitment to improving service delivery. By qualitative feedback we mean information that provides useful insights on perceptions and opinions, but not statistical surveys that yield quantitative results that can be generalized to the population of study. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing and collaborative communications between the Agency and its customers and stakeholders. It will also allow feedback to contribute

directly to the improvement of program management.

Feedback collected under this generic clearance will provide useful information, but it will not yield data that can be generalized to the overall population. This type of generic clearance for qualitative information will not be used for quantitative information collections that are designed to yield reliably actionable results, such as monitoring trends over time or documenting program performance. Such data uses require more rigorous designs that address: the target population to which generalizations will be made, the sampling frame, the sample design (including stratification and clustering), the precision requirements or power calculations that justify the proposed sample size, the expected response rate, methods for assessing potential non-response bias, the protocols for data collection, and any testing procedures that were or will be undertaken prior to fielding the study. Depending on the degree of influence the results are likely to have, such collections may still be eligible for submission for other generic mechanisms that are designed to yield quantitative results.

The U.S. International Trade Commission received no comments in response to the 60-day notice published in the **Federal Register** of June 3, 2012 (79 FR 31981).

Below we provide the U.S. International Trade Commission's projected average estimates for the next three years:¹

Current Actions: New collection of information.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On July 22, 2014, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Northern District of Ohio in the lawsuit entitled *United States of America v. OSRAM SYLVANIA Inc. and Philips Electronics North America Corporation* 3:14-cv-1621.

The Complaint in this matter, filed simultaneously with the Consent Decree, alleges that OSRAM SYLVANIA Inc. ("OSRAM") and Philips Electronics North America Corporation ("Philips") are liable under Section 107(a)(3) of the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA") because they generated hazardous substances and arranged for the disposal of those substances at the Ottawa Lead Superfund Site ("Site") in the Village of Ottawa, Putnam County, Ohio. The Consent Decree would require OSRAM and Philips to pay \$450,000 and \$120,000, respectively, in past costs for the removal action that took place at the Site from October 4, 2010 to January 6, 2011.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Acting Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States of America v. OSRAM SYLVANIA Inc. and Philips Electronics North America Corporation*, D.J. Ref. No. 90-11-3-10705.

All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
