

information, entire file series of records, or similar non-specific requests.

(1) When the description of the information in the request is deficient, the component shall solicit as much additional identifying information as possible from the requester.

(2) If the information or material requested cannot be obtained with a reasonable amount of effort, the component shall provide the requester, through the DHS Disclosure Officer, with written notification of the reasons why no action will be taken and of the requester's right to appeal.

(c) Requests for review of information that has been subjected to a declassification review request within the preceding two years shall not be processed. The DHS Disclosure Officer will notify the requester of such denial.

(d) Mandatory Declassification Review provisions are not applicable to documents required to be submitted for prepublication review or other administrative process pursuant to an approved non-disclosure agreement.

(e) Requests for information exempted from search or review under sections 701, 702, or 703 of the National Security Act of 1947, as added and amended (50 U.S.C. 431–433), or other provisions of law, shall not be processed. The DHS Disclosure Officer will notify the requester of such denial.

(f) If documents or material being reviewed for declassification under this section contain information that has been originally classified by another government agency, the reviewing authority shall notify the DHS Disclosure Officer. Unless the association of that organization with the requested information is itself classified, the DHS Disclosure Officer will then notify the requester of the referral.

(g) A DHS component may refuse to confirm or deny the existence, or non-existence, of requested information when its existence or non-existence, is properly classified.

(h) DHS components shall make a final determination on the request as soon as practicable but within one year from receipt. When information cannot be declassified in its entirety, components shall make reasonable efforts to redact those portions that still meet the standards for classification and release those declassified portions of the requested information that constitute a coherent segment.

(i) DHS components shall notify the DHS Disclosure Officer of the determination made in the processing of a mandatory review request. Such notification shall include the number of pages declassified in full; the number of pages declassified in part; and the

number of pages where declassification was denied.

(j) The DHS Disclosure Officer shall maintain a record of all mandatory review actions for reporting in accordance with applicable Federal requirements.

(k) The mandatory declassification review system shall provide for administrative appeal in cases where the review results in the information remaining classified. The requester shall be notified of the results of the review and of the right to appeal the denial of declassification. To address such appeals, the DHS Disclosure Office shall convene a DHS Classification Appeals Panel (DHS/CAP). The DHS/CAP shall, at a minimum, consist of representatives from the Disclosure Office, the Office of the Chief Security Officer, the Office of General Counsel, and a representative from the component having jurisdiction over the information. Additional members may be added as determined by the DHS Disclosure Officer. The DHS/CAP shall be chaired by the DHS Disclosure Officer.

(l) If the requester files an appeal through the DHS/CAP, and the appeal is denied, the requester shall be notified of the right to appeal the denial to the ISCAP pursuant to section 5.3 of Executive Order 13526, and the rules issued by the ISCAP pursuant to section 5.3 of Executive Order 13526.

ACTION: Final rule.

SUMMARY: This document revises the delegations of authority from the Secretary of Agriculture and general officers of the Department of Agriculture (USDA) to reflect changes and additions to the delegations required by the Agricultural Act of 2014, Public Law 113–79. Other additions, deletions, and changes are made as summarized below.

DATES: Effective July 30, 2014.

FOR FURTHER INFORMATION CONTACT: Adam J. Hermann, Office of the General Counsel, USDA, 3311-South Bldg., 1400 Independence Avenue SW., Washington, DC 20250, (202) 720–9425, adam.hermann@ogc.usda.gov.

SUPPLEMENTARY INFORMATION: Agricultural Act of 2014

The Secretary of Agriculture (Secretary) previously delegated authorities under the Agricultural Act of 2014 (Act), Public Law 113–79, in Secretary's Memorandum (SM) 1076–005 (March 6, 2014), *available at <http://www.ocio.usda.gov/document/secretarys-memorandum-1076-005>*. This rule codifies those delegations and makes other changes to existing delegations required by the Act, as follows. Note that delegations of authority made by SM 1076–005 to conduct or prepare a one-time study, report, economic analysis, or similar activity remain in effect until such study, report, economic analysis, or similar activity is completed and, thus, are not reflected in this rulemaking.

Title I of the Act provides several authorities that do not fit within existing delegations. The following provisions of title I are being delegated to the Under Secretary for Farm and Foreign Agricultural Services (FFAS) in 7 CFR 2.16 and the Administrator of the Farm Service Agency (FSA) in 7 CFR

2.42, as follows: Sections 1401–1410 (margin protection program for dairy producers); section 1431 (dairy product donation program); and section 1612 (tracking of benefits).

Additionally, the delegations to the Under Secretary for FFAS at 7 CFR 2.16(a)(1)(xxv) and the Administrator, FSA at 7 CFR 2.42(a)(45) are revised to clarify that Commodity Credit Corporation programs covered by those delegations include those that support production agriculture and producer income support, or that provide disaster assistance or the domestic marketing of commodities.

The Under Secretary for FFAS is redelegating part of his delegated authority in 7 CFR 2.16(a)(3)(xxxix) to the Administrator, FSA to enter into cooperative agreements under section 1472(b) of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (7 U.S.C. 3318(b)) for the purpose of implementing section 1614(c)(3) of the Act. Section 1614(c)(3) provides funding for producer education, including the development of web-based decision aids and training.

Title II of the Act adds or revises several authorities that require new delegations of authority to the Under Secretary for Natural Resources and Environment (NRE) and the Chief, Natural Resources Conservation Service (NRCS), as follows: Section 2301 (new Agricultural Conservation Easement Program); section 2401 (new Regional Conservation Partnership Program); section 2507 (revised Terminal Lakes assistance program); and section 2609 (revised wetlands mitigation banking program). 7 CFR 2.20 is amended to reflect the delegation of these authorities to the Under Secretary for NRE, and 7 CFR 2.61 is amended to reflect the delegation of these authorities to the Chief, NRCS.

In addition, section 2503 of the Act provides new funding to carry out the Voluntary Public Access and Habitat Incentive Program under section 1240R of the Food Security Act of 1985 (16 U.S.C. 3839bb-5). This authority, previously delegated to the Under Secretary for FFAS and the Administrator, FSA, is transferred to the Under Secretary for NRE and the Chief, NRCS.

Section 2611 of the Act amends title XII of the Food Security Act of 1985 to add new authorities regarding highly erodible land and wetland conservation for crop insurance. While the Under Secretaries for FFAS and NRE, the Administrator, FSA, and the Chief, NRCS, have existing delegations of authority that cover this part of the Food Security Act of 1985, a new delegation

of authority is being added to 7 CFR 2.44 for the Administrator, Risk Management Agency (RMA) to carry out the functions pertaining to RMA.

Title IV of the Act provides several authorities related to nutrition that require new delegations of authority. The delegations at 7 CFR 2.19 are amended to reflect the delegation of these authorities to the Under Secretary for Food, Nutrition, and Consumer Services (FNCS), and the delegations at 7 CFR 2.57 are amended to reflect the redelegation of these authorities to the Administrator of the Food and Nutrition Service (FNS), as follows: section 4004(b) (demonstration project regarding the Food Distribution Program on Indian Reservations); section 4031 (Commonwealth of the Northern Mariana Islands pilot program regarding the Supplemental Nutrition Assistance Program (SNAP)); section 4032 (annual State reporting on verification of SNAP participation); section 4033 (service of traditional foods in public facilities); and section 4214 (pilot project for canned, frozen, or dried fruits and vegetables as part of the Fresh Fruit and Vegetable Program under the Richard B. Russell National School Lunch Act). Additionally, 7 CFR 2.19 is amended to reflect the delegation of authority to the Under Secretary for FNCS to establish a multiagency task force for the purpose of providing coordination and direction for commodity programs, as required by section 4205 of the Act, which amended the Department of Agriculture Reorganization Act of 1994.

Section 4204 of the Act amends the authority of the Secretary in section 301 of the National Nutrition Monitoring and Related Research Act of 1990 to publish the “Dietary Guidelines for Americans.” A new, specific delegation is added to the Under Secretary for FNCS and Administrator, FNS, to administer section 301.

Section 4206 of the Act amends the Department of Agriculture Reorganization Act of 1994 to authorize a new Healthy Food Financing Initiative. The delegations at 7 CFR 2.17 and 2.48 are amended to reflect that the Under Secretary for Rural Development (RD) and Administrator of the Rural Business-Cooperative Service (RBS) are delegated this authority.

Section 4208 of the Act establishes a food insecurity nutrition incentive grants program, and section 4209 authorizes a competitively awarded food and agriculture service learning grant program to increase knowledge of agriculture and improve the nutritional health of children. The delegations at 7 CFR 2.21 and 2.66 are amended to reflect that the Under Secretary for

Research, Education, and Economics (REE) and the Director of the National Institute of Food and Agriculture (NIFA) are delegated these authorities.

Section 4213 seeks to encourage awareness and interest in the number and variety of pulse crop products available to schoolchildren. Section 4213(c) directs the Secretary to purchase eligible pulse crops and pulse crop products for use in the school lunch and school breakfast programs. 7 CFR 2.22 and 2.79 are amended to reflect the delegation of this purchasing authority to the Under Secretary for Marketing and Regulatory Programs (MRP) and the Administrator of the Agricultural Marketing Service (AMS), respectively. Sections 4213(d) and (e), which provide a one-time evaluation and reporting requirement, were delegated to the Under Secretary for FNCS and the Administrator, FNS, by SM 1076–005 and are not reflected in this rulemaking.

Title VI of the Act, at section 6205, amends the Farm Security and Rural Investment Act of 2002 to authorize a rural energy savings program. Section 6210 provides funding for certain pending loan and grant applications. The delegations at 7 CFR 2.17 and 2.47 are amended to reflect the delegation of these authorities to the Under Secretary for RD and the Administrator of the Rural Utilities Service, respectively.

Section 6017 of the Act moves the authority for the Intermediary Relending Program from the Food Security Act of 1985 to the Consolidated Farm and Rural Development Act. Section 6209 provides authorities relating to the collection and reporting of program metrics. The delegations at 7 CFR 2.17 and 2.48 are amended to reflect the delegation of these authorities to the Under Secretary for RD and the Administrator, RBS, respectively.

Title VII of the Act provides several new authorities involving research, extension, and related matters. The delegations of authority at 7 CFR 2.21 are amended to reflect the delegation of these authorities to the Under Secretary for REE, and the delegations at 7 CFR 2.65 and 2.66 are amended to reflect the delegation of these authorities to the Administrator of the Agricultural Research Service (ARS) and the Director of NIFA, respectively, as follows: section 7104—a competitive grants program for the purpose of developing, implementing, and sustaining veterinary services (NIFA); section 7121—authority to enter into agreements with former USDA agricultural research facilities for the purpose of supporting ongoing research and information dissemination activities (ARS); section 7310—a forestry and forestry products research

and extension initiative (NIFA); and section 7603—authority for the National Agricultural Library to enter into cooperative agreements with institutions of higher education regarding the dissemination of agricultural and food law research, legal tools, and information (ARS). The Under Secretary for REE is also delegated the authority in section 7513(2) of the Act to submit an annual report to Congress describing agricultural research, extension, and education activities carried out by the Federal Government.

Additionally, the delegation of section 1672 of the Food, Agriculture, Conservation, and Trade Act of 1990 (7 U.S.C. 5925), as amended by the Act, to the Under Secretary for REE (7 CFR 2.21(a)(1)(lxxx)) is revised to clarify that the REE mission area is responsible for carrying out the pollinator authorities in section 1672(g) of that act, including the annual report, except for the honey bee surveillance authorities that are delegated to the Under Secretary for MRP (7 CFR 2.22(a)(2)(xli)). The delegation to the Director of NIFA (7 CFR 2.66(a)(42)) is revised to clarify that NIFA is responsible for carrying out the pollinator authorities in section 1672(g) of that act, except for the honey bee surveillance authorities that are delegated to the Administrator of the Animal and Plant Health Inspection Service (APHIS) (7 CFR 2.80(a)(47)) and the pollinator health research activities that are delegated to the Administrator of ARS (7 CFR 2.65(a)(113)).

Section 7106 directs that the authority of the Secretary to make competitive grants to, or enter into cooperative agreements with, agricultural and food policy research centers under section 1419A of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (7 U.S.C. 3155) is to be carried out through the Office of the Chief Economist. This authority was previously delegated to the Under Secretary for REE and the Director of NIFA. A new delegation of authority for this program is added to 7 CFR 2.29 for the Chief Economist.

Title VIII of the Act adds two authorities to the Healthy Forests Restoration Act of 2003 (HFRA) (16 U.S.C. 6501 *et seq.*)—authority to address insect and disease infestation on designated National Forest System (NFS) land (section 8204) and permanent authority for stewardship end result contracting projects (section 8205). A new, specific delegation is added to 7 CFR 2.20 (Under Secretary for NRE) and 2.60 (Chief, Forest Service) to administer the HFRA, including the authorities added by sections 8204 and

8205 of the Act. The new delegation excepts the Healthy Forests Reserve Program authorized under title V of HFRA, which is already delegated to the Under Secretary for NRE and the Chief, NRCS.

Section 8206 of the Act provides authority (known as the “Good Neighbor Authority”) for the Secretary to enter into contracts and cooperative agreements with a State to carry out forest, rangeland, and watershed restoration services on NFS lands. Similar Good Neighbor Authority is provided in section 331 of the Department of the Interior and Related Agencies Appropriations Act, 2001 (Pub. L. 106–291; 114 Stat. 996), as amended and extended through fiscal year 2018 by section 417 of the Department of the Interior, Environment, and Related Agencies Appropriations Act, 2014 (Pub. L. 113–76, div. G). The delegations at 7 CFR 2.20 and 2.60 are amended to reflect the delegation of this authority to the Under Secretary for NRE and Chief, Forest Service, respectively.

The following provisions of the Act are also delegated to the Under Secretary for NRE and Chief, Forest Service: Section 8302 (authorizes the Forest Service to utilize conservation-related program funds to establish an Agriculture Conservation Experience Services (ACES) Program to provide technical services for conservation-related programs and authorities carried out on NFS land); section 8304 (provides for State-to-State reimbursement of amounts expended for resources and services for wildfire management and suppression and authorizes the Secretary to retain any funds received as reimbursements for costs incurred by the Secretary for fire protection and to credit the amounts to the same appropriation from which the expenses were paid); and section 8305 (authorizes establishment of a large airtanker and aerial asset lease program).

Section 9002(a)(5) of the Act adds a new authority to the Secretary, acting through the Forest Products Laboratory of the Forest Service, to provide appropriate technical and other assistance with respect to determining eligibility of forest products for the “USDA Certified Biobased Product” labeling program. The delegations at 7 CFR 2.20 and 2.60 are amended to reflect the delegation of this authority to the Under Secretary for NRE and Chief, Forest Service, respectively.

Section 10016 of the Act adds new authorities regarding local food production and program evaluation. The delegations at 7 CFR 2.21 and 2.67 are

amended to reflect that the authority to coordinate implementation of section 10016 is delegated to the Under Secretary for REE and Administrator, Economic Research Service (ERS), respectively. Delegations are also added to 7 CFR 2.16 (Under Secretary for FFAS), 2.22 (Under Secretary for MRP), 2.44 (Administrator, RMA), 2.68 (Administrator, National Agricultural Statistics Service), and 2.79 (Administrator, AMS) to assist with implementing section 10016.

Section 11014(c) of the Act directs the Secretary to prepare a cropland acreage report and annual updates to the report. The delegations at 7 CFR 2.16 and 2.44 are amended to reflect the delegation of this responsibility to the Under Secretary for FFAS and Administrator, RMA, respectively.

Additionally, a new delegation of authority is added to 7 CFR 2.16 and 2.44 to clarify the authority of the Under Secretary for FFAS and Administrator, RMA, respectively, to administer the Federal Crop Insurance Act.

In title XII of the Act, section 12303 directs the Secretary to maintain, in the Office of the Secretary, an Office of Tribal Relations to advise the Secretary on policies related to Indian tribes and carry out such other functions as the Secretary considers appropriate. The Department already maintains an Office of Tribal Relations within the Office of the Secretary. To reflect this, a new section (§ 2.38) is added to identify the delegated functions and duties of the Director, Office of Tribal Relations, who reports to the Secretary. Some of those functions had been delegated to the Director, Office of Intergovernmental Affairs (§ 2.85(a)(5)), through the Assistant Secretary for Congressional Relations (§ 2.23(a)(2)(v)), and are now being transferred to the Director, Office of Tribal Relations. Additionally, 7 CFR 2.4 is amended to add the Director, Office of Tribal Relations to the list of general officers of the Department.

Section 12306 authorizes a new competitive grants program to support the efforts of States, tribal governments, and research institutions to promote the domestic maple syrup industry. This authority, which was delegated by SM 1076–005 to the Chief of the Forest Service, through the Under Secretary for NRE, is now being delegated to the Administrator of AMS, through the Under Secretary for MRP. The delegations at 7 CFR 2.22 and 2.79 are amended to reflect this.

Section 12309 directs the Secretary to provide technical assistance to U.S. Customs and Border Protection related to the identification of produce that is represented as grown in the United

States when it is not actually grown in the United States, as well as a report to Congress. The delegations at 7 CFR 2.22 and 2.80 are amended to reflect the delegation of these authorities to the Under Secretary for MRP and Administrator, APHIS, respectively.

The authority of the Secretary to administer section 12314 of the Act (Pima Agriculture Cotton Trust Fund) and section 12315 of the Act (Agriculture Wool Apparel Manufacturers Trust Fund), which was delegated by SM 1076–005 to the Administrator of FSA, through the Under Secretary for FFAS, is now being delegated through the Under Secretary to both the Administrator of FSA and the Administrator of the Foreign Agricultural Service.

Section 12316 of the Act provides continued funding for grants from the Wool Research, Development, and Promotion Trust Fund, which was established by section 506 of the Trade and Development Act of 2000 (7 U.S.C. 7101 note). The delegation of authority to provide grants from the Trust Fund was inadvertently omitted from 7 CFR part 2. The delegations at 7 CFR 2.22 and 2.79 are amended to reflect the delegation of this authority to the Under Secretary for MRP and the Administrator, AMS.

This rulemaking does not add a separate delegation for section 12101 of the Act to amend a rule issued by APHIS implementing a voluntary trichinae certification program. That regulation was issued under the authority of the Agricultural Marketing Act of 1946 and the Animal Health Protection Act, which are already delegated to the Administrator of APHIS. Accordingly, no new delegation is necessary to carry out the requirements of section 12101 of the Act.

Finally, this rulemaking makes a number of miscellaneous changes by removing delegations of statutory authorities that were repealed by the Act or delegations that are otherwise obsolete, and by revising existing delegations to reflect amendments made by the Act or to make other updates or corrections to descriptions and citations.

Other Delegations

This rulemaking also amends the delegations of authority to reflect the 2013 realignment of the Office of the Chief Financial Officer (OCFO) and the Office of Budget and Program Analysis (OBPA). See Secretary's Memorandum 1072-003 (July 11, 2013), available at <http://www.ocio.usda.gov/document/secretarys-memorandum-1072-003>. In

2013, OCFO, previously established within the Departmental Management organization, was transferred from the supervision of the Assistant Secretary for Administration (ASA) to the supervision of the Secretary. The delegations from the Secretary to the ASA in 7 CFR 2.24(a)(3), and the delegations from the ASA to the Chief Financial Officer in 7 CFR 2.90, are removed. The functions of the Chief Financial Officer are now reflected in a new 7 CFR 2.28. Also, as part of the 2013 realignment, OBPA, previously established within OCFO, was transferred from the supervision of the Chief Financial Officer to the supervision of the Secretary. The delegations from the Chief Financial Officer to the Director, OBPA in 7 CFR 2.501 are removed. The functions of the Director, OBPA are now reflected in a new 7 CFR 2.30.

This rulemaking also amends the delegations of authority to reflect the realignment of the Office of Small and Disadvantaged Business Utilization (OSDBU) to implement amendments made to section 15(k) of the Small Business Act (15 U.S.C. 644(k)) by the National Defense Authorization Act for Fiscal Year 2013, Pub. L. 112–239. See Secretary's Memorandum 1076-007 (April 8, 2014), available at <http://www.ocio.usda.gov/document/secretarys-memorandum-1076-007>. Previously, the ASA was the Department's Director of Small and Disadvantaged Business Utilization, who had management responsibility for OSDBU. OSDBU was headed by a Director under the supervision of the ASA. Pursuant to the Small Business Act amendments noted above, the delegations of authority are being revised to reflect that the Director, OSDBU is now the Department's Director of Small and Disadvantaged Business Utilization, who will report directly to the Secretary or Deputy Secretary. A new section (§ 2.37) is added to reflect the functions and duties of the Director, OSDBU. Additionally, 7 CFR 2.4 is amended to reflect the Director, OSDBU as a general officer of the Department. The delegations from the Secretary to the ASA in 7 CFR 2.24(a)(5) are amended to reflect that offices within the Departmental Management organization will continue to provide general administrative support to OSDBU. The delegations from the ASA to the Director, OSDBU in 7 CFR 2.92 are removed.

New delegations of authority are added from the Under Secretary for REE to the Director, NIFA in 7 CFR 2.66 and the Administrator, ERS in 7 CFR 2.67 to enter into agreements with and receive

funds from any State, other political subdivision, organization, or individual for the purpose of conducting cooperative research projects (7 U.S.C. 450a).

This rulemaking also amends the delegation of authority from the Under Secretary for RD to the Deputy Under Secretary for RD in 7 CFR 2.45, which gives the Deputy Under Secretary, during the absence or unavailability of the Under Secretary, the authority to perform all the duties and exercise all the powers delegated to the Under Secretary. The delegation is amended to establish the order in which a Deputy Under Secretary may exercise that delegation when the Rural Development mission area has more than one Deputy Under Secretary. The authority shall be exercised first by the Deputy Under Secretary for Policy and Planning, and second by the Deputy Under Secretary for Operations and Management.

This rulemaking also revises the delegation of authority to the Under Secretary for NRE in 7 CFR 2.20(a)(2)(viii) to reflect the current administrative review authorities in 36 CFR parts 214, 218, and 219. The delegations of authority to the Under Secretary for NRE in 7 CFR 2.20(a)(2)(xxxix) and Chief of the Forest Service in 7 CFR 2.60(a)(48) are revised to reflect recent changes to the "Service First" program authority (43 U.S.C. 1703).

Additionally, the delegations of authority from the Secretary to the Assistant Secretary for Civil Rights in 7 CFR 2.25 are amended to reflect that the General Counsel has authority for legal sufficiency review of, and concurrence on, settlement offers and draft settlement agreements in Equal Employment Opportunity (EEO) matters that meet certain criteria. The delegations to the General Counsel in 7 CFR 2.31 are amended to reflect that authority and to specify those criteria.

The rule also amends the delegations of authority to the Assistant Secretary for Administration in 7 CFR 2.24 and the Director, Office of Human Resources Management in 7 CFR 2.91 to remove Alternative Dispute Resolution (ADR) from the description of the term "human resources." This amendment was inadvertently omitted from the final rule transferring ADR authorities to the Assistant Secretary for Civil Rights (78 FR 40935, July 9, 2013).

Finally, a new delegation of authority is added to the Assistant Secretary for Administration in 7 CFR 2.24 and the Director, Office of Advocacy and Outreach in 7 CFR 2.94 to carry out student internship programs under section 922 of the Federal Agriculture

Improvement and Reform Act of 1996 (7 U.S.C. 2279c).

Miscellaneous

This rulemaking amends 7 CFR part 1, subpart H, Rules of Practice Governing Formal Adjudicatory Proceedings Instituted by the Secretary Under Various Statutes, to add a reference to section 28(o)(1) of the Mineral Leasing Act, regarding administrative proceedings involving suspensions or terminations of rights-of-way. The list of statutory provisions in 7 CFR 1.131(a) inadvertently omitted that statutory reference.

This rulemaking also amends the RUS organizational rules to reflect the provisions of the Presidential Appointment Efficiency and Streamlining Act of 2011, Public Law 112–166. That act amended section 232 of the Department of Agriculture Reorganization Act of 1994 (7 U.S.C. 6942) to no longer require Senate approval for Presidential appointments of the Administrator, RUS. Pursuant to that amendment, the position of Administrator, RUS is no longer subject to the Federal Vacancies Reform Act of 1998 (Vacancies Act) (5 U.S.C. 3345–3349d). The regulations at 7 CFR 1700.25 and 1700.26 are amended by removing the references to Senate approval and the Vacancies Act. This rulemaking also removes 7 CFR 1700.53, which identifies the order of succession for officials to act as the Administrator, RUS during the Administrator's absence. Orders of succession for USDA officials are coordinated uniformly by USDA's Office of Homeland Security and Emergency Coordination as part of its Continuity of Operations (COOP) planning, and maintained by USDA outside of the Code of Federal Regulations framework. The order of succession established by Executive Order of the President of the United States for the Secretary of Agriculture is reflected in 7 CFR 2.5.

This rulemaking also amends the Office of the Chief Economist, World Agricultural Outlook Board (WAOB) regulations by removing an obsolete reference to remote sensing activities in 7 CFR 3800.3. WAOB's remote sensing authorities have been transferred to the Assistant Secretary for Administration and the Chief Information Officer. *See* 77 FR 14951 (Mar. 14, 2012).

Classification

This rule relates to internal agency management. Accordingly, pursuant to 5 U.S.C. 553, notice of proposed rulemaking and opportunity for comment are not required, and this rule may be made effective less than 30 days

after publication in the **Federal Register**. This rule also is exempt from the provisions of Executive Order 12866. This action is not a rule as defined by the Regulatory Flexibility Act, as amended by the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 601 *et seq.*, or the Congressional Review Act, 5 U.S.C. 801 *et seq.*, and thus is exempt from the provisions of those acts. This rule contains no information collection or recordkeeping requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

Importation of Fresh Blueberries From Morocco Into the Continental United States

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Final rule.

SUMMARY: We are amending the regulations concerning the importation of fruits and vegetables to allow the importation of fresh blueberries from Morocco into the continental United States. As a condition of entry, the blueberries must be produced under a systems approach employing a combination of mitigation measures for two quarantine pests, *Ceratitis capitata* and *Monilinia fructigena*, and must be inspected prior to exportation from Morocco and found free of these pests. The blueberries may be imported in commercial consignments only and must be treated with one of two approved postharvest treatments to mitigate *C. capitata*. The blueberries will have to be accompanied by a phytosanitary certificate with an additional declaration stating that the conditions for importation have been met. This action will allow the importation of blueberries from Morocco while continuing to protect against the introduction of plant pests into the United States.
