

costs of maintaining the form outweighed the benefits it conferred.

Accordingly, this final rule adopts without change the proposed amendment eliminating Form 4473 (LV). Upon the effective date of this final rule, licensees will be required to use the standard Form 4473 for all dispositions and maintain a record of the acquisition and disposition of firearms in accordance with the regulations in 27 CFR Part 478. These recordkeeping requirements apply to the disposition of firearms to all nonlicensed persons.

How This Document Complies With the Federal Administrative Requirements for Rulemaking

A. Executive Order 12866 and Executive Order 13563

This rule has been drafted and reviewed in accordance with Executive Order 12866, "Regulatory Planning and Review," section 1(b), The Principles of Regulation, and Executive Order 13563, "Improving Regulation and Regulatory Review." The Department of Justice has determined that this rule is a "significant regulatory action" under Executive Order 12866, section 3(f), and accordingly this rule has been reviewed by the Office of Management and Budget. However, this rule will not have an annual effect on the economy of \$100 million or more, nor will it adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities.

Because ATF Form 4473 (LV), Parts I and II, have rarely been used by federal firearms licensees, the rule will have a negligible effect on the economy.

B. Executive Order 13132

The rule will not have substantial direct effects on the States, on the relationship between the Federal Government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with section 6 of Executive Order 13132, the Attorney General has determined that the rule will not have sufficient federalism implications to warrant the preparation of a federalism summary impact statement.

C. Executive Order 12988

The rule meets the applicable standards set forth in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform.

D. Regulatory Flexibility Act

The Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, requires an agency to conduct a regulatory flexibility analysis of any rule subject to notice and comment rulemaking requirements unless the agency certifies that the rule will not have a significant economic impact on a substantial number of small entities. See 5 U.S.C. 605(b). Small entities include small businesses, small not-for-profit enterprises, and small governmental jurisdictions. The Attorney General, in accordance with the Regulatory Flexibility Act, 5 U.S.C. 605(b), has reviewed this rule and, by approving it, certifies that this rule will not have a significant economic impact on a substantial number of small entities, including small businesses, small not-for-profit enterprises, and small governmental jurisdictions.

Because ATF Form 4473 (LV), Parts I and II, have rarely been used by federal firearms licensees, the rule will have a negligible effect on small businesses.

E. Small Business Regulatory Enforcement Fairness Act of 1996

This rule is not a major rule as defined by section 251 of the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 804. This rule will not result in an annual effect on the economy of \$100 million or more; a major increase in costs or prices; or significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based enterprises to compete with foreign-based enterprises in domestic and export markets.

F. Unfunded Mandates Reform Act of 1995

This rule will not result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector of \$100 million or more in any one year, and it will not significantly or uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

G. Paperwork Reduction Act

This rule does not impose any new reporting or recordkeeping requirements under the Paperwork Reduction Act.
