

regulations implementing NEPA, 10 CFR 1021.410, Appx. A & B.

These revised procedures will not affect the continued validity of the conditional orders the Department has already issued. For those applications, the Department will proceed as explained in the conditional orders: When the NEPA review process for those projects is complete, the Department will reconsider the conditional authorization in light of the information gathered in the environmental review and take appropriate final action.

Issued in Washington, DC, on August 11, 2014.

Christopher A. Smith,

Principal Deputy Assistant Secretary, Office of Fossil Energy.
