

of the Act and Rule 19b-4(f)(6)(iii) thereunder.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-72823; File No. SR-C2-2014-016]

Self-Regulatory Organizations; C2 Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Fees Schedule

August 12, 2014.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 1, 2014, C2 Options Exchange, Incorporated (the "Exchange" or "C2") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Fees Schedule. The text of the proposed rule change is available on the Exchange's Web site (<http://www.c2exchange.com/Legal/>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange currently charges firms a fee of \$350 per month for the first 10 Trading Permit Holder workstations ("TPH Workstations") and \$100 per month for all subsequent TPH Workstations. TPHs may also make a workstation available to their customers, which may include non-broker dealer public customers and non-TPH broker dealers (referred to herein as "non-TPH Workstations"). For such non-TPH workstations, the Exchange currently charges a fee of \$350 per month per workstation.³ In addition, the Exchange waives the monthly workstation fees for the first month for the first new user of a TPH or non-TPH using a PULSe workstation.⁴

The purpose of this proposed rule change is to modify the limited fee waiver available to new users of a TPH or non-TPH Workstation. Specifically, in order to give new users time to become familiar with and fully acclimated to the PULSe workstation functionality, the Exchange proposes to waive the monthly workstation fees for the first two months for all new users⁵

³ In instances where two or more TPHs wish to make a PULSe workstation available to the same non-TPH customer, a fee reduction applies. Under the reduction, if two or more TPHs make the PULSe workstation available to the same non-TPH customer, then the monthly fee is reduced from \$350 to \$250 per workstation per TPH.

⁴ A TPH or non-TPH Workstation is utilized by a "user" with a specific user login. When a firm with an existing workstation, either TPH or non-TPH, adds another workstation another user login is generated. Currently, the firm receives a one month fee waiver for the workstation utilized by the new user login, but continues to pay the fee for the previous workstation.

⁵ A firm that is currently utilizing a TPH or non-TPH Workstation but seeks to add another workstation is adding a new user. The proposal allows for a fee waiver for all new users between August 1, 2014 and December 31, 2014. For

between August 1, 2014 and December 31, 2014.⁶ In addition, the fee for August 2014 is waived for any users that became new users in July 2014. After December 31, 2014, the PULSe workstation fee will revert to its current form, which provides that the fee is waived for the first month for the first new user of a TPH or non-TPH workstation. The proposed fee waivers are based on CBOE's [sic] billing period, which is based on a calendar month (*i.e.*, begins on the first day of each month and ends on the last day of each month). For example, if a firm has a new user that begins using a PULSe workstation on August 15th, the firm's workstation fees for the new user would be waived from August 15th–September 30th (*i.e.*, their August and September bills would not have a charge for the new user's workstation) or if a firm has a new user that begins using a PULSe workstation on September 25th, the firm's workstation fees for the new user would be waived from September 25th–October 31st (*i.e.*, their September and October bills would not have a charge for the new user's workstation).

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁷ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁸ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitation transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with

example, if a firm has one workstation and adds three more in August, the firm will get a fee waiver for the three new workstations for two months (*i.e.*, their August and December [sic] bill will not have a charge for the three new workstations). A firm that is not currently utilizing a TPH or non-TPH Workstation may also add any number of workstations from August 1, 2014 and December 31, 2014, and receive the same two month fee waiver.

⁶ If a firm has a new user in December, the firm will receive a fee waiver for that user for December 2014 and January 2015.

⁷ 15 U.S.C. 78f(b).

⁸ 15 U.S.C. 78f(b)(5).

the Section 6(b)(5)⁹ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange also believes the proposed rule change is consistent with Section 6(b)(4) of the Act,¹⁰ which requires that Exchange rules provide for the equitable allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other persons using its facilities.

In particular, the Exchange believes the fee waiver is reasonable because the fee waivers will serve as an incentive for TPHs and their sponsored user customers to use the PULSe workstation as an additional trading tool on their trading desks. In addition, it is an incentive for firms that had new users in July 2014 to remain users of their workstation. The Exchange believes that it is equitable and not unfairly discriminatory because all firms with new users after August 1, 2014 and prior to December 31, 2014, are eligible for the fee waiver. In addition, allowing firms with new users in July 2014 to receive a fee waiver for August 2014 is not retroactive because under the current rules the firms are already receiving a fee waiver for July. Although firms that were already utilizing PULSe prior to July 2014 only received a one month fee waiver, which may be perceived as unfair discrimination, they too may have new users in the coming months and will benefit from the two month fee waiver for new users.

B. Self-Regulatory Organization's Statement on Burden on Competition

C2 does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and paragraph (f) of Rule 19b-4¹² thereunder. At any time within 60 days of the filing of the proposed rule

change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing of Proposed Rule Change Relating to the Listing and Trading of the Shares of the iShares Commodities Strategy ETF of iShares U.S. ETF Trust

August 12, 2014.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 31, 2014, The NASDAQ Stock Market LLC (“Nasdaq” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by Nasdaq. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Nasdaq proposes to list and trade the shares of the iShares Commodities Strategy ETF (the “Fund”) of iShares U.S. ETF Trust (the “Trust”) under Nasdaq Rule 5735 (“Managed Fund Shares”), under Nasdaq Rule 5735 (“Managed Fund Shares”). The shares of the Fund are collectively referred to herein as the “Shares.”

The text of the proposed rule change is available at <http://nasdaq.cchwallstreet.com/>, at Nasdaq’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning the purpose of, and basis for, the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to list and trade the Shares of the Fund under Nasdaq Rule 5735, which governs the listing and trading of Managed Fund Shares³ on the Exchange.⁴ The Fund will be an actively managed exchange-traded fund (“ETF”). The Shares will be offered by the Trust, which was established as a Delaware statutory trust on June 21, 2011.⁵ The Trust is registered with the Commission as an

³ A Managed Fund Share is a security that represents an interest in an investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1) (the “1940 Act”) organized as an open-end investment company or similar entity that invests in a portfolio of securities selected by its investment adviser consistent with its investment objectives and policies. In contrast, an open-end investment company that issues Index Fund Shares, listed and traded on the Exchange under Nasdaq Rule 5705, seeks to provide investment results that correspond generally to the price and yield performance of a specific foreign or domestic stock index, fixed income securities index or combination thereof.

⁴ The Commission approved Nasdaq Rule 5735 in Securities Exchange Act Release No. 57962 (June 13, 2008), 73 FR 35175 (June 20, 2008) (SR-NASDAQ-2008-039). The Fund would not be the first actively-managed fund listed on the Exchange; see Securities Exchange Act Release No. 66489 (February 29, 2012), 77 FR 13379 (March 6, 2012) (SR-NASDAQ-2012-004) (order approving listing and trading of WisdomTree Emerging Markets Corporate Bond Fund). The Exchange believes the proposed rule change raises no significant issues not previously addressed in those prior Commission orders.

⁵ The Commission has issued an order granting certain exemptive relief to the Trust under the 1940 Act (the “Exemptive Order”). See Investment Company Act Release No. 29571 (January 24, 2011) (File No. 812-13601). In compliance with Nasdaq Rule 5735(b)(5), which applies to Managed Fund Shares based on an international or global portfolio, the Trust’s application for exemptive relief under the 1940 Act states that the Fund will comply with the federal securities laws in accepting securities for deposits and satisfying redemptions with redemption securities, including that the securities accepted for deposits and the securities used to satisfy redemption requests are sold in transactions that would be exempt from registration under the Securities Act of 1933 (15 U.S.C. 77a).

investment company and has filed a registration statement on Form N-1A (“Registration Statement”) with the Commission.⁶ The Fund is a series of the Trust. With respect to the futures contracts held indirectly through a wholly-owned subsidiary controlled by the Fund and organized under the laws of the Cayman Islands (referred to herein as the “Subsidiary”), not more than 10% of the weight⁷ of such futures contracts in the aggregate shall consist of instruments whose principal trading market is not a member of the Intermarket Surveillance Group (“ISG”) or is a market with which the Exchange does not have a comprehensive surveillance sharing agreement.

BlackRock Fund Advisors will be the investment adviser (“Adviser”) to the Fund. BlackRock Investments, LLC (“Distributor”) will be the principal underwriter and distributor of the Fund’s Shares. State Street Bank and Trust Company will act as the administrator, accounting agent, custodian (“Custodian”) and transfer agent to the Fund.

Paragraph (g) of Rule 5735 provides that if the investment adviser to the investment company issuing Managed Fund Shares is affiliated with a broker-dealer, such investment adviser shall erect a “fire wall” between the investment adviser and the broker-dealer with respect to access to information concerning the composition and/or changes to such investment company portfolio.⁸ In addition,

⁶ See Registration Statement on Form N-1A for the Trust, dated January 24, 2014 (File Nos. 333-179904 and 811-22649). The descriptions of the Fund and the Shares contained herein are based, in part, on information in the Registration Statement.

⁷ To be calculated as the value of the contract divided by the total absolute notional value of the Subsidiary’s futures contracts.

⁸ An investment adviser to an open-end fund is required to be registered under the Investment Advisers Act of 1940 (the “Advisers Act”). As a result, the Adviser and its related personnel are subject to the provisions of Rule 204A-1 under the Advisers Act relating to codes of ethics. This Rule requires investment advisers to adopt a code of ethics that reflects the fiduciary nature of the relationship to clients as well as compliance with other applicable securities laws. Accordingly, procedures designed to prevent the communication and misuse of non-public information by an investment adviser must be consistent with Rule 204A-1 under the Advisers Act. In addition, Rule 206(4)-7 under the Advisers Act makes it unlawful for an investment adviser to provide investment advice to clients unless such investment adviser has (i) adopted and implemented written policies and procedures reasonably designed to prevent violation, by the investment adviser and its supervised persons, of the Advisers Act and the Commission rules adopted thereunder; (ii) implemented, at a minimum, an annual review regarding the adequacy of the policies and procedures established pursuant to subparagraph (i) above and the effectiveness of their
