33 CFR Part 100

[Docket Number USCG-2014-0705]

RIN 1625-AA08

Special Local Regulations for Marine Events, Atlantic Ocean; Ocean City, NJ

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is temporarily changing the enforcement

date of the special local regulation for the recurring air show event known as the Ocean City Air Show, held over the waters of the Atlantic Ocean, adjacent to Ocean City, New Jersey. The change of enforcement date for the special local regulation is necessary to provide for the safety of life on navigable waters during the event. This action will restrict vessel traffic in the waters of the Atlantic Ocean adjacent to Ocean City, New Jersey, during the event.

DATES: This rule is effective August 19, 2014 until 2:30 p.m. on September 14, 2014, and will be enforced from 11:00 a.m. to 2:30 p.m. on September 14, 2014.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG-2014-0705]. NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

The regulation for this marine event may be found at 33 CFR 100.501, Table to § 100.501, section (a), line “13”.

The Coast Guard is issuing this final rule pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b) and (d)(3)), which authorizes an agency to issue a rule without prior notice and opportunity to comment, and to take effect in less than 30 days, when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public

interest.” The Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because immediate action is needed to minimize potential danger to the public during the event. The potential dangers posed by air shows make this change to the special local regulation necessary to provide for the safety of participants, spectator craft, and other vessels transiting the event area. For the safety concerns noted, it is in the public interest to have this regulation in effect during the event. The Coast Guard will issue broadcast notice to mariners to advise vessel operators of navigational restrictions. On scene Coast Guard and local law enforcement vessels will also provide actual notice to mariners. For the same reasons, the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date would be contrary to the public interest, because immediate action is needed to ensure the safety of the event. However, notifications will be made to users of the affected area near Ocean City, NJ, via marine information broadcasts and a local notice to mariners.

B. Basis and Purpose

The legal basis and authorities for this rulemaking establishing a special local regulation are found in 33 U.S.C. 1233, which authorize the Coast Guard to establish and define special local regulations. The Captain of the Port Delaware Bay is establishing a special local regulation for the waters of the Atlantic Ocean, near Ocean City, NJ, to protect event participants, spectators and transiting vessels. Entry into this area is prohibited unless specifically authorized by the Captain of the Port Delaware Bay or designated representative.

C. Discussion of the Final Rule

The City of Ocean City sponsors an annual Air Show usually held on the third Sunday in September over the waters of the Atlantic Ocean adjacent to Ocean City, New Jersey.

The regulation listing annual marine events within the Fifth Coast Guard District and special local regulation locations is 33 CFR 100.501. The Table to § 100.501 identifies special local regulations by COTP zone, with the COTP Delaware Bay zone listed in section “(a.)” of the Table. The Table to § 100.501, at section (a.) event Number “13”, describes the enforcement date and regulated location for this marine event.
