[Docket ID. OSHA 2014-0019]

RIN 1218-AC92

Arizona State Plan for Occupational Safety and Health

AGENCY: Occupational Safety and Health Administration (OSHA), Department of Labor.

ACTION: Proposed rejection of State initiated plan change; reconsideration of final approval of State plan; and request for written comments.

SUMMARY: The Occupational Safety and Health Act requires state plans to provide safety standards "at least as effective as" those of Federal OSHA. The legislature of Arizona enacted a fall protection standard for residential roofing that provides fall protection at heights above 15 feet, while that of OSHA provides protection to workers at 6 feet. OSHA is proposing to take action to require Arizona to revise its standard to provide equivalent protection. OSHA is initiating two concurrent

administrative proceedings which would officially reject Arizona's fall protection standard, and rescind the "final approval" status of the Arizona state plan in the construction industry, to allow OSHA to enforce Federal construction safety standards pending enactment by Arizona of an "at least as effective" fall protection standard. OSHA is soliciting written comments to ensure that all relevant information, views and data are available to the Assistant Secretary. If requested, a public hearing may be held on these issues.

DATES: Comments and requests for a hearing must be received by September 25, 2014.

ADDRESSES: Written comments: Submit comments, identified by docket number OSHA-2014-0019, or regulatory information number (RIN) 1218-AC92, by any of the following methods:

Electronically: Submit comments and attachments electronically at <http://www.regulations.gov>, which is the Federal eRulemaking Portal. Follow the instructions on-line for making electronic submissions; or

Fax: If your submission, including attachments, does not exceed 10 pages, you may fax them to the OSHA Docket Office at (202) 693-1648; or

U.S. mail, hand delivery, express mail, messenger or courier service: Submit your comments and attachments to the OSHA Docket Office, Docket Number OSHA-2014-0019, U.S. Department of Labor, Room N-2625, 200 Constitution Avenue NW., Washington, DC 20210; telephone (202) 693-2350 (OSHA's TTY number is (877) 889-5627). Deliveries (hand, express mail, messenger and courier service) are accepted during the Department of Labor's and Docket Office's normal business hours, 8:15 a.m.-4:45 p.m., EDT.

Instructions for submitting comments: All submissions must include the docket number (Docket No. OSHA-2014-0019) or the RIN number (RIN 1218-AC92) for this rulemaking. Because of security-related procedures, submission by regular mail may result in significant delay. Please contact the OSHA Docket Office for information about security procedures for making submissions by hand delivery, express delivery and messenger or courier service.
